A Primer On Postmodernism A Primer On Postmodernism:

A Primer on Postmodernism Stanley J. Grenz, 1996-02-06 From the academy to pop culture our society is in the throes of change rivaling the birth of modernity out of the decay of the Middle Ages We are now moving from the modern to the postmodern era But what is postmodernism How did it arise What characterizes the postmodern ethos What is the postmodern mind and how does it differ from the modern mind Who are its leading advocates Most important of all what challenges does this cultural shift present to the church which must proclaim the gospel to the emerging postmodern generation Stanley Grenz here charts the postmodern landscape He shows the threads that link art and architecture philosophy and fiction literary theory and television He shows how the postmodern phenomenon has actually been in the making for a century and then introduces readers to the gurus of the postmodern mind set What he offers here is truly an indispensable guide for understanding today's culture

A Primer on Postmodernism, 1996 From the academy to pop culture our society is in the throes of change rivaling the birth of modernity out of the decay of the Middle Ages We are now moving from the modern to the postmodern era But what is postmodernism How did it arise What characterizes the postmodern ethos Who are its leading advocates Most important of all what challenges does this cultural shift present to the church which must proclaim the gospel to the emerging postmodern generation Stanley J Grenz here charts the postmodern landscape He shows the threads that link art and architecture philosophy and fiction literary theory and television He shows how the postmodern phenomenon has actually been in the making for a century also introducing readers to the contemporary gurus of the postmodern mind set Scholarly yet accessible to all this volume is an indispensable guide for understanding contemporary Western culture

C.S. Lewis and Christian Postmodernism Kyoko Yuasa, 2017-05-25 Employing a postmodernist literary approach Kyoko Yuasa identifies C S Lewis both as an antimodernist and as a Christian postmodernist who tells the story of the Gospel to twentieth and twenty first century readers Lewis is popularly known as an able Christian apologist talented at explaining Christian beliefs in simple logical terms His fictional works on the other hand feature expressions that erect ambiguous borders between non fiction and fiction an approach similar to those typical in postmodernist literature While postmodernist literature is full of micronarratives that deconstruct the Great Story Lewis's fictional world shows the reverse in his world micronarratives express the Story that transcends human understanding Lewis's approach reflects both his opposition to modernist philosophy which embraces solidified interpretation and his criticism of modernised Christianity Here Yuasa brings to the fore Lewis's focus on the history of interpretation and seeks a new model

A Primer to Postmodernity Joseph Natoli, 1997-12-16 A Primer to Postmodernity introduces the general reader to an emerging postmodern world order by giving us just the facts through contemporary cultural lenses

Postmodernism 101 Heath White, 2006-07-01 Finally here's a book about postmodernism that you don't need a philosophy degree to understand In *Postmodernism 101 A First Course for the Curious Christian* Heath White offers a brief and accessible introduction to the

ideas of postmodernism and its relationship to Christianity White paints the historical and philosophical background underlying postmodernism in understandable but not oversimplified language He then describes what postmodernism means to our view of self language thought the search for knowledge and culture White invites Christians who otherwise might have avoided postmodern theorizing into this important dialogue with questions for further thought after each chapter and suggestions for future reading This book is ideal for students as well as curious pastors and lay readers *Preaching Christ in a Postmodern Culture* K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy Mapping Postmodernism Robert C. Greer, 2003-08-11 Helping you navigate the complex debate among Christians over postmodernism Robert C Greer maps four different paths marked out by Francis Schaeffer Karl Barth John Hick and George Lindbeck Ultimately he points to the true Subject who makes knowledge possible through the language of revelation and relationship with God **Pentecostal and Postmodern Hermeneutics** Bradley Truman Noel, 2010-01-29 Pentecostal and Postmodern Hermeneutics seeks to explore the relationship between Pentecostal hermeneutics and Pentecostalism's ability to connect with and evangelize North American youth As a Postmodern ethos makes its presence increasingly felt in the Western world no Christian movement should be better positioned to bring the message of Christ to youth and young adults eager to experience the God of miracles and wonders Recent trends in Pentecostal hermeneutics however may actually make the task more difficult No historical movement has thrived in the long term that has not carefully considered the place of youth and young adults in the vision for the future While Pentecostalism has been at the forefront of youth ministry in the last several decades we must also connect Pentecostal academia with evangelism efforts among youth and young adults This work calls Pentecostal scholars to thoughtfully consider the implications of their work for future generations *CRITICAL ESSAYS ON POSTMODERNISM* Godfrey O. Ozumba, Patrick J. Mendie, Michael Ukah & Christopher A. Udofia (Edited), 2017 The aim of this book is to tell a fuller story of postmodernism as applied to philosophy

