# A Companion To Michael Oakeshott

**Davide Orsi**

## **A Companion To Michael Oakeshott:**

**A Companion to Michael Oakeshott** Paul Franco, Leslie Marsh, 2015-06-26 Michael Oakeshott has long been recognized as one of the most important political philosophers of the twentieth century but until now no single volume has been able to examine all the facets of his wide ranging philosophy with sufficient depth expertise and authority The essays collected here cover all aspects of Oakeshott's thought from his theory of knowledge and philosophies of history religion art and education to his reflections on morality politics and law Aside from the editors the contributors are Corey Abel David Boucher Elizabeth Corey Robert Devigne Timothy Fuller Steven Gerencser Robert Grant Noel Malcolm Kenneth McIntyre Kenneth Minogue Noel O'Sullivan Geoffrey Thomas and Martyn Thompson      **Michael Oakeshott Selected Writings**

**Collection** Michael Oakeshott, 2014-08-26 A collection of 6 volumes of Oakeshott's work Notebooks 1922-86 Early Political Writings 1925-30 The Concept of a Philosophical Jurisprudence Vocabulary of a Modern European State Lectures in the History of Political Thought and What is History      *The Cambridge Companion to Oakeshott* Efraim Podoksik, 2012-06-07 Michael Oakeshott 1901-1990 was one of the leading British philosophers of the twentieth century He has been influential particularly as a political philosopher but his work reflects a range of philosophical interests that have more gradually come to be appreciated In this volume a broad group of scholars offers a comprehensive overview of Oakeshott's philosophy including his moral and political philosophy his philosophy of history science and aesthetics and his views on the role of education They analyse Oakeshott's ideas in different intellectual contexts and assess his overall contribution to twentieth century thought Accessible and rich with new scholarly material this volume will be an excellent guide for students and scholars alike      **The Cambridge Companion to Oakeshott** Efraim Podoksik, 2012-06-07 Michael Oakeshott 1901-1990

was one of the leading British philosophers of the twentieth century He has been influential particularly as a political philosopher but his work reflects a range of philosophical interests that have more gradually come to be appreciated In this volume a broad group of scholars offers a comprehensive overview of Oakeshott's philosophy including his moral and political philosophy his philosophy of history science and aesthetics and his views on the role of education They analyse Oakeshott's ideas in different intellectual contexts and assess his overall contribution to twentieth century thought Accessible and rich with new scholarly material this volume will be an excellent guide for students and scholars alike

Michael Oakeshott on Authority, Governance, and the State Eric S. Kos, 2019-06-13 Michael Oakeshott on Authority Governance and the State presents contributions on one of the most important British philosophers of the 20th century These essays address unique and under analyzed areas in the literature on Oakeshott authority governance and the state They draw on some of the earliest and least explored works of Oakeshott including his lectures at Cambridge and the London School of Economics and difficult to access essays and manuscripts The essays are authored by a diverse set of emerging and established scholars from Europe North America and India This authorial diversity is not only a testimony to the growing

