Lewis** Gary D.

Rhodes,2012 Joseph H Lewis enjoyed a monumental career in many genres including film noir and B movies with the East Side Kids as well as an extensive and often overlooked TV career In The Films of Joseph H Lewis editor Gary D Rhodes PhD gathers notable scholars from around the globe to examine the full range of Lewis s career While some studies analyze Lewis s work in different areas others focus on particular films ranging from poverty row fare to westerns and television films Overall this collection offers fresh perspectives on Lewis as an auteur a director responsible for individually unique works as well as a sustained and coherent style Essays in part 1 investigate the texts and contexts that were important to Lewis s film and television career as contributors explore his innovative visual style and themes in both mediums Contributors to part 2 present an array of essays on specific films including Lewis s remarkable and prescient Invisible Ghost and other notable films My Name Is Julia Ross So Dark the Night and The Big Combo Part 3 presents an extended case study of Lewis s most famous and arguably most important work Gun Crazy Contributors take three distinct approaches to the film in the context of its genre as film noir and modernist and postmodernist film in its relationship to masculinity and masochism and in terms of ethos and ethics The Films of Joseph H Lewis offers a thorough assessment of Lewis s career and also provides insight into film and television making in the 1930s 40s and 50s Scholars of film and television studies and fans of Lewis s work will appreciate this comprehensive collection

Robert Rossen Alan Casty,2013-03-13 This book calls for a re evaluation of the films of Robert Rossen Over a 30 year period he was the most accomplished writer and director who was also a longtime member of the Communist Party but his achievement has not been recognized his films have been belittled or ignored his legacy denied Rossen s films reflected his times and the American scene with a dramatic intensity and personal expression unmatched by any other filmmaker of the period The stages of his political journey from idealism about Communism to his rebellion against the Party s betrayal of those ideals influenced the rendering of his concerns and themes the flaws of human nature the complexities of motives the paradoxes of betrayal personal and political Yet Rossen testified against his fellow filmmakers and so his morals and character have been denounced his work diminished as fatally marred by his moral flaws The opposite is true Here is a thorough analysis of each of his 22 films and their place in the developing themes of his body of work It integrates this study of the films with a documented narrative of his relationship to the Party its history and conflicts its duplicities especially the relations of the Party and its followers to the oppressions of the Soviet Union And so it challenges the validity of the conventional wisdom about the moral issues of the blacklist period

The Marxist and the Movies Larry Ceplair,2007-11-16 As part of its effort to expose Communist infiltration in the United States and eliminate Communist influence on movies from 1947 1953 the House Committee on Un American Activities subpoenaed hundreds of movie industry employees suspected of membership in the Communist Party Most of them including screenwriter Paul Jarrico 1915 1997 invoked the Fifth Amendment and refused to answer questions about their political associations They were all blacklisted In The Marxist and the Movies Larry Ceplair narrates the life movie career and political activities of Jarrico the

recipient of an Oscar nomination for his screenplay for *Tom Dick and Harry* 1941 and the producer of *Salt of the Earth* 1954 one of the most politically besieged films in the history of the United States Though Jarrico did not reach the upper echelon of screenwriting he worked steadily in Hollywood until his blacklisting He was one of the movie industry's most engaged Communists working on behalf of dozens of social and political causes *Song of Russia* 1944 was one of the few assignments that allowed him to express his political beliefs through his screenwriting craft Though MGM planned the film as a conventional means of boosting domestic support for the USSR a wartime ally of the United States it came under attack by a host of anti Communists Jarrico fought the blacklist in many ways and his greatest battle involved the making of *Salt of the Earth* Jarrico other blacklisted individuals and the families of the miners who were the subject of the film created a landmark film in motion picture history As did others on the blacklist Jarrico decided that Europe offered a freer atmosphere than that of the cold war United States Although he continued to support political causes while living abroad he found it difficult to find remunerative black market screenwriting assignments On the scripts he did complete he had to use a pseudonym or allow the producers to give screen credit to others Upon returning to the United States in 1977 he led the fight to restore screen credits to the blacklisted writers who like himself had been denied screen credit from the late 1940s to the mid 1960s Despite all the obstacles he encountered Jarrico never lost his faith in the progressive potential of movies and the possibility of a socialist future *The Marxist and the Movies* details the relationship between a screenwriter's work and his Communist beliefs From Jarrico's immense archive interviews with him and those who knew him best and a host of other sources Ceplair has crafted an insider's view of Paul Jarrico's life and work placing both in the context of U S cultural history