and a few other related disciplines The book considers postmodernism from different angles Apart from examining the nexus between postmodernism and different branches of philosophy The ideas of leading postmodern thinkers we critically discussed In an age where students find it very difficult to buy relevant books this book is a handy reference material because it covers the very essential areas of postmodernism I must commend the Editors of the book for their editorial astuteness and all the contributors for exhibiting a wonderful and overwhelming enlightenment for philosophy students and students of related disciplines I strongly recommend the book for these and enlightened readers who seek a deeper knowledge of the subject

Transforming Bible Study Bob Grahmann, 2003-09-11 The Word of God is alive dynamic and powerful Do you want a Bible study method that will bring Scripture to life in your personal study and in your group studies With both biblical expertise and cultural awareness Bob Grahmann clearly introduces the inductive method of Bible study and offers a variety of exercises to help you put it into practice right away

Understand Emerging Church Theology Jeremy Bouma, 2014-07-27 3 Emergent Theology Response Books in 1 Includes best selling books Reimagining the Kingdom The Generational Development of Liberal Kingdom Theology from Schleiermacher to McLaren The Gospel of Brian McLaren A New Kind of Christianity for a Multi Faith World Reimagining the Christian Faith Exploring the Emergent Theology of Doug Pagitt Peter Rollins Samir Selmanovic and Brian McLaren On February 8 2010 pastor and theologian Jeremy Bouma did something he thought he d never do He said Goodbye Emergent Once upon a time he was enamored by the I am not a movement but a conversation known as the Emerging Church after entering a period of faith deconstruction and reconstruction nine years ago Like many young adults for the first time he was taking his faith in Jesus Christ seriously and asking a whole lot of questions along the way which the Emergent Church helped foster and nurture But then something happened He came to realize the Emerging Church is a form of Christianity other than the versions that currently exist but mirror those that have already existed mainly the false theology of theological liberalism Understand Emerging Church Theology is a bundle of three books representing his best selling work as a former Emergent insider and historical theologian He offers it to help empower other interested Christians to respond to the foreign theology of the Emerging Church and do what Jude urges the Church to do contend for the faith that was once for all entrusted to God s holy people Jude 3

[Shaken Faith](#) Sanejo Leonard, 2015-04-23 When your faith no longer works and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis what do you do Is doubt okay Is it okay for Christians to struggle with what they believe Is it okay to question God This book takes an honest and in depth look at faith crises experiences from interviews with sixty people and five biblical narratives addressing head on the issues of doubt and times of questioning one s faith Shaken Faith outlines a biblical perspective and a fresh way of viewing doubt the questions Christians experience in their faith and faith crisis moments In order for faith to be real it must be challenged and shaken so that the depth of the faith can be rooted in an unshakable God

Gospel Virtues Jonathan R. Wilson, 2004-08-16 Virtues are in but the work of

Bill Bennett and others says little about specifically Christian virtues Jonathan Wilson now recounts the recent rise of virtue ethics and provides a compelling Christian account and justification of them Wilson engages such key figures as Alasdair MacIntyre and Stanley Hauerwas Focusing especially on the theological virtues of faith hope and love he not only sets forth a closely reasoned intellectual argument but suggests how an embrace of virtue ethics might change the nitty gritty practice of the church s education worship and hospitality Accessible informed and faithful Gospel Virtues is important reading for all who care about issues of character and community

