

THE NEW YORK TIMES BESTSELLER

A Peace to End All Peace

When David Fromkin's brilliant new book, *A Peace to End All Peace*, was published, it was hailed as a masterpiece of historical scholarship. In this book, Fromkin tells the story of the Middle East from the perspective of the British, the Ottoman Empire, and the United States. It is a book that will change the way we think about the Middle East.

THE FALL OF THE OTTOMAN
EMPIRE AND THE CREATION OF
THE MIDDLE EASTERN MIDDLE EAST

DAVID FROMKIN

A Peace To End All Peace Publisher Holt Paperbacks

Imbesat Daudi

A Peace To End All Peace Publisher Holt Paperbacks:

The Myriad Legacies of 1917 Maartje Abbenhuis, Neill Atkinson, Kingsley Baird, Gail Romano, 2018-04-25 This book explores the ramifications of 1917 arguing that it was a cataclysmic year in world history In this volume thirteen scholars reflect on the myriad legacies of the year 1917 as a year of war revolution upheaval and change Crisscrossing the globe and drawing on a range of disciplinary approaches from military social and economic history to museum memory and cultural studies the collection highlights how the First World War remains living history With contributions on the Russian revolutions the entry of the United States into the war the Caucasus and Flanders war fronts as well as on India and New Zealand and chapters by pre eminent First World War academics including Jay Winter Annette Becker and Michael Neiberg the collection engages all with an interest in the era and in the history and commemoration of war Voyage Without a Harbor David D. Peck, 2014-02-05 With the extensive amount of information available online today it is often difficult to determine the validity of facts presented and even more challenging to put them all into perspective In Voyage without a Harbor author David D Peck seeks to provide both the validity and perspective from a historical standpoint A professor of history at the college level for more than twenty years Peck presents an accessible narrative overview of Western civilization from the Stone Age to the end of the Cold War in the late twentieth century Voyage without a Harbor focuses primarily on providing fundamental guidance information and insight on how civilization developed but also occasionally delves into deeper factual presentations combined with some examples drawn from the humanities Geared toward high school seniors and college freshmen this study offers a concise look into the history of Western civilization with lists of suggested resources and reading for those seeking more in depth discussion highly accessible and eminently readable John D Young PhD Flagler College well balanced with fascinating tidbits scattered throughout Ryan Patrick Crisp PhD BYU Idaho **The Case for Zionism** Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day Islamophobia and the West Imbesat Daudi, 2022-10-21 This book provides an engaging and insightful look into the definitions discourse and experiences of Islamophobia and its steady rise since 9 11 It analyses concepts and binaries that

are drawn around discussions on civilization religious dogma violence and race Is there a link between Islam and violence Why does the West feel threatened by it The author critically examines these questions and the birth of hate politics which packages hate in a marketable format and often demonizes victims It also looks at the role of the media in the West in perpetuating stereotypes and its consequences and the nature of war reportage in Islamic countries while deconstructing the narrative of the clash of civilizations Topical and lucid this book is a must read for students and scholars of sociology international relations peace and conflict studies political science Islamic studies and for other readers interested in these topics

The Arab Nationalist Advisor Joseph A. Kéchichian, 2022-11-01 Shaykh Yusuf Yassin 1892-1962 marked the contemporary history of the Kingdom of Saudi Arabia in his capacity as a favorite advisor who was the founder monarchs confidential secretary relentless envoy and chief foreign policy consultant Born in Latakia Syria Yassin earned the confidence of King Abdul Aziz bin Abdul Rahman Al Saud and moved to Riyadh even before the Third Saudi Kingdom was inaugurated in 1932 After obtaining citizenship he participated in critical decisions reached by the ruler as regional and international actors honed in on the wealth of the Arabian Peninsula Over the course of several decades Yusuf Yassin met with and negotiated on behalf of three monarchs Abdul Aziz and his two successors Saud and Faysal with Arab and global leaders He was present at the creation of the country and suggested that al Saudiyyah be added to its very name Al Mamlakah al Arabiyyah al Saudiyyah which reflected his personality and political outlook as an Arab nationalist who cherished the founder Joseph Kechichian has written the first political biography of the statesman based on original documents the Yassin Papers as well as Western diplomatic correspondence Kechichian provides insights into the Nationalist Al Saud Advisor who left his mark on Saudi Arabia The volume provides essential background on a man who rose from humble origins in Syria to espouse Arabian values and walks the reader through nearly five decades of Arab history including the repercussions of the infamous 1916 Sykes-Picot Agreement the creation of the League of Arab States and various Arab crises These events experienced and engaged with by Shaykh Yusuf Yassin at the highest political and diplomatic levels set the stage that empowered Saudi Arabia along with other Arab States with the wherewithal to succeed for their respective peoples

