Surprisingly Supernatural Neil Gilligan,2012-11-01 Surprisingly Supernatural A Practical Guide to Releasing the Gifts of the Spirit teaches believers to receive the gifts of the Spirit and then how to release the spiritual gifts of prophecy healings and miracles discernment and binding or driving out demons Then the believers are encouraged to bring in the harvest When believers learn how to release the gifts of the Spirit that is what the Bride of Christ is to do at the end of the age and then she will enter into the wedding banquet see Matt 24 14 25 9 10 You Will Learn That you are supposed to ask for the Holy Spirit and ask for the gifts of the Spirit and being continually filled by the Spirit was what the first disciples experienced and they were the first ones called Christians That if you will learn the conditions required for you to hear Gods voice then you will be able to prophecy That if you will learn the keys to healing then you will begin to see the sick healed when you lay your hands on them That when you ask for the gift of discernment then you will begin to discern demons and the defilement that is around you Then you can cast out those demons That leylines are spiritual highways that demons travel on over the earth and you will learn how to clean them off That when you release the gifts of the Spirit you will easily be able to show nonbelievers that Jesus Christ is the Son of God and is the Savior of the World That the Bride of Christ is to be continually filled by the Spirit until she is clothed in the armor of light and clothed in Jesus Christ then she will bring glory to the Lord see Rom 13 12 14

Bethany - resurrected church Richard Spencer, Adam Threlfall, 2014-09-22 This book is a record of a conversation between Jesus and part of his bride one local church We will follow this conversation over a number of years as he revealed more and more of his vision for his church He said to the man who would be the first among the first apostles I will build my church and we will follow how he has been building us into the

community that he wants us to be *The Supernatural and the Circuit Riders* Rimi Xhemajli,2021-06-22 In *The Supernatural and the Circuit Riders* Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God's Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today **Capturing Heaven's Attention** Chris Overstreet,2023-10-03 Experience God's Supernatural Power in Action Have you heard of God's supernatural power but never experienced it Are you tired of talking about a coming move of God and ready to be an active part of it right now For more than 15 years Chris Overstreet has followed the leading of God in his life from ministering in remote places around the **Follow Me** Richard Spencer,2016-10-06 The purpose of this book is to awaken the church in this country to see that God is calling for a radical change of heart that will result in entering into the reality of being the body and the bride of Christ Inspired by the centurion in Matthew and Luke's Gospels the book uses an analogy of the practices of armies since Roman times with God's plan for his church in the cosmic war against the forces of evil The book shows the absolute need for churches and individuals to prioritise receiving and obeying their particular stream of orders from the Commander in Chief Then Jesus will be able to lead us as a regular army and not just as guerrilla fighters in a major campaign that will be revival **Evangelism and the Openness of God** Vaughn W. Baker,2012-12-18 In *Evangelism and the Openness of God* Vaughn Baker argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Open theism affirms an ontology of love as opposed to power and it focuses on God's kenosis in creation allowing for the authentic freedom of creation influenced by divine persuasion God's genuine temporal relationship with creation one that is open synergist and non coercive provides a new perspective for evangelistic activity In this volume the author has made a valuable contribution to the integration of new developments in theology and evangelism **The Word of Knowledge in Action** Art Thomas,2011-05-17 Until this book the word of knowledge has been a largely misunderstood gift of the Spirit Now the truth is told *The Word of Knowledge in Action* is the first book completely dedicated to a comprehensive biblically sound analysis of this spiritual gift More than that through testimonies and biblical examples there is page after page of rich practical advice for implementing this gift in the

context of supernatural Christianity Through personal experience practical counsel and biblical revelation author Art Thomas brings this special spiritual gift to life in a whole new way by citing tested and proven strategies for integrating the word of knowledge into your everyday Kingdom life With clarity wisdom and simplicity the Scriptures are presented in fresh vibrant ways bringing revival to all who will receive *Bold Faith* Ben Pugh,2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals *Bold Faith* aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity *Shifting Shadow of Supernatural Power* Julia Loren,2011-07-28 A storm is brewing Who is ready for the coming showdown *Shifting Shadows of Supernatural Power* charts the storm brewing between the power of God and schemes of the enemy and encourages believers to step out of the shadows and into the Light A history of the prophetic movement in the United States combined with interviews of many well known prophetic voices such as Jill Austin Heidi and Roland Baker Todd Bentley Stacey Campbell Randy Clark Graham Cooke James Goll Bill Hamon John Paul Jackson Rick Joyner and Patricia King serve as a compass to navigate the storm and change the course of a too complacent intellectual church The author equips you to Step into God s presence Define shifting shadows origins Sharpen your discernment Recognize converging movements Increase in power and authority Arm yourself with knowledge to distinguish the difference between power that comes from God the enemy or even yourself By tapping into God s authentic power and using His gifts of the Spirit you will access His supernatural signs and wonders today *Transformed by the Power of God* Neil Gilligan,2011-07-28 *Transformed by the Power of God* is a call to Christians hungry for more of God eager to be filled with the Holy Spirit and excited to demonstrate the Kingdom of God through healings miracles deliverances and prophecy This fresh word is filled with thrilling personal experiences with the Lord Also thoroughly discussed and scripturally supported are the end times parables Jesus taught that reveal how the Church at the end of the age is required to be clothed with Jesus Christ You will learn How the Holy Spirit teaches you how to heal the sick and prophesy The cultural and spiritual hindrances to being clothed To discern spiritual things with your physical senses That God actually clothes His servants in the fire of God That you can be asleep to the glory of God and not recognize your need to wear the Lord s presence How to ask the Father to clothe you in His Spirit That being clothed in the Holy Spirit protects you from evil spirits

Transformed by the Power of God gives you the personal and practical tools to empower yourself toward fulfilling your destiny in Him today **One to One** Terry Wardle,1989 **The Olive Tree Connection** John Fischer,1983 Yeshua of Nazareth was Jewish His twelve disciples were Jewish and the Bible was written by Jews Gentiles adopted Yeshua as exclusively their own and Jews grew to fear the very word Christian John Fischer maintains that Gentile and Jew can once again share Israel s Messiah back cover
