## **The Russians Captive The Captive Series English Edition:**

*Congressional Record* United States. Congress, 1963 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**Narratives of Dependency** Elke Brüggen, Marion Gymnich, 2024-05-20 Given that strong asymmetrical dependencies have shaped human societies throughout history this kind of social relation has also left its traces in many types of texts Using written and oral narratives in attempts to reconstruct the history of asymmetrical dependency comes along with various methodological challenges as the 15 articles in this interdisciplinary volume illustrate They focus on a wide range of different factual and fictional text types including inscriptions from Egyptian tombs biblical stories novels from antiquity the Middle High German Rolandslied Ottoman court records captivity narratives travelogues the American gift book The Liberty Bell and oral narratives by Caribbean Hindu women Most of the texts discussed in this volume have so far received comparatively little attention in slavery and dependency studies The volume thus also seeks to broaden the archive of texts that are deemed relevant in research on the histories of asymmetrical dependencies bringing together perspectives from disciplines such as Egyptology theology literary studies history and anthropology The Caucasian Captive graf Leo Tolstoy, 1892

**The Tlingit Indians in Russian America, 1741-1867** A. V. Grinev, 2005-12-01 The Tlingits the largest Indian group in Alaska have lived in Alaska's coastal southwestern region for centuries and first met non Natives in 1741 during an encounter with the crew of the Russian explorer Alexei Chirikov The volatile and complex connections between the Tlingits and their Russian neighbors as well as British and American voyagers and traders are the subject of this classic work first published in Russian and now revised and updated for this English language edition Andrei Val terovich Grinev bases his account on hundreds of documents from archives in Russia and the United States he also relies on official reports the notes of travelers the investigations of historians and ethnographers museum collections atlases illustrations and photographs

**Northern Irish Poetry and the Russian Turn** S. Schwerter, 2013-02-07 Seamus Heaney Tom Paulin and Medbh McGuckian are the three most influential poets from Northern Ireland who have composed poems with a link to the Tsarist Empire and the Soviet Union Through their references to Russia the three poets achieve a geographical and mental detachment allowing them to turn a fresh eye on the Northern Irish situation **Congressional Record** United States.

Congress, 1978 **The Spectator**, 1858 A weekly review of politics literature theology and art England and Russia in Central Asia Demetrius Charles Boulger, 1879 Demetrius Charles Boulger 1853 1928 was a British orientalist who wrote prolifically on topics mainly related to the British Empire With Sir Lepel Henry Griffin 1838 1908 a British administrator in India he co founded the Asiatic Quarterly Review which he edited for a time Presented here is Boulger's two volume England

and Russia in Central Asia published in 1879 during the Second Anglo Afghan War 1878 80 Boulger was an unapologetic imperialist with strongly anti Russian views In this book he predicts an imminent Anglo Russian war which he argues Great Britain should undertake at a time when it is still strong enough to solve the Central Asian Question wholly in our own favour Volume one is largely dedicated to matters pertaining to Russia Its 11 chapters cover such topics as recent Russian explorations in Central Asia the Amu Darya River Russian government of Turkestan Russia s military strength in Central Asia and Russia s relations with Khiva and Khokand Bukhara and Persia This volume has seven appendices containing official documents including the texts of the treaties concluded by Russia with the khanates of Khiva and Bukhara A latest Russian official map of Central Asia is also included at the end of volume one Volume two covers matters relating primarily to Great Britain and British India It has ten chapters covering such topics as recent British explorations in Central Asia the Anglo Indian army Afghanistan and England and Persia The final chapter The Rivalry of England and Russia summarizes the main arguments and warns of Russian intentions Two appendices contain the texts of the treaties of Gulistan and Turcomanchai imposed by Russia on Qajar Persia in 1813 and 1828 respectively A third appendix entitled A French Opinion upon England and Russia in Central Asia contains an assessment of the strategic situation in the region that was published by the influential French daily *Le Journal des D bats* in the spring of 1878 At the start of volume two there is also a fold out map of Persia and Afghanistan In the end the Anglo Russian war that Boulger predicted never materialized as Russia never seriously threatened India and as subsequent events such as the Russo Japanese War 1904 5 World War I and the Russian Revolution shifted the focus of both powers to other regions *Hansard's Parliamentary Debates* Great Britain. Parliament,1884

