Wright,2012-08-01 I highly recommend Not Without Mercy First it is a story of faith and family during one of the world s darkest chapters the Black Death Many of the challenges the Beorn family faced in this book will parallel the challenges our own families will endure in the coming days of trial Secondly Phill s story is unique because it is based on numerous dreams and visitations wherein the characters of his book appeared at his bedside and told them their stories firsthand Phill later learned that these characters were his family members who lived during the mid 1300s in Bristol England The story they said is very timely for our day and the desolating pestilence that has been foretold Furthermore this story demonstrates that the veil is thin and that the hearts of the fathers have turned towards the children I believe in the administration of angels Who would have a more vested interest in administering to us than our own family Not Without Mercy is a beautiful testament that family bonds do not end in the grave Michael B Rush author of A Remnant Shall Return Daniel 11 Revelation The Vision of John The Devine and Delight in Plainness *Migratory Waterfowl Shortage* United States.
