**How the Bible was Built** Charlse Merrill Smith,James W. Bennett,2005-09-21 Filling this knowledge gap How the Bible Was Built clearly tells the story of how the Bible came to be BOOK JACKET The Life Journey of a Joyful Man of God Adrian L. van Kaam,2010-09-23 To have known Adrian van Kaam in person is to have loved him for reasons human and spiritual His kindness to everyone is as legendary as his fidelity to the mystery in all the peaks and valleys of daily life His humility is the fire that enkindles his original vision of formative spirituality His gentle joyful spirit radiates on every page of this retelling of his life story In it he takes us to the heart of his thinking in the fields of psychology and spiritual formation He welcomes us wholeheartedly into the intimate corners of his family his friendships and his pastoral and professional life He brings us into a little known arena of world history the infamous Dutch Hunger Winter of 1944 1945 We travel with him from that bleak period through the renewal of his life s work in the United States to its crowning phase in the Epiphany Association co founded with his colleague and editor of this unforgettable work of love Dr Susan Muto *The Silent War* Henry J. Rogers,2000-01-01 Amid the smoky dance clubs and seedy sections of town there exist a thriving pornography industry But it doesn t end there and so the danger to men is all the greater For in hotel rooms trendy bookstores television screens and internet websites there is enough viewing of pornographic materials to trap lives forever It is the world that author Henry Rogers reveals to us in a book that has too few peers The Silent War through interviews statistics and other facts traces the unraveling of American men by the claws of pornography Rogers chaplain for Interstate Batteries discusses his own battle with this terrible addiction then builds concrete steps for helping others climb out of the pit The Silent War is a lifeline in a world in love with evil **Faith Rising--Between the Lines** David B. Bowman,2021-05-25 This writing intends to rouse would be believers to faith or enhance the faith of others through the adventure of modern fiction While taking note of the secularity of our era the author insists the Spirit of God has not departed the scene The opening poem by Emily Dickinson Tell all the truth but tell it slant proposes the author s contention that the indirect discourse of fictional writers may welcome readers to faith s door in ways sermoniac speech never did The modern authors chosen for this purpose are Izak Dinesen Annie Dillard Kent Haruf Loren Eiseley Gary Trudeau Garrison Keillor William Golding Walker Percy Frederick Buechner and Gabriel Marcel Having explained one work each by these noted authors the book closes by pointing to ways in which embedded faith may rise out of these pages to meet the reader where he or she lives **Design of My Journey** Hans Kasdorf,2004 **A Quiet Desperation** James W. Bennett,1983 **The Indian Autobiographies in English** RCP Sinha,2013-02-28 Self portrayal has become an integral part of modern culture and India equally shares this universal mood A large number of Indians have committed themselves to the writing of their autobiographies in English as well as in the regional languages It is exciting to know that those in English have been produced by some of the finest minds of the country such as Raja Rammohun Roy Lal Behari Day Surendra Nath Banerjea Bipin Chandra Pal Lala Lajpat Rai

Mahatma Gandhi Rabindranath Tagore Jawaharlal Nehru Subhash Chandra Bose P C Roy S Radhakrishnan Sachchidanand Sinha and Nirad C Chaudhury It is highly fascinating to read their testimony in the shaping of modern Indian history Even more exciting are the glimpses into their private lives and the interrelation between the portrait and the man This study is the first comprehensive attempt to critically evaluate these works and shows how in modern times Indians begin to get over the proverbial Indian inhibition in talking of private affairs hesitatingly first and then with a devastating even embarrassing frankness This study in passing also tries to dispel the impression that no autobiographical tradition existed in ancient and medieval India Journey to Mindfulness Henepola Gunaratana, Jeanne Malmgren, 2003 From one of the world's most

influential meditation teachers comes the engrossing story of his life and his journey along the path to mindfulness Part of a Journey Philip Toynbee, 1981 **Radical Discontinuities** Harold Peter Simonson, 1983 Contrasting scripture and art faith and imagination revelation and vision the author argues for the provocative thesis that the American Romantic and Puritan traditions are irreconcilably opposed and that they represent the collision of mutually exclusive worldviews

**Journal of Religion and Health**, 1988 *Aldous Huxley Between East and West* C. C. Barfoot, 2001 Although the title of this volume is *Aldous Huxley between East and West* the order of the articles found within goes from West to East which naturally imitates Huxley's own progress especially since he went to the trouble of stepping out as far West as possible before starting for the East Indeed one could argue that he was already on his way there before he left for California a continuous journey perhaps since from the Californian shores of the Pacific the East is the further West After the Introduction which places Huxley between East and West the book starts with a consideration of Huxley's family connections then goes onto his earliest fictions his interest in science and the issue of modernity and his experiments with drama and their inherent philosophical concerns The poetry with which he began his writing career is then viewed as a link between his earlier Western self and his

later Oriental interests suggesting that the latter was always inherent in the former A number of considerations of the Utopian themes in Huxley's middle and later fiction leads the volume to a climax with four articles surveying the foibles and the wisdom of Huxley's encounter with Eastern religious thought and philosophy his misunderstandings as well as ours of what actually he had learned and wished to pass on to the Western world **Religious Book Review**, 1978