international interest in Oakeshott but also to a plurality of perspectives and important new insights into the thought of Michael Oakeshott *The Place of Michael Oakeshott in Contemporary Western and Non-Western Thought* Noel O'Sullivan, 2017-08-01 The continuing growth of worldwide interest in Michael Oakeshott's philosophy and political theory has recently 2016 been marked by the publication of two Companion to Oakeshott volumes This event provides a welcome opportunity to explore the reasons for his influence both within the West and beyond it Essays by contributors from Britain Canada Hong Kong India and the USA provide a comprehensive critical assessment of the principal aspects of Oakeshott's thought that account for his contemporary relevance The unusually multi national background of the authors aims to give the volume a wide appeal extending not only to those already familiar with Oakeshott's writings but also to those as yet unfamiliar with them regardless of their cultural background All the contributors have attempted to write in a way that makes Oakeshott as accessible as possible **Michael Oakeshott and Leo Strauss** David McIlwain, 2019-03-14 This book compares the thought of Michael Oakeshott and Leo Strauss bringing Oakeshott's desire for a renaissance of poetic individuality into dialogue with Strauss's recovery of the universality of philosophical enlightenment Starting from the conventional understanding of these thinkers as important voices of twentieth century conservatism McIlwain traces their deeper and more radical commitments to the highpoints of human achievement and their shared concerns with the fate of traditional inheritances in modernity the role and meaning of history the intention and meaning of political philosophy and the problem of politics and religion The book culminates in an articulation of the positions of Oakeshott and Strauss as part of the quarrel of poetry and philosophy revealing the ongoing implications of their thinking in terms of the profound spiritual and political questions raised by modern thinkers such as Hobbes Hegel Nietzsche and Heidegger and leading back to foundational figures of Western civilization including St Augustine and Socrates Michael Oakeshott and the Conversation of Modern Political Thought Luke Philip Plotica, 2015-02-23 A fresh reading of Oakeshott's contributions to the ongoing conversation of modern political thought One of the seminal voices of twentieth century political thought Michael Oakeshott's work has often fallen prey to the ideological labels applied to it by his interpreters and commentators In this book Luke Philip Plotica argues that we stand to learn more by embracing Oakeshott's own understanding of his work as contributions to an ever evolving conversation of humanity Building from Oakeshott's concept of conversation as an engagement among a plurality of voices without symposiarch or arbiter to dictate its course Plotica explores several fundamental and recurring themes of Oakeshott's philosophical and political writings individual agency tradition the state and democracy When viewed as interventions into an ongoing conversation of modern political thought Oakeshott's work transcends the limits of familiar ideological labels and his thought opens into deeper engagement with some of the most significant thinkers of the twentieth century including Ludwig Wittgenstein Charles Taylor Michel Foucault and Hannah Arendt Attending to these often unexpected or unrecognized affinities casts fresh light on some of Oakeshott's most familiar ideas and their systematic

relations and facilitates a better understanding of the breadth and depth of his political thought      **Michael Oakeshott's Cold War Liberalism** T. Nardin, 2015-05-06 In this book leading scholars from East Asia and beyond debate Michael Oakeshott's views on liberal democracy and totalitarianism and their implications for East Asia today His ideas on rationality in politics the nature of liberal democracy and how democracy can defeat anti liberal politics are explored in ten penetrating essays      Michael Oakeshott: Notebooks, 1922-86 Michael Oakeshott, Luke O'Sullivan, 2014-01-21 From the 1920s to the 1980s Oakeshott filled dozens of notebooks with his private reflections both personal and intellectual Their contents range from aphorisms to miniature essays forming a unique record of his intellectual trajectory over his entire career This volume makes them accessible in print for the first time drawing together a host of his previously inaccessible observations on politics philosophy art education and much else besides Religion in particular emerges as an ongoing concern for him in a way that is not visible from his published works The notebooks also provide a unique source of insight into Oakeshott's musings on life thanks to the hitherto unsuspected existence of the series of Belle Dame notebooks that were written in the late 1920s and early 1930s but which only came to light two decades after his death At the same period in which he was developing the concepts that would form *Experience* and its *Modes* Oakeshott's personal life led him to reflect extensively on love and death themes that highlight his enduring romantic affinities Accompanied by an original editorial introduction the volume allows readers to see for themselves exactly which works Oakeshott used in compiling each of his notebooks providing a much clearer record of his intellectual influences than has previously been available It will be an essential addition to the library of his works for all those interested in his ideas      **The Intellectual Legacy of Michael Oakeshott** Corey Abel, Timothy Fuller, 2017-02-09 This volume brings together a diverse range of perspectives reflecting the international appeal and multi disciplinary interest that Oakeshott now attracts The essays offer a variety of approaches to Oakeshott's thought testament to the abiding depth originality suggestiveness and complexity of his writings The essays include contributions from well known Oakeshott scholars along with ample representation from a new generation As a collection these essays challenge Oakeshott's reputation as merely a critic of social planning Contributors include Josiah Lee Auspitz Debra Candrea Wendell John Coats Jr Douglas DenUyl George Feaver Paul Franco Richard Friedman Timothy Fuller Robert Grant Eric S Kos Leslie Marsh Kenneth Minogue Terry Nardin Keith Sutherland Martyn Thompson and Gerhard Wolmarans      **Michael Oakeshott** Paul Franco, 2004-01-01 In this book Paul Franco provides an authoritative introduction to the life and thought of Michael Oakeshott one of the most important philosophical voices of the twentieth century After sketching a brief biography of Oakeshott Franco then examines his most distinctive ideas including his early idealist theory of knowledge his influential critique of rationalism and central social planning and his liberal theory of civil association Though best known as a political philosopher Oakeshott also made significant contributions to the philosophy of history aesthetics the philosophy of religion and the philosophy of education Franco highlights Oakeshott's impressive achievements in each of

