A Concise Encyclopedia Of The Civil War:

A Concise Encyclopedia of the Civil War. Compiled by Henry E. Simmons Henry E. SIMMONS,1965 **A Concise Encyclopedia of the Civil War** Henry E. Simmons, Henry Eugene Simmons,1965 The darkest period in our history was that of the midnineteenth century when the United States ceased to be truly united and the Union almost dissolved in turmoil and hatred of tragic civil war Describes some of the reason and event involved in the Civil War **The Civil War** Army Library (U.S.),1965 The Essential Civil War Jayne E. Blair,2014-12-09 From 1861 through 1865 strife tore apart the United States So divided was the country that even today there are practically two versions of Civil War history Confederate and Union Attempting to sort out this record is not made any easier by the fact that there is no official nomenclature The South for example tended to name battles based on the nearest town or region while the North generally referred to the same skirmish by the nearest landmark or geographical feature Therefore finding the facts with a minimum of information can be a daunting task This book brings together in an easy to use format the essential facts of the Civil War The book aims to be quickly and precisely informative rather than comprehensive The first section concentrates on individual topics each of which is organized alphabetically and thoroughly cross referenced These provide details regarding the battles armies and commanders of the Civil War In the second half of the work information is presented chronologically Each year is chronicled with all significant happenings listed by date Appendices provide a glossary of contemporary terms an alphabetical listing of ships from both navies and basic biographical information on all commanders *South Carolina in the Civil War* J. Edward Lee,Ron Chepesiuk,2004-11-25 Although modern authors continually produce important studies of the War Between the States the firsthand accounts of those who were in the conflict remain the most valuable tools for understanding This collection of letters and diaries provides glimpses into the lives of a diverse group of South Carolinians Among the seventeen accounts are the voices of women including a Confederate spy of officers like Captain Obidiah Hardin who left his beloved Palmetto State to fight and die in Virginia before the war was even a year old and of common men like German immigrant Augustus Franks whose love for his adopted state compelled him to staunchly defend the Confederacy Collected from the archives of Winthrop University these remarkable documents give voices and faces to the war as it affected South Carolina and her citizens **Less Is More** Donna J. Baumbach,Linda L. Miller,2006-06-05 Contains practical advice for updating a school library collection describing why it is important and how to use automation tools to make the job easier *The Wounded River* Peter Josyph,2012-01-01 The Wounded River takes the reader back more than 130 years to reveal a marvelous first hand account of nineteenth century warfare In the process the work cuts the legends and mythology that have come to frame and define accounts of America's bloodiest war Of equal significance Peter Josyph's editorial work on this superb collection of letters from the Western Americana Division of Yale University's Beinecke Rare Book and Manuscripts Library enhances and clarifies Lauderdale's experiences as a surgeon aboard the U S Army hospital ship D A

January The reader looks on while Lauderdale a New York civilian contract surgeon operates on hundreds of Confederate and Union wounded The young doctor s clear writing style and his great compassion for these unfortunate men whose bodies were ripped apart by bullets shell fragments and bayonets permits us to catch a disturbing glimpse of what modern warfare does to humanity Finally we learn of Lauderdale s motives for volunteering his impressions of the hospital ship D A January Confederate morale the Abolitionist cause and black slavery The Wounded River is a must read for anyone interested in the real American Civil War **The Civil War in the North** Eugene Converse Murdock,1987 *WW1 and WW2 The nations* George Volkan,2024-02-28 The nations which formed at the beginning and the end of World wars Nothing more and nothing less I want to show everyone the truth about the lies of Ukraine and Japan Wars have affected humanity for merely since its existence Wars of large size and even smaller ones have shaped the world we are currently living in To start off World War 1 were the Napoleonic wars It all started in 1789 when the French revolution sparked This is the truth So are you ready to dive in the deep or not *MALVERN HILL, RUN UP TO GETTYSBURG* Nicholas J. Santoro,2014 This book takes a critical look at the war itself and its leaders for the most part from a tactical perspective or how the battles were fought but also from a strategic perspective that is why the battles were fought Introduction *Glory at a Gallop* William Brooksher,David K. Snider,2002-08-31 With a cast of characters including Jeb Stuart Nathan Bedford Forrest and Robert E Lee this informative and well received volume details the Confederate cavalry s intrepid exploits during the Civil War Among many action packed tales are the stories of Forrest s capture of Murfreesboro Tennessee Stuart s long ride and late arrival at Gettysburg and Wade Hampton s daring raid to steal the Union army s herd of beef William R Brooksher and David K Snider uncover the real stories behind these Confederate legends writing with a flair for the romantic and debonair cavalymen Author John Macdonald calls *Glory at a Gallop* a selection of the Military Book Club a well researched fascinating work

General E.A. Paine in Western Kentucky Dieter C. Ullrich, Berry Craig, 2018-01-25 When General E A Paine assumed command of the U S Army s District of Western Kentucky at Paducah in the summer of 1864 he faced a defiant populace a thriving black market and undisciplined troops plagued by low morale Guerrillas pillaged towns and murdered the vocal few that supported the Union Paine s task was to enforce discipline and mollify the secessionist majority in a 2 300 square mile district In less than two months he succeeded where others had failed For secessionists his tenure was a reign of terror for the Unionist minority a happy and jubilant time An abolitionist Paine encouraged the enlistment of black troops and fair wages for former slaves Yet his principled views led to his downfall Critics and enemies falsified reports leading to his removal from command and a court martial He was exonerated on all but one minor charge yet historians have perpetuated the Paine the monster myth This book tells the complete story