The Pastor's Personal Friendships: Conflicts, Boundaries, and Benefits David Simmons, 2014-04-28 This book examines the pastor s friendships as they impact a pastor s effectiveness in ministry and his or her personal well being Because friendships require high levels of self disclosure friendships introduce potential conflict for the pastor as personal self disclosure may conflict with the pastor s expected role Taking a qualitative approach this study looks at how pastors navigate the areas of friendship both inside and outside their congregations The research involved interviews with ten congregational pastors and reports themes that emerged from the interviews The researcher developed four friendship types that assist the pastor in balancing pastoral role expectation with expression of vulnerability

Preaching to a Postmodern World Graham M. Johnston, 2001-07-01 While growing churches dot our urban centers and country landscapes church goers and students today are actually less likely to maintain a Christian worldview than in the past In fact the majority of society does not even believe in objective truth A minister out of touch with this culture is like an uninformed missionary trying to teach in a foreign country To communicate God s Word effectively in the twenty first century teachers need to know how to connect with and confront an audience of postmodern listeners In Preaching to a Postmodern World Johnston shows pastors seminary students professors lay teachers and church leaders can reach the present age without selling out to it The book discusses how to distinguish between modernism and postmodernism understand postmodern worldviews change the style of preaching without compromising the substance take advantage of new opportunities provided by the cultural shift show an inattentive society the relevance of God s truth The author s keen insights into contemporary pop and media culture also help equip speakers to address today s listeners with clarity and relevance

Crossing Boundaries, Redefining Faith Michael Clawson, April Stace, 2016-11-08 The Emerging Church Movement an eclectic conversation about how Christianity needs to evolve for our postmodern world has been breaking traditional bounds and stirring up controversy for more than two decades This volume is the first academic work to adopt an interdisciplinary approach to understanding this complex and boundary crossing phenomenon Containing contributions by researchers from a diverse set of disciplines this book brings together historical sociological ethnographic anthropological and theological approaches to offer the most thorough and multifaceted description of the Emerging Church Movement to date Contributors Juan Jose Barreda Toscano Dee Yaccino Gerardo Marti Lloyd Chia Jason Wollschleger James S Bielo Jon Bialecki Heather Josselyn Cranson Xochitl Alviso Chris James Tim Snyder

Oh, the Deep, Deep Love of Jesus Michael A.

Milton, 2007-01-01 John 17 contains the greatest intercessory prayer ever prayed from this earth The Apostle John reveals Jesus of Nazareth in full disclosure of his self identity going to his Father not only for his disciples then but also for his disciples now Drawing from this remarkable chapter of the Bible Michael A Milton has sought to capture the timeless spiritual truths that Jesus prayed and to apply them to the lives of his congregation In this book all of us can now benefit from these insights Retaining the live feel of an actual worship service at First Presbyterian Church of Chattanooga Tennessee where these messages were first delivered the reader can expect an appealing mixture of faithful Bible exposition alert concern for the times in which we live and heartfelt pastoral application to the lives of real people Each chapter concludes with questions for devotional study or for small groups

Postmodernism R. Brewer, Pentecostal Aesthetics Steven Felix, 2015-02-04 Pentecostals have not sufficiently worked out a distinctively Pentecostal philosophy of art and aesthetics In Pentecostal Aesthetics Theological Reflections in a Pentecostal Philosophy of Art and Aesthetics with a foreword by Amos Yong Steven Felix corrects this by reflecting theologically on art and aesthetics from a global Pentecostal perspective particularly through a pneumatic Pentecostal lens Felix contends that a Pentecostal philosophy of art and aesthetics must comply with the global experiential and pneumatocentric nature of the Pentecostal movement Such a philosophy can be ontologically grounded in a relativistic theory of art Theological reflections concerning the nature and purpose of art must then be sensitive to the ontological foundations secured thereof In this fashion Pentecostals can gain ample insight about the Spirit's work in today's contemporary artworld

Theologies of the 21st Century David L. Smith, 2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic
