the ICC Statute To facilitate the operationalization of domestic implementation the book explores the technical options for incorporating the definition into domestic law the geographical ambit of domestic jurisdiction most notably universal jurisdiction as well as legal challenges such as immunities The book is aimed primarily at researchers and States with an interest in the domestic implementation of international criminal law but those already working in the field should also find much of interest contained within it Dr Annegret Hartig is Program Director of the Global Institute for the Prevention of Aggression and worked as a researcher at the University of Hamburg where she obtained her doctoral degree in international criminal law

Hunt,2004-11-01 This volume is the first full length study of penitential tears of contrition since Hausherr's in 1944 It traces its exposition in the early eastern Christian tradition through detailed analysis of Greek and Syriac texts by Klimakos Ephrem Isaac and Symeon the New Theologian It suggests why such weeping is for these writers a joyful as well as a sobering experience and it places their writings in their historical and geographical context giving some lexicographical background Issues of religious anthropology and the unusual choice of a female exegete in the person of the sinful woman Luke 7 36 50 are considered The conclusion points the way to an appropriate theological interpretation of these teachings and highlights modern non monastic examples of joy bearing penitent grief

The Waning Sword: Conversion Imagery and Celestial Myth in 'Beowulf' Edward Pettit, 2020-01-14 The image of a giant sword melting stands at the structural and thematic heart of the Old English heroic poem Beowulf This meticulously researched book investigates the nature and

significance of this golden hilted weapon and its likely relatives within Beowulf and beyond drawing on the fields of Old English and Old Norse language and literature liturgy archaeology astronomy folklore and comparative mythology In Part I Pettit explores the complex of connotations surrounding this image from icicles to candles and crosses by examining a range of medieval sources and argues that the giant sword may function as a visual motif in which pre Christian Germanic concepts and prominent Christian symbols coalesce In Part II Pettit investigates the broader Germanic background to this image especially in relation to the god Ing Yngvi Freyr and explores the capacity of myths to recur and endure across time Drawing on an eclectic range of narrative and linguistic evidence from Northern European texts and on archaeological discoveries Pettit suggests that the image of the giant sword and the characters and events associated with it may reflect an elemental struggle between the sun and the moon articulated through an underlying myth about the theft and repossession of sunlight The Waning Sword Conversion Imagery and Celestial Myth in Beowulf is a welcome contribution to the overlapping fields of Beowulf scholarship Old Norse Icelandic literature and Germanic philology Not only does it present a wealth of new readings that shed light on the craft of the Beowulf poet and inform our understanding of the poem s major episodes and themes it further highlights the merits of adopting an interdisciplinary approach alongside a comparative vantage point As such The Waning Sword will be compelling reading for Beowulf scholars and for a wider audience of medievalists

Representing Beasts in Early Medieval England and Scandinavia Michael D. J. Bintley, Thomas J. T. Williams, 2015 Essays on the depiction of animals birds and insects in early medieval material culture from texts to carvings to the landscape itself For people in the early Middle Ages the earth air water and ether teemed with other beings Some of these were sentient creatures that swam flew slithered or stalked through the same environments inhabited by their human contemporaries Others were objects that a modern beholder would be unlikely to think of as living things but could yet be considered to possess a vitality that rendered them potent Still others were things half glimpsed on a dark night or seen only in the mind s eye strange beasts that haunted dreams and visions or inhabited exotic lands beyond the compass of everyday knowledge This book discusses the various ways in which the early English and Scandinavians thought about and represented these other inhabitants of their world and considers the multi faceted nature of the relationship between people and beasts Drawing on the evidence of material culture art language literature place names and landscapes the studies presented here reveal a world where the boundaries between humans animals monsters and objects were blurred and often permeable and where to represent the bestial could be to hold a mirror to the self Michael D J Bintley is Senior Lecturer in Medieval Literature at Canterbury Christ Church University Thomas J T Williams is a doctoral researcher at UCL s Institute of Archaeology Contributors No l Adams John Baker Michael D J Bintley Sue Brunning L szl S ndor Chardonnens Della Hooke Eric Lacey Richard North Marijane Osborn Victoria Symons Thomas J Williams **Parody and Counterimaging in the Apocalypse** Joe E. and hearers In light of the best of recent scholarship on The Revelation Lunceford examines over thirty uses of this device most notably the contrasting images of the evil trinity of dragon beast from the sea and beast from the earth and the Holy Trinity

Jesus and the Angels Peter R. Carrell,1997-07-10 This book first published in 1997 examines the influence of angelology on the christology of the Apocalypse of John In the Apocalypse Jesus appears in glorious form reminiscent of angels in Jewish and Christian literature in the period between 200 BCE and 200 CE Dr Carrell asks what significance this has for the christology of the Apocalypse He concludes that by portraying Jesus in such a way that he has the form and function of an angel and yet is also divine the Apocalypse both upholds monotheism and at the same time provides a means for Jesus to be presented in visible glorious form to his Church