State, 1991 **Recarving Rushmore** Ivan Eland, 2014-10-01 Who were the best and worst U S presidents In the past when historians and scholars have rated the presidents their evaluations often have been based on individual charisma activism and service during periods of crisis Taking a distinctly new approach in Recarving Rushmore Ivan Eland profiles each U S president from Washington to Obama on the merits of his policies and whether those strategies contributed to peace prosperity and liberty This ranking system is based on how effective each president was in fulfilling his oath to uphold the Constitution Contrary to the preferences of modern conservatives and liberals this oath was intended to limit the role of the federal government Readers will be intrigued to discover why of the four men given exalted representations on Mount Rushmore only Washington deserves the honor They will learn why Teddy Roosevelt has been overrated why Jefferson

hypocritically violated his lofty rhetoric of liberty and why Lincoln provoked a civil war that achieved far less than believed Readers will uncover why some presidents are rated much higher than the conventional wisdom for example Warren Harding and some rank much lower for example Harry Truman As for more modern U S chief executives Republicans will be astounded to learn that Nixon was the last liberal president and that Reagan wasn't all that conservative Democrats will be amazed to learn that Clinton was in some respects more conservative than George W Bush and why both Obama and Bush are ranked as bad Readers will learn why the author goes against the grain and anoints Eisenhower and Carter as the two best modern presidents

The Serendipitous Evolution of the Balfour Declaration of November 2, 1917 Paul Goldstein, Eyal Lewin, 2021-07-07 The Balfour Declaration was one of the most important events in the history of the Jewish people prior to the Holocaust signaling the beginning of a new era of self-determination in the reconstituted Jewish homeland This book provides an all-inclusive understanding of the complex geopolitical elements that shaped the facts on the ground in the Middle East Analyzing the chain of events that led to the Balfour Declaration through a uniquely holistic approach it demonstrates how the national interests of the nations involved in the World War I theater intersected with those of the Jewish nation in the final phase of its long march towards political sovereignty Like the multiple parts of precision clockwork each element regardless of shape or size played an essential part in the functioning of the whole while the absence of one of them would have altered the outcome of the entire process The text is bound to be of interest to specialists and researchers wanting insights into the historic international and psycho-sociological processes that have been changing the Middle East throughout recent decades It will also serve as an important academic source or even a textbook for university courses about the history of Israel and the Middle East

Sharing the Burden Charlie Laderman, 2019 The Armenian question The origins of a solution The Rooseveltian solution The missionary solution The Wilsonian solution The American solution Dissolution

Palestine's Christians and the Nationalist Cause Erik Freas, 2024-12-23 This book provides an historical overview of Palestine's Christian communities and their role in the Palestinian nationalist movement during the late Ottoman and British mandatory periods More than being a history of Palestine's Christian Arabs the book focuses on Palestine's Christians during the formative period of Palestinian Arab national identity attentive to the broader topic of the relationship between nationalism and religion in this case between Arab identity and Islam Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive things more recent scholarship has addressed the fact that often there exists considerable overlap between the two though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith as is the case here The relationship is also an ever-changing one hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine's Christians vis-à-vis their place in the nationalist cause and relationship with the broader Muslim population The book will be of interest to historians and scholars focused on the modern Middle East Palestinian history

Muslim Christian inter communal relations and the relationship between nationalism and religion *Principles of Water Resources* Thomas V. Cech,2009-08-24 With all new and updated material the third edition provides civil engineers with a complete history of water availability It also delves into government development management and policy of water usage New information is included on international water issues water measurement and telemetry Additional details are also presented on global warming and its impact on water resources In addition environmental engineers will gain a current understanding of the field through updated case studies and images that make the material more relevant *Russian Supply Efforts in America During the First World War* Dale C. Rielage,2002-01-01 When Russia entered World War I its government was unprepared for the strains that modern warfare would impose on its industrial resources Russia turned to foreign suppliers most significantly the United States and made extensive purchases largely financed by loans from the British The Imperial Russian government s efforts to procure much needed military supplies in the American market before and after America s entry into World War I are the focus of this work It reveals the disorder that characterized the first Russian purchasing efforts in America in 1914 when the full demand had not yet been felt and how these efforts were transformed by the shell crisis of 1915 and the involvement of representatives of the zemstvos and industry in the formal overseas purchasing process This book also looks at Russia s dependence on the British for funding the mature phase of purchasing in mid 1916 a single order placed by the zemstvo movement with the American Locomotive Company the Russian Supply Commission s struggle to deal with America s entry into the war and the collapse of Russia s Imperial and Provisional governments *The Eastern Question in 1870s Britain* Leslie Rogne Schumacher,2023-09-30 This book examines mid Victorian discourse on the expansion of the British Empire s role in the Middle East It investigates how British political leaders journalists and the general public responded to events in the Ottoman Empire which many if not most people in Britain came to see as trudging towards inevitable chaos and destruction Although this Eastern Question on a post Ottoman future was ostensibly a matter of international politics and sometimes conflict this study argues that the ideas underpinning it were conceived shaped and enforced according to domestic British attitudes In this way this book presents the Eastern Question as as much a British question as one related in any way to the Ottoman Empire Particularly in the crucial decade of the 1870s debates in Victorian society on the Eastern Question served as proxies for other pressing issues of the day including electoral reform changing religious attitudes public education and the costs of maintaining Britain s empire This book offers new perspectives on the Eastern Question s relationship to these trends in Victorian society culture and politics highlighting its significance in understanding Britain s imperial programme more widely in the second half of the nineteenth century *Wilsonian Approaches to American Conflicts* Ashley Cox,2017-07-14 Cover Title Page Copyright Page Table of Contents Introduction 1 A Wilsonian interpretation 2 The First World War 3 The War of 1812 4 The Korean War 5 The Gulf War 6 Conclusion Bibliography Index **The Middle East Today** Dona J. Stewart,2013 The new edition of The Middle East

