STUDIES IN MEDIEVAL PERSPECTIVES

D. W. ROBERTSON JR.

A Preface To Chaucer Studies In Medieval Perspectives

Kathy Cawsey

A Preface To Chaucer Studies In Medieval Perspectives:

A Preface to Chaucer Durant Waite Robertson, 1962 The Description for this book A Preface to Chaucer Studies in Medieval Perspective will be forthcoming A Preface to Chaucer Durant Waite Robertson, 2015-12-08 What were the medieval stylistic aesthetic and literary conventions that Chaucer drew upon and knew that his audience would understand In this rich study Mr Robertson has included 118 illustrations of medieval sculpture cathedral interiors illuminated manuscripts paintings ornamental devices and decorations to show how these conventions affected the visual arts of Chaucer's time Special attention is directed to fundamental differences between medieval and modern attitudes toward poetry and to the significance of these differences for an approach to medieval art By placing Chaucer fully in his own time Mr Robertson establishes new perspectives for understanding Chaucer's poetry His book is like a rich tapestry weaving together many threads Originally published in 1962 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Preface to Chaucer** Durant Waite Robertson, 1963

A Preface to Chaucer Durant W. Robertson, 1973 **A Preface to Chaucer** D. W. Robertson, 2003-01-01 **A Preface to Chaucer: Studies in Medieval Perspectives** D.W. Robertson (jr.), 1962 **A preface to Chaucer** B W. Robertson, 1963

A Companion to Chaucer Peter Brown, 2008-04-15 Designed as both a contribution to original research and as a stimulating and accessible text this volume is a helpful reliable responsive and adaptable resource for students of Chaucer at all levels **Philosophical Chaucer** Mark Miller, 2005-01-13 Mark Miller's innovative study argues that Chaucer's

Canterbury Tales represent an extended meditation on agency autonomy and practical reason This philosophical aspect of Chaucer's interests can help us understand what is both sophisticated and disturbing about his explorations of love sex and gender Partly through fresh readings of the Consolation of Philosophy and the Romance of the Rose Miller charts Chaucer's position in relation to the association in the Christian West between problems of autonomy and problems of sexuality and reconstructs how medieval philosophers and literary writers approached psychological phenomena often thought of as distinctively modern The literary experiments of the Canterbury Tales represent a distinctive philosophical achievement that remains vital to our own attempts to understand agency desire and their histories **Oxford Guides to Chaucer: The**

Canterbury Tales Helen Cooper, 2023-07-13 Recognised on its first appearance as the most comprehensive single volume guide to The Canterbury Tales yet produced this third edition brings the Tales up to date in relation both to recent criticism and to the changing expectations of modern readers The Guide provides tale by tale information on textual variations and sources together with a readable commentary on thematic issues structure style generic affiliations and the contribution of

each tale to the work as a whole It concludes with a survey of the many imitations of the tales down to the early seventeenth century This new edition also takes account of the latest scholarship theory and criticism and new interpretations of the tales including such matters as gender identity consent and racial and religious difference The book is the most comprehensive single volume guide to the Tales yet produced bringing together a wide range of disparate material and providing a readable commentary on all aspects of the work It combines the comprehensive coverage of a reference book with the clarity and coherence of a critical account Since its first publication in 1989 the Guide has established itself as an indispensable aid for any reader looking to develop their understanding of The Canterbury Tales

Twentieth-Century Chaucer Criticism

Kathy Cawsey, 2016-02-17 Shifting ideas about Geoffrey Chaucer's audience have produced radically different readings of Chaucer's work over the course of the past century Kathy Cawsey in her book on the changing relationship among Chaucer critics and theories of audience draws on Michel Foucault's concept of the author function to propose the idea of an audience function which shows the ways critics' concepts of audience affect and condition their criticism Focusing on six trend-setting Chaucerian scholars Cawsey identifies the assumptions about Chaucer's audience underpinning each critic's work arguing these ideas best explain the diversity of interpretation in Chaucer criticism Further Cawsey suggests few studies of Chaucer's own understanding of audience have been done in part because Chaucer criticism has been conditioned by scholars' latent suppositions about Chaucer's own audience In making sense of the confusing and conflicting mass of modern Chaucer criticism Cawsey also provides insights into the development of twentieth-century literary criticism and theory

Chaucerian Theatricality John M. Ganim, 2014-07-14 Whereas modern criticism has emphasized the unity and sense of permanence in The Canterbury Tales John Ganim alerts us to a dialectically opposing dimension that Chaucer's poetics shares with the popular culture of the late Middle Ages his celebration of the ephemeral and his sense of performance Ganim uses the concept of theatricality to illuminate Chaucer's manipulations of the forms of popular culture and high literary discourse He calls upon recent work in semiotics and social history to question Mikhail Bakhtin's notion of the carnivalesque and the dialogic at the same time suggesting Bakhtin's usefulness in understanding Chaucer This book includes chapters on how Chaucer adopts the voice of such popular literary forms as chronicles and pious collections on his equivalence between his own image making and dramatic performance and on Chaucer's and Boccaccio's handling of the related issues of popular understanding and the creation of illusions The book concludes by describing how Chaucer conflates noise and popular expression simultaneously appropriating and distancing himself from his richest cultural context Originally published in 1990 The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton

University Press since its founding in 1905 **Chaucer** Derek Traversi, 1987 This book traces through Chaucer's earlier poems the development of his understanding of the creative possibilities and the limitations of his art The discussion includes authority and experience in three works and demonstrates how the creative process defined in the study led to the masterpiece *Troilus and Criseyde* **The Routledge Companion to Global Chaucer** Craig E. Bertolet, Susan Nakley, 2024-10-02 The Routledge Companion to Global Chaucer offers 40 chapters by leading scholars working with contemporary theoretical and textual approaches to the poetry and prose of Geoffrey Chaucer c 1340-1400 in a global context This volume is an ideal starting point for beginners offering contemporary perspectives to Chaucer both geographically and intellectually including Exploration of major and lesser known works translations and lyrics such as *The Canterbury Tales* and *Troilus and Criseyde* Spatial intersections and external forms of communication Discussion of identities cognitions and patterns of thought including gender race disability science and nature The Routledge Companion to Global Chaucer also includes a section addressing ways of incorporating its material in the classroom to integrate global questions in the teaching of Chaucer's works This guide provides post-pandemic twenty-first century readers a way to teach learn and write about Chaucer's works complete with awareness of their reach their limitations and occlusions on a global field of culture **The Canterbury Tales: Seventeen Tales and the General Prologue (Third International Student Edition) (Norton Critical Editions)** Geoffrey Chaucer, 2018-06 This book has been more helpful to the students both the better ones and the lesser ones than any other book I have ever used in any of my classes in my more than a quarter century of university teaching RICHARD L KIRKWOOD University of Wisconsin Eau Claire This Norton Critical Edition includes *The medieval masterpiece's* most popular tales including new to the Third Edition *The Man of Law's Prologue and Tale* and *The Second Nun's Prologue and Tale* Extensive marginal glosses explanatory footnotes a preface and a guide to Chaucer's language by V A Kolve and Glending Olson Sources and analogues arranged by tale Twelve critical essays seven of them new to the Third Edition A Chronology a Short Glossary and a Selected Bibliography About the Series Read by more than 12 million students over fifty-five years Norton Critical Editions set the standard for apparatus that is right for undergraduate readers The three-part format annotated text contexts and criticism helps students to better understand analyze and appreciate the literature while opening a wide range of teaching possibilities for instructors Whether in print or in digital format Norton Critical Editions provide all the resources students need Chaucer's Gifts Robert Epstein, 2018-02-01 Geoffrey Chaucer's *Canterbury Tales* the most celebrated literary work of medieval England portrays the culture of the late Middle Ages as a deeply commercial environment replete with commodities and dominated by market relationships However the market is not the only mode of exchange in Chaucer's world or in his poem Chaucer's *Gifts* reveals the gift economy at work in the tales Applying important recent advances in anthropological gift theory it illuminates and explains this network of exchanges and obligations Chaucer's *Gifts* argues that the world of the *Canterbury Tales* harbours deep commitments to reciprocity and

obligation which are at odds with a purely commercial culture and demonstrates how the market and commercial relations are not natural eternal or inevitable an essential lesson if we are to understand Chaucer's world or our own **Disability in the Middle Ages** Joshua R. Eyler, 2016-05-23 What do we mean when we talk about disability in the Middle Ages This volume brings together dynamic scholars working on the subject in medieval literature and history who use the latest approaches from the field to address this central question Contributors discuss such standard medieval texts as the Arthurian Legend The Canterbury Tales and Old Norse Sagas providing an accessible entry point to the field of medieval disability studies to medievalists The essays explore a wide variety of disabilities including the more traditionally accepted classifications of blindness and deafness as well as perceived disabilities such as madness pregnancy and age Adopting a ground breaking new approach to the study of disability in the medieval period this provocative book will interest medievalists and scholars of disability throughout history Geoffrey Chaucer Dieter Mehl, 1986-12-18 This book is a lucid introduction and intelligent examination of Chaucer's narrative poetry **The Oxford Handbook of English Literature and Theology** Andrew Hass, David Jasper, Elisabeth Jay, 2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship between English Literature and Theology **The Yale Companion to Chaucer** Seth Lerer, 2006-01-01 A collection of essays on Chaucer's poetry this guide provides up to date information on the history and textual contexts of Chaucer's work on the ranges of critical interpretation and on the poet's place in English and European literary history
