A Ufo Called Cherubim In Phoenicia Bible Phoenicia:

A Ufo Called Cherubim in Phoenicia Mourane, **Polygamy Bible & Koran** Mourane, From the dawn of creation the woman is a problem The theology imputes to her the death sentence on mankind For this religions stigmatised her in everyday life By the temptation of the woman the man knew his fall and his expulsion from paradise In various works we tried to analyze the regression of women status in monotheism versus paganism We gathered under this title the main articles on the subject despite their overlap *Bible & Love Stories* Mourane, In ancient times it was common among nomads to offer a woman to their guests as a token of hospitality Polygamy counterbalanced the surplus of women in the tribe and provided offspring despite frequent sterility Immolation of children affected mainly girls and helped maintain demographic balance Back then a number of sexual behaviours were not taboo as they are today and pagan festivals often ended in orgies In the Torah Moses established the rules for all kinds of abuse He fixed a rating scale in Sanctuary Shekels several centuries before the shekel was created Sexual relationships with unmarried women were taxed 50 to 100 shekels according to their status of virginity Adulterous women were sentenced to death by lapidation Here our subject deals with some facts that took place before Moses law more precisely in Abraham s family **V1.
