the material universe in favor of the timeless realm of spirit Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity such as violence greed and maliciousness Racism he contends was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence Examining historical records Kerner shows that Jesus who represented an uncorrupted genetic line warned his disciples about the threat posed by these alien interlopers while Hitler a pure product of this alien intelligence waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering Despite the powerful grip the Greys have on humanity Kerner says that all hope is not lost Greys exist wholly in the material world so if we follow the spiritual laws of reincarnation and karma aiming for enlightenment and rising above the material a state the Greys are unable to reach we can free ourselves from their grasp The Alien Abduction Phenomenon Paul Meehan, 2025-06-13 News reports books articles and films about alien abductions have long captured the public imagination This book traces the evolution of the phenomenon from the late 1940s flying saucer era and the contactee and occupant sightings of the 1950s to the widespread abduction stories of the 1960s and beyond It examines how broader social cultural and scientific contexts have shaped these accounts and offers a critical analysis of their interpretations over time Also discussed are the key researchers who have sought to understand the nature and intentions of alleged extraterrestrial beings or ufonauts while addressing the skepticism about the subject The efforts of the scientific community to investigate unidentified aerial phenomenon UAP and abductions are assessed acknowledging both the challenges and limitations of such inquiries Firsthand encounters with non human entities are examined attempting to uncover the forces behind these sightings and arguing that there could be unforeseen consequences of ignoring the phenomena **James Tiptree, Ir.** Award Cumulative List Jeanne Gomoll, 2019-10-25 This book lists all the Tiptree Award winners Tiptree honor lists and Tiptree long lists since the founding of the award in 1990 through 2019 when the awards name was changed to the Otherwise Award In addition the Tiptree retrospective awards presented in 1996 are listed Also included are ceremony site art prizes and songs with which the winners were serenaded during the award ceremonies Captured!
