A Biography of the Holy Trinity and Man Markus E. Adams, 2009 If you are like most people you have questions about God that are difficult to find answers for But there are answers to some of these and other intriguing and sometimes troubling questions about life inside this book in easy to understand language This book is designed to lessen some of the mystery of God God wants us to know more about Him and His plans for us God wants us to know about His Son Christ Jesus and exactly what He did for us then and what He does for us now God wants us to know about His power the Holy Spirit and what He does God wants us to understand how we are viewed by Him and how we fit into His overall plans He wants us to see ourselves the condition that we have and the position that we are in God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him And we must have a solid understanding of how that relationship itself works It is extremely important that we know what sin is and how it affects our relationship with Him He wants and expects us to know all these things God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery Therefore this book explains to the undecided enlightens the newly converted and reinforces for those already born again the necessity of understanding the relationship between God and themselves Also you will come to know that there are choices that must be made that only you can make But they will not be as difficult to make once you have a better understanding of the relationship between God and man Wise Man from the East: Lit-sen Chang

Lightsey, 2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker's language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker's standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God's Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God's Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God's people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine The Grounds and reasons of Christian Regeneration, or, the New Birth. Offer'd to the consideration of Christians and Deists. The third edition William LAW (Author of "A Serious Call, " etc.), 1845 **History of the Origin of the Doctrine of the Trinity in the Christian Church** Hugh Hutton Stannus, 1899 **The Ministry, Vol. 02, No. 03** Various Authors, 1998-03-01 In this issue of The Ministry we continue the series of messages on the present practice in God's economy These messages given at a crucial time in the Lord's recovery unveil the practice of the new way which the Lord gave to the churches through Brother Lee's ministry and practical leading In the message which we include here Brother Lee emphasizes our need to carry out the begetting nourishing and teaching

in the meetings in the believers homes To carry out the new way we must no longer build up the big meetings of the church which have the clergy laity system as their root This truly involves a spiritual warfare so we must struggle every step of the way especially in prayer to participate in the fighting service in God s economy The subsequent six messages are from the second half of the Living Stream Ministry s Summer Training of 1997 entitled The Crucial Contents of God s New Testament Ministry This training which followed immediately after our brother s departure was a thorough review of the contents of the New Testament ministry which he brought to us over many years On the occasion of Brother Lee s departure we can consider all that the Lord has unveiled to us all the truths which were recovered for us through our brother s faithful ministry to bring us into the Lord s recovery and into the experience of Christ and the reality of the Body of Christ for God s eternal economy to consummate the New Jerusalem The local churches raised up under this ministry will speak these things teach these things write these things and live these things until we meet the Lord Last we include an encouraging report on the spread of the ministry through the marketing of our publications in Christian bookstores We also report on the work to produce the Recovery Version of the New Testament in the Russian language which is now in its fifth and final year A letter from the co workers in the former Soviet Union brings us up to date on the Lord s move there in the first training for the responsible brothers and the recent winter training held in Moscow and letters from Berlin Germany report on the progress in publishing and distributing books by Watchman Nee in the German language