*Transforming the Screen, 1950-1959* Peter Lev, 2003 Covering a tumultuous period of the 1950s this work explores the divorce of movie studios from their theater chains the panic of the blacklist era the explosive emergence of science fiction as the dominant genre and the rise of television and Hollywood's response with widescreen spectacles **John Oliver Killens** Keith Gilyard, 2011-11-01 John Oliver Killens's politically charged novels *And Then We Heard the Thunder* and *The Cotillion* or *One Good Bull Is Half the Herd* were nominated for the Pulitzer Prize His works of fiction and nonfiction the most famous of which is his novel *Youngblood* have been translated into more than a dozen languages An influential novelist essayist screenwriter and teacher he was the founding chair of the Harlem Writers Guild and mentored a generation of black writers at Fisk Howard Columbia and elsewhere Killens is recognized as the spiritual father of the Black Arts Movement In this first major biography of Killens Keith Gilyard examines the life and career of the man who was perhaps the premier African American writer activist from the 1950s to the 1980s Gilyard extends his focus to the broad boundaries of Killens's times and literary achievement from the Old Left to the Black Arts Movement and beyond Figuring prominently in these pages are the many important African American artists and political figures connected to the author from the 1930s to the 1980s W E B Du Bois Paul Robeson Alphaeus Hunton Langston Hughes James Baldwin Martin Luther King Jr Malcolm X Harry Belafonte and

Maya Angelou among others      The Gladiators vs. Spartacus, Volume 2 Abraham Polonsky, 2020-12-21 This publication of Abraham Polonsky's unproduced screenplay for The Gladiators is a tribute to one of Hollywood's premiere post WW II directors and writers whose career was severely impacted by the blacklist His script for The Gladiators survives to remind us that he could and did transform a difficult and complex novel of an ancient slave rebellion into a screenplay worthy of Arthur Koestler's bold fictional vision Through a combination of the ambivalence of its executive producer and star plus bad timing it never went before the cameras This book is published in the hope that The Gladiators will be produced for cinema or television      American Anti-Pastoral Thomas Gustafson, 2024-06-14 One of the best known novels taking place in New Jersey Philip Roth's 1997 American Pastoral uses the fictional hamlet of Old Rimrock NJ as a microcosm for a nation in crisis during the cultural upheavals of the 1960s 70s Critics have called Old Rimrock mythic but it is based on a very real place the small Morris county town of Brookside New Jersey American Anti Pastoral reads the events in Roth's novel in relation to the history of Brookside and its region While Roth's protagonist Seymour Swede Levov initially views Old Rimrock as an idyllic paradise within the Garden State its real world counterpart has a more complex past in its origins as a small industrial village as well as a site for the politics of exclusionary zoning and a 1960s anti war protest at its celebrated 4th of July parade Literary historian and Brookside native Thomas Gustafson casts Roth's canonical novel in a fresh light as he studies both Old Rimrock in comparison to Brookside and the novel in relationship to NJ literature making a case for it as the Great New Jersey novel For Roth fans and history buffs alike American Anti Pastoral peels back the myths about the bucolic Garden State countryside to reveal deep fissures along the fault lines of race and religion in American democracy      **Hollywood Left and Right** Steven J. Ross, 2011-09-06 Ever since the film industry relocated to Hollywood early in the twentieth century it has had an outsized influence on American politics Through a series of gripping chapters on larger than life figures in American cinema Charlie Chaplin Louis Mayer Edward G Robinson Harry Belafonte Ronald Reagan George Murphy Jane Fonda Charlton Heston Warren Beatty and Arnold Schwarzenegger Hollywood Left and Right tells the compelling story of how Hollywood emerged as a vital center of American politics From Chaplin whose movies almost always displayed his leftist convictions to Schwarzenegger's nearly seamless transition from action blockbusters to the California governor's mansion Steve Ross traces the intersection of Hollywood and political activism through the twentieth century and into the 21st Significantly Hollywood Left and Right challenges the commonly held belief that Hollywood is a bastion of liberalism The real story as Ross shows in this passionate yet highly entertaining work is a far more complicated one The Left and the Right each gained ascendancy in Tinseltown at different times but while the Hollywood Left was usually more vocal and visible it was the Right that achieved the most capturing a Senate seat Murphy a governorship Schwarzenegger and ultimately the Presidency Reagan      **How To Do Politics With Art** Violaine Roussel, Anurima Banerji, 2016-10-26 A major issue in the relation of art to the rest of society is the question of how art penetrates politics From the perspective of most art scholars this is a question of aesthetics

whether politics necessarily pollutes and debases the quality of the arts From the perspective of social science it has been primarily a question of meaning how political messages are conveyed through artistic media Recent work has begun to broaden the study of the arts and politics beyond semiosis and content focus Several strands of scholarship are converging around the general issue of the social relationships within which art takes political form that is how art and artists do politics This perspective of doing moves analysis beyond addressing the meaning of culture to focus on the ways that art is embedded in and intervenes in social relationships activities and institutions This volume brings together an interdisciplinary group of scholars from France and the United States to investigate these directions and themes by exploring the question of how to do politics with art from a comparative standpoint putting sociological approaches in conversation with other disciplinary prisms It will be of interest to scholars of social movements and politicization the sociology of art art history and aesthetics