Today provides an accessible and comprehensive introductory textbook for undergraduate students of Middle East Studies Middle East politics and geography This updated and revised edition features a host of pedagogical features to assist students with their learning including detailed maps and images case studies on key issues boxed sections and suggestions for further reading The book highlights the current issues facing the Middle East linking them to the rich political geographical and cultural history of the region The author examines the crises and conflicts both current and potential likely to dominate the region in coming years The second edition has been fully updated and revised to include discussion of such recent events as the effects of the Arab Spring Turkey's growing influence in the region the dramatic increase in Iran's nuclear capabilities Usama bin Laden's death and declining support for violent extremist movements in the Middle East Further supplemented by a companion website containing sample chapters a selection of maps formatted for use in presentations and annotated links to online resources and websites The Middle East Today is an essential resource for all students of Middle East Studies Middle East politics and geography *The Publishers Weekly*, 1995 **Joint Force Quarterly**, 2010 Fratricide in the Holy Land Avner Falk, 2005-02-17 This is the first English language book ever to apply psychoanalytic knowledge to the understanding of the most intractable international struggle in our world today the Arab Israeli conflict Two ethnic groups fight over a single territory that both consider to be theirs by historical right essentially a rational matter But close historical examination shows that the two parties to this tragic conflict have missed innumerable opportunities for a rational partition of the territory between them and for a permanent state of peace and prosperity rather than perennial bloodshed and misery Falk suggests that a way to understand and explain such irrational matters is to examine the unconscious aspects of the conflict He examines large group psychology nationalism group narcissism psychogeography the Arab and Israeli minds and suicidal terrorism and he offers psychobiographical studies of Ariel Sharon and Yasser Arafat two key players in this tragic conflict today *The Hitler Legacy* Levenda, Peter, 2014-11-08 Peter Levenda's extensive investigative work begun in 1979 and published as *Unholy Alliance* and continued through his recent ground breaking revelations in *Ratline* of an Indonesian route in the Nazi escape of war criminals and their network is in depth researched in *The Hitler Legacy* of the impact and influence of the Nazi underground on terrorism and global security past and present **Averting An Iranian Geopolitical Crisis** H. Ram Hormozi, 2016-04-19 Caught between the Ottoman Empire to the west the Russian sphere of influence in the north and the British colonial territories in India and the Middle East Iran at the end of the nineteenth century was a hotly contested strategic battleground The ruling Qajar Dynasty was led by a young and inexperienced king and the British were busy extending their reach through unbalanced treaties and resource concessions Meanwhile powerful tribal leaders like Sheikh Khaz al sought to retain their traditional positions and block efforts to unite the country under a strong central government With the discovery of oil and Britain's need to fuel her war machine in World War I increased attention on Iran demanded a modernization of her policies and government Reza

Khan an otherwise unknown soldier united the armed forces and swept to power bringing with him the unity and structure needed to take Iran into the emerging modern world After disposing of the former rulers he became the new shah and fought to rebuild his country after centuries of abuse and manipulation by foreign powers What was at stake was the autonomy of Iran s lifeline Iran s Golden State Khuzestan province a province with abundant rich oil and gas reservoirs natural resources with a strategic importance to the warm waters of the Persian Gulf The full sovereignty by others could have exponentially undermined Iran s position and role on the world stage both politically and economically and even more so in the turbulent Middle East of today Events of the time period of this book are very pertinent to the current geopolitical conversation struggles and developments in the region This is the story of the dynamic power play for dominance robust diplomacy and political rivalries between colonial powers powerful tribes and government actors in the Iranian southwest theater The emergence of a powerful regime in Iran and the superpowers radical shifts in foreign policy and in the regional engagements in the post World War I significantly contributed to averting this geopolitical crisis of a historic proportion It is an extensively researched and definitive history of Iran at the turn of the twentieth century that is required reading for anyone seeking to understand the history of colonialism oil exploration and the ongoing political tensions of the Middle East

The Enigmatic Realm of **A Peace To End All Peace Publisher Holt Paperbacks**: Unleashing the Language is Inner Magic