these areas His book is an essential introduction to the whole range of Oakeshott's thought and it sets the philosopher's work in historical context while also demonstrating its relevance to contemporary debates in political philosophy

**Experts and Epistemic Monopolies** Roger Koppl, Steven Horwitz, Laurent Dobuzinskis, 2012-10-15 Under what conditions of supply and demand are experts likely to give us good advice When is expert failure more likely Do entrepreneurs challenge existing expertise Are they experts themselves This title brings a heterogeneous collection of thinkers some Austrian and to engage the problem of experts

*Michael Oakeshott and the Cambridge School on the History of Political Thought* Martyn P. Thompson, 2019-05-20 This book is a critique of Cambridge School Historical Contextualism as the currently dominant mode of history of political thought drawing upon Michael Oakeshott's analysis of the logic of historical enquiry While acknowledging that the early Cambridge School work represented a considerable advance towards genuinely historical histories of political thought this work identifies two major historiographical problems that have become increasingly acute The first is general an insufficiently rigorous understanding of the key concept of pastness necessarily presupposed in historical enquiry of all kinds The second is specific to histories of political thought a failure to do justice to the varieties of past political thinking especially differences between ideology and philosophy In addressing these problems the author offers a comprehensive account of the history of political thought that establishes the parameters not just of histories of ideological thinking but also of the much disputed character of histories of political philosophy Since rethinking history of political thought in Oakeshottian terms requires resisting current pressures to turn history into the servant of currently felt needs the book offers a sustained defence of the cultural value of modernist historical enquiry against its opponents An important work for political theorists historians of political thought and those researching intellectual history the philosophy of history and proposed new directions in contemporary historical studies

**The Mystery of Rationality** Gérald Bronner, Francesco Di Iorio, 2018-07-12 This book contributes to the developing dialogue between cognitive science and social sciences It focuses on a central issue in both fields i.e. the nature and the limitations of the rationality of beliefs and action The development of cognitive science is one of the most important and fascinating intellectual advances of recent decades and social scientists are paying increasing attention to the findings of this new branch of science that forces us to consider many classical issues related to epistemology and philosophy of action in a new light Analysis of the concept of rationality is a leitmotiv in the history of the social sciences and has involved endless disputes Since it is difficult to give a precise definition of this concept and there is a lack of agreement about its meaning it is possible to say that there is a mystery of rationality What is it to be rational Is rationality merely instrumental or does it also involve the endorsement of values i.e. the choice of goals Should we consider rationality to be a normative principle or a descriptive one Can rationality be only Cartesian or can it also be argumentative Is rationality a conscious skill or a partly tacit one This book which has been written by an outstanding collection of authors including both philosophers and social scientists tries to make a useful contribution to the debates on

these problems and shed some light on the mystery of rationality The target audience primarily comprises researchers and experts in the field

