friends 1967 71 U G discusses in detail his search for the truth and how he underwent radical biological changes in 1967 Preferring to call it the natural state over enlightenment he insists that whatever transformation he has undergone is within the structure of the human body and not in the mind at all It is the natural state of being that sages like the Buddha Jesus and in modern times Sri Ramana stepped into And U G never tires of pointing out that this is the way you stripped of the machinations of thought are also functioning

The Natural State Peter Maverick,2005-06 Taken from many sources this book is an anthology of UG s conversations It aims to offer some of the most startling and penetrating of UG s words UG says that it is our tragedy that we are constantly trying to change ourselves trying to model ourselves after one of the saints sages or saviours of mankind

The Natural State U. G. Krishnamurti,2022-01-04 This book an anthology of U G s conversations taken from many sources offers some of the most startling and penetrating of U G s words in short easy to read paragraphs The overall effect of the book can stun the reader into a recognition of the futility of many of his deepest held convictions about life Even if one is familiar with U G s way of seeing things this book offers a comprehensive overview that provides a useful clarification If you have newly discovered U G through this book be prepared to experience something so unusual that it cannot be placed in any category of human thought

Indian Review of Books ,1992

Goner Louis Brawley,2011-05-16 Louis Brawley met UG Krishnamurti in 2002 and spent the following five years travelling with him in the USA India and Europe keeping a record of this remarkable non teacher and documenting his own inner struggles as his ideas about life love and Enlightenment were constantly tossed around and demolished Louis fell into the role of foil and sidekick to UG s bizarre interactions with his friends and audience and as UG s health deteriorated he became his informal caregiver Louis Brawley doesn t use honeyed platitudes to tell the story of a sage and his devoted follower instead he tells an often unflattering story of his own struggles and shortcomings and the dynamic uncertainties of life with a man who tore apart everything human beings have built up inside and out for centuries Goner will teach you the meaning of the phrase paradoxical truth UG Krishnamurti gave up everything for truth but delighted in ridiculous fabrications he was a teacher who refused to teach a man who mocked do gooders but was deeply kind he was chaste but foul mouthed he was a man who decried the supernatural yet there were strange coincidences around him the way he lived his living quarters and his mode of expression were one continuous movement a three dimensional living book of teaching If you were observant you could learn from him on contact with no need for explanation
