A Captain For Laura Rose:

A Captain for Laura Rose Stephanie Grace Whitson,2014-03-04 Laura Rose White's late father taught her everything he knew about piloting a Missouri River steamboat. He even named their boat after her. Despite that it seems that Laura will forever be a cub pilot to her brother Joe because in 1867 a female riverboat captain is unheard of. That is until tragedy strikes and Laura must make the two month journey from St Louis to Fort Benton and back in order to save her family's legacy her home and the only life she's ever known. The only way for her to overcome the nearly insurmountable odds is with the help of her brother's disreputable friend Finn MacKnight a skilled pilot with a terrible reputation. Laura loathes having to accept MacKnight as her co pilot especially when she learns she must also provide passage for his two sisters. Straight laced Fiona has a fear of water and unpredictable Adele seems much too comfortable with the idea of life in the rough and tumble environment of the untamed river and the men who ply it. Though they are thrown together by necessity this historic journey may lead Laura and the MacKnights to far more than they ever expected. **Harper's New Monthly Magazine** Henry Mills Alden,1867 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs. **Ethel Woodville** M.J.H. Clementina's Daughter Hilary Giner-Sorolla,2001-11-06 England's Queen Victoria is dead and the colorful Edwardian era is in full swing. Orphaned Laura Stephens falls in love with William a restless young explorer but her uncle and aunt have their own ideas about who is a suitable match for their niece. They favor an army captain on leave from service in India. Anti German feeling is rampant as a result of the heavy loss of life in the recently ended South African War when the British fought the German backed Boers. Unluckily for Laura William belongs to a German family who with many other speculators have settled in the nearby Leem Valley to take advantage of the economic boom in iron and steel. The Germans find the top social circle difficult to penetrate so they build a mansion in the hunting country near Laura's home. William takes up residence there as Squire of the Manor of Scorby. A climax is reached when a mean spirited housekeeper learns the captain's deepest secret. *Messenger by Moonlight* Stephanie Grace Whitson,2016-05-10 Bestselling author Stephanie Grace Whitson's latest historical novel features an adventurous young heroine who works for the Pony Express.
