Contemporary Migration Literature in German and English Sandra Vlasta, 2015-10-14 Up until now migration literature has primarily been defined as texts written by migrant authors a definition that has been discussed criticised and even rejected by critics and authors alike Very rarely has migration literature been understood as literature on the topic of migration which is an approach this book adopts by presenting a comparative analysis of contemporary texts on experiences of migration By focusing on specific themes and motifs in selected texts this study suggests that migration literature is a sub genre that exists in both various bodies of literature as well as various languages This book analyses English and German texts by authors such as Monica Ali Dimitr Dinev Anna Kim Timothy Mo Preethi Nair Caryl Phillips Hamid Sadr and Vladimir Vertlib among others **Women's Writing and Muslim Societies** Sharif Gemie, 2012-11-15 Women s Writing and Muslim Societies looks at the rise in works concerning Muslim societies by both western and Muslim women from pioneering female travellers like Freya Stark and Edith Wharton in the early twentieth century whose accounts of the Orient were usually playful and humorous to the present day and such works as Azar Nafisi s *Reading Lolita in Tehran* and Betty Mahmoody s *Not Without My Daughter* which present a radically different view of Muslim Societies marked by fear hostility and even disgust The author Sharif Gemie also considers a new range of female Muslim writers whose works suggest a variety of other perspectives that speak of difficult journeys the problems of integration identity crises and the changing nature of Muslim cultures in the process this volume examines varied journeys across cultural political and religious borders discussing the problems faced by female travellers the problems of trans cultural romances and the difficulties of constructing dialogue between enemy camps *A Good Night Out for the Girls* E. Aston, G. Harris, 2012-11-29 Moving across the boundaries of mainstream and experimental circuits from the affective pleasures of commercially successful shows such as *Calendar Girls* and *Mamma Mia* to the feminist possibilities of new burlesque and stand up this book offers a lucid and accessible account of popular feminisms in contemporary theatre and performance **Contemporary Middle East** Adel Abdel Ghafar, Brenton Clark, Jessie Moritz, 2014-06-16 This lucid and timely volume sheds a sober and thought provoking light on the immense social and political changes that have taken place in the Middle East and North Africa over recent years A range of emerging scholars and established academics at the cutting edge of their fields provide interpretations challenging conventional assumptions relating to governance social placidity the use of social media state driven reform and the role of traditionally marginalised groups in these strategically vital regions This volume offers a strong response to the often misinformed and

underdeveloped mainstream conceptions of revolutionary change and reform in the Middle East and North Africa Seeking to recast and re evaluate the paradigms used to interpret change in the Arab Persian and Turkish worlds the chapters in this volume will spark debate and provide much needed clarity to the current issues rocking the Middle East and North Africa

Islamic Studies Series Volume 17 Assassins of the Turquoise Palace Roya Hakakian, 2011-09-06 A New York Times Notable Book A rumination on the Islamic Republic's culture of terror A captivating narrative PBS On the evening of September 17 1992 eight leading members of the Iranian and Kurdish opposition had gathered at a little known restaurant in Berlin when two darkly clad men burst through the entrance Within moments the roar of a machine gun filled the air Two rounds of fire and four single shots later four of the men were dead One of the survivors of that shooting along with the widow of one of the victims and a handful of reporters attorneys and fellow exiles began a crusade that would not only pit them against Tehran but against some of the greatest powers in Germany When an undeterred federal prosecutor and an endlessly patient chief judge took over the case a historic verdict followed that shook both Europe and Iran and achieved something few could have predicted justice This is a brilliant riveting book with all the elements of a great thriller a horrific crime sociopathic villains international intrigue personal betrayals a noble prosecutor and an honorable judge And it is all too real with remarkably comprehensive reporting and brisk smart writing Roya Hakakian has told a great story but more important she has made plain the lethal immorality at the heart of Iran's regime