The Politics of Dissensus Anna Björk ,Elena García Guitián ,Taru Haapala ,Pasi Ihalainen ,Hanna-Mari Kivistö ,Anna Kronlund ,Jussi Kurunmäki ,Raija-Leena Loisa ,Rosario López ,Anthoula Malkopoulou ,Kyösti Pekonen ,Onni Pekonen ,Antonio Rivera García ,Suvi Soininen ,Manuel Toscano ,Tuula Vaarakallio,Claudia Wiesner ,2014-07-04 The Politics of Dissensus inverts the traditional perspective on the study of parliamentary politics by focusing on its less obvious and less well known aspects Dissensus instead of consensus becomes the condition for the intelligibility of parliamentary politics Such politics is indebted to the rhetorical culture of addressing issues from opposite perspectives and debating the alternatives pro et contra no motion is approved without a thorough examination of and confrontation among imaginable alternatives Establishing the openness of political debating parliamentarism has become a distinctive historical contribution to the rise of parliamentary democracy Parliament in Debate refers to the paradigmatic institution for political deliberation the debates surrounding its legislative activity as well as the supervision of government and administration Parliament has become a fascinating object of scrutiny as a political institution adopted and developed by different political traditions In a nutshell the book retrieves the study of parliamentary politics to present political theory and action in the parliamentary mode It is a book on the relevance of parliamentarism to the study of politics and a book on the comparative conceptual and institutional history of parliamentary politics The Politics of Dissensus Parliament in Debate is the outcome of an international team of contributors coordinated by two ongoing research projects relying on a long lasting international cooperation namely the Academy of Finland project The Politics of Dissensus and the Spanish National Research Fund projects The Rhetorics of Democracy and The Civic Constellation

**Appropriating Hobbes** David Boucher,2018 This book explores how how Hobbes s political philosophy has occupied a pertinent place in different contexts such as political theory the theory of international relations including international law and philosophical idealism

The Anglo-American Conception of the Rule of Law Nadia E. Nedzel,Nicholas Capaldi,2019-09-03 This book offers a multidisciplinary account of the rule of law as a central pillar of the classical liberal tradition The authors analyze the original meaning of this expression as first introduced by British jurist A V Dicey before examining its subsequent elaboration by Leoni Fuller Hayek and Oakeshott Addressing the main philosophical and legal aspects of the rule of law this volume will appeal to all those engaged in law political theory philosophy economics business ethics and public policy

**Principle and Prudence in Western Political Thought** Christopher Lynch,Jonathan Marks,2016-03-01 Reflections on principle and prudence in the thoughts and actions of great thinkers and statesmen Discussions of the place of moral principle in political practice are haunted by the abstract and misleading distinction between realism and its various principled or idealist alternatives This volume argues that such discussions must be recast in terms of the relationship between principle and prudence as Nathan Tarcov maintains that relationship is not dichotomous but complementary In a substantive introduction the editors investigate Leo Strauss s attack

on contemporary political thought for its failure to account for both principle and prudence in politics Leading commentators then reflect on principle and prudence in the writings of great thinkers such as Homer Machiavelli and Hegel and in the thoughts and actions of great statesmen such as Pericles Jefferson and Lincoln In a concluding section contributors reassess Strauss's own approach to principle and prudence in the history of political philosophy Principle and Prudence in Western Political Thought contains a series of first rate essays on a if not the central problem of political thought how should and can abstract and general principles inform contingent particularistic political life Catherine H Zuckert coauthor of Leo Strauss and the Problem of Political Philosophy      **Michael Oakeshott's Political Philosophy of International Relations** Davide Orsi, 2016-10-04 This book argues that Michael Oakeshott's political philosophy contributes to current debates in normative international theory and international political theory on the historical social and moral dimension of international society Davide Orsi contends that the theory of civil association may be the ground for an understanding of international society as a rule based form of moral association constituted by customary international law The book also considers the role of evolving practices of morality in debates on international justice Orsi grounds this work on a study of Oakeshott's philosophical arguments and compares the Oakeshottian perspective to recent constructivist literature in International Relations

## **A Companion To Michael Oakeshott Introduction**

In the digital age, access to information has become easier than ever before. The ability to download A Companion To Michael Oakeshott has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Companion To Michael Oakeshott has opened up a world of possibilities. Downloading A Companion To Michael Oakeshott provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Companion To Michael Oakeshott has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Companion To Michael Oakeshott. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Companion To Michael Oakeshott. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Companion To Michael Oakeshott, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Companion To Michael Oakeshott has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

## **FAQs About A Companion To Michael Oakeshott Books**

1. Where can I buy A Companion To Michael Oakeshott books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