*Cobbett's Parliamentary Debates* Great Britain. Parliament,1884 Parliamentary Debates ,1884 **The Captive and the Gift** Bruce Grant,2016-05-15 The Caucasus region of Eurasia wedged in between the Black and Caspian Seas encompasses the modern territories of Armenia Azerbaijan and Georgia as well as the troubled republic of Chechnya in southern Russia A site of invasion conquest and resistance since the onset of historical record it has earned a reputation for fearsome violence and isolated mountain redoubts closed to outsiders Over extended efforts to control the Caucasus area Russians have long mythologized stories of their countrymen taken captive by bands of mountain brigands In *The Captive and the Gift* the anthropologist Bruce Grant explores the long relationship between Russia and the Caucasus and the means by which sovereignty has been exercised in this contested area Taking his lead from Aleksandr Pushkin s 1822 poem *Prisoner of the Caucasus* Grant explores the extraordinary resonances of the themes of violence captivity and empire in the Caucasus through mythology poetry short stories ballet opera and film Grant argues that while the recurring Russian captivity narrative reflected a wide range of political positions it most often and compellingly suggested a vision of Caucasus peoples as thankless lawless subjects of empire who were unwilling to acknowledge and accept the gifts of civilization and protection extended by Russian leaders Drawing on years of field and archival research Grant moves beyond myth and mass culture to

suggest how real life Caucasus practices of exchange by contrast aimed to control and diminish rather than unleash and increase violence The result is a historical anthropology of sovereign forms that underscores how enduring popular narratives and close readings of ritual practices can shed light on the management of pluralism in long fraught world areas

*Free China Review*, 1980     Voices from Captivity Robert C. Doyle, 1994 Doyle shows that though setting and circumstances may change POW stories share a common structure and are driven by similar themes Capture incarceration isolation propaganda torture capitulation or resistance death spiritual quest escape liberation and repatriation are recurrent key motifs in these narratives     The Songs of the Russian People William Ralston Shedden Ralston, 1872     The Songs of the Russian People, as Illustrative of Slavonic Mythology and Russian Social Life W ..... R ..... S ..... Ralston, 1872     **Russia in Asia** Jane F. Hacking, Jeffrey S. Hardy, Matthew P. Romaniello, 2020-07-22 This edited volume presents new research on Russian Asian connections by historians art historians literary scholars and linguists Of particular interest are imagined communities social networks and the legacy of colonialism in this important arena of global exchanges within the imperial Soviet and post Soviet eras Individual chapters investigate how Russians imagined Asia and its inhabitants how these different populations interacted across political and cultural divides and how people in Siberia China and other parts of Asia reacted to Russian imperialism both in its formal and informal manifestations A key strength of this volume is its interdisciplinary approach to the topic challenging readers to synthesize multiple analytical lenses to better understand the multivalent connections binding Russia and Asia together     **Accounts and Papers of the House of Commons** Great Britain. Parliament. House of Commons, 1878     British Captives from the Mediterranean to the Atlantic, 1563-1760 Nabil Matar, 2014-06-26 British Captives from the Mediterranean to the Atlantic 1563 1760 provides the first study of British captives in the North African Atlantic and Mediterranean from the reign of Elizabeth I to George II Based on extensive archival research in the United Kingdom Nabil Matar furnishes the names of all captives while examining the problems that historians face in determining the numbers of early modern Britons in captivity Matar also describes the roles which the monarchy parliament trading companies and churches played or did not play in ransoming captives He questions the emphasis on religious polarization in piracy and shows how much financial constraints royal indifference and corruption delayed the return of captives As rivarly between Britain and France from 1688 on dominated the western Mediterranean and Atlantic Matar concludes by showing how captives became the casus belli that justified European expansion

**Captives** Natalii[a] Perova, Natalii[a] Petrova, Joanne Turnbull, 2005 Now classics in Russian literature these stories focusing on the theme of captivity have again become relevant today given Russia s growing bureaucratic totalitarianism and the unending war in the Caucasus The stories are grouped in two sections The Perestroika Chaos and Remembering the Soviet Past The first section often verging on the absurd conveys the chaos in the lives and minds of ordinary Russians in the face of unfamiliar market conditions These problems caused many of those unable to adapt to them to feel nostalgic for the

seemingly secure Soviet past The second section is a reminder of that Soviet past for those including some left wing intellectuals in the West who tend to forget its inhuman essence Book Jacket

Delve into the emotional tapestry woven by Emotional Journey with in Dive into the Emotion of **The Russians Captive The Captive Series English Edition** .
