A Treatise Concerning The Lords Supper Puritan Writings

Thomas Doolittle

A Treatise Concerning The Lords Supper Puritan Writings:

A Treatise Concerning the Lord's Supper Thomas Doolittle, 1998-05-01 Doolittle who at one time was Richard Baxter's assistant pastor addresses preparation for the Lord's Supper discusses the properties of the blood of Christ and urges self-examination both before and after the ordinance The eminently practical side of the Puritans is seen by his directions on how to live after receiving the Lord's Supper **A Treatise Concerning the Lord's Supper** Thomas Doolittle, 1844 *A Treatise Concerning the Lord's Supper ...* Thomas Doolittle, 1764 **Meet the Puritans** Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons Meet the Puritans will surprise you in the best way Behind those caricatures lies a warm Christ-centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren't abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you'll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you're serious about reading the Puritans or simply looking for a clear starting point this is the place to begin **A Treatise Concerning the Lord's Supper ...**, 1690 The Spirituality of the Later English Puritans Dewey D. Wallace, 1987 **Holy Communion in the Piety of the Reformed Church** Hughes Oliphant Old, 2020-04-13 British Librarian, Or Book-collectors Guide to the Formation of a Library in All Branches of Literature (etc.) William Thomas Lowndes, 1842 **Lowndes' British Librarian, Or Book-collector's Guide to the Formation of a Library in All Branches of Literature, Science, and Art** William Thomas Lowndes, 1839 **The American Puritan Elegy** Jeffrey A. Hammond, 2000-06-01 Jeffrey Hammond's study takes an anthropological approach to the most popular form of poetry in early New England the funeral elegy Hammond reconstructs the historical theological and cultural contexts of these poems to demonstrate how they responded to a specific process of mourning defined by Puritan views on death and grief The elegies emerge he argues not as poems to be read and

appreciated in a post romantic sense but as performative scripts that consoled readers by shaping their experience of loss in accordance with theological expectation Read in the framework of their own time and place the elegies shed light on the emotional dimension of Puritanism and the important role of ritual in Puritan culture Hammond s book reassesses a body of poems whose importance on their own time has been obscured by almost total neglect in ours It represents the first full length study of its kind in English **British Librarian; Or, Book-collector's Guide ...** William Thomas Lowndes,1842

A Treatise Concerning the Lords Supper Thomas Doolittle,1689 **Calvin's Theology and Its Reception** J. Todd Billings,I. John Hesselink,2012-01-01 A unique resource for the study of John Calvin s theology its reception and insights for today *The New Cambridge Bibliography of English Literature: Volume 1, 600-1660* George Watson,Ian Roy

Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Symon Patrick (1626-1707) and His Contribution to the Post-1660 Restored Church of England* Nicholas Fisher,2019-05-16 History has not been kind to Symon Patrick His fifty years of ministry spanned the closing years of Cromwell s rule and the start of Queen Anne s reign and ranged from service as a Church of England minister in two fashionable London parishes to appointment as the latitudinarian Bishop of Ely He influenced a major change in the character of the Established Church as it moved from a confrontational fundamentalism to the broad tolerance that exists today Patrick recognised by his contemporaries as one of the three or four leading clergy of his generation wrote over one hundred books that helped to define his Church such as his pastoral work *The Heart s Ease* his devotional *The Parable of the Pilgrim* and his biting polemic against nonconformism *A Friendly Debate* This book assesses the significance and quality of Patrick s contribution to the Church of England carefully placing it against the background of the history and politics of the time and suggesting why his reputation faded after his death Puritanism Latitudinarianism pilgrimage women s religion and spirituality and prose style are all topics touched on here

The Oxford Handbook of Early American Literature Kevin J. Hayes,2008-02-06 The Oxford Handbook of Early American Literature is a major new reference work that provides the best single volume source of original scholarship on early American literature Comprised of twenty seven chapters written by experts in their fields this work presents an authoritative in depth and up to date assessment of a crucial area within literary studies Organized primarily in terms of genre the chapters include original research on key concepts as well as analysis of interesting texts from throughout colonial America Separate chapters are devoted to literary genres of great importance at the time of their composition that have been

neglected in recent decades such as histories promotion literature and scientific writing New interpretations are offered on the works of Benjamin Franklin Jonathan Edwards and Dr Alexander Hamilton while lesser known figures are also brought to light Newly vital areas like print culture and natural history are given full treatment As with other Oxford Handbooks the contributors cover the field in a comprehensive yet accessible way that is suitable for those wishing to gain a good working knowledge of an area of study and where it s headed *Oxford Books: The early Oxford press, 1468-1640. 1895* Falconer Madan,1895 *The Johannine Renaissance in Early Modern English Literature and Theology* Paul Cefalu,2017 The volume highlights how the Fourth Gospel and First Epistle of Saint John the Evangelist were leading apostolic texts during the early modern period in England and the importance of Johannine theology to early modern religious poetry *Design in Puritan American Literature* William J. Scheick,2021-12-14 Puritan American writers faced a dilemma they had an obligation to use language as a celebration of divine artistry but they could not allow their writing to become an iconic graven image of authorial self idolatry In this study William Scheick explores one way in which William Bradford Nathaniel Ward Anne Bradstreet Urian Oakes Edward Taylor and Jonathan Edwards mediated these conflicting imperatives They did so he argues by creating moments in their works when they and their audience could hesitate and contemplate the central paradox of language its capacity to intimate both concealed authorial pride and latent deific design These ambiguous occasions served Puritan writers as places where the threat of divine wrath and the promise of divine mercy intersected in unresolved tension By the nineteenth century the heritage of this Christlike mingling of temporal connotation and eternal denotation had mutated A peculiar late eighteenth century narrative by Nathan Fiske and a short story by Edward Bellamy both suggest that the binary nature of language exploited by their Puritan ancestors was still a vital authorial concern but neither of these writers affirms the presence of an eternal denotative signification hidden within the conflicting historical contexts of their apparently allegorical language For them appreciation of the mystery of a divine revelation possibly concealed in words yielded to puzzlement over language itself specifically over the inadequacy of language to signify more than its own instability of design This book is a tightly focused study of an important aspect of Puritan American writers use of language by one of the leading scholars in the field of early American literature **The Interpretation of Material Shapes in Puritanism** Ann Kibbey,1986-06-27 Examines the variety of ways in which early Protestants responded to material shapes icons acoustic shapes of speech material objects and the physical shapes of humans Reveals how reactions to material shapes took violent forms as evidenced in the development of prejudice from Calvin and Luther to the Puritan immigrants of Massachusetts Bay

Decoding **A Treatise Concerning The Lords Supper Puritan Writings**: Revealing the Captivating Potential of Verbal Expression
