A Mysterious Something In The Light The Life Of Raymond Chandler:

Raymond Chandler Tom Williams, 2012 *A Mysterious Something in the Light* Tom Williams, 2012-07-17 A remarkably detailed portrait of the famously hard boiled writer and creator of the popular gumshoe Philip Marlowe Publishers Weekly What we know of Raymond Chandler is shrouded in secrets and half truths as deceptive as anything in his magisterial novel *The Long Goodbye* Now drawing on new interviews previously unpublished letters and archives on both sides of the Atlantic literary gumshoe Tom Williams casts light on this most mysterious of writers The Chandler revealed is a man troubled by loneliness and desertion from an early age experiences that fueled his writing as much as they scarred his life Born in Chicago in 1888 his childhood was overshadowed by the cruel collapse of his parents marriage and his father s alcohol fueled violence After his mother fled America Chandler was schooled in London but felt constrained by the stuffy English class system eventually returning to the land of his birth where in corruption ridden Los Angeles he met his one great love Cissy Pascal a married woman eighteen years his senior It was only during middle age after his own alcoholism wrecked a lucrative career as an oilman that Chandler seriously turned to crime fiction although his success was to prove bittersweet An obsessive attitude towards his craft unrealized literary ambitions and a suicidal turn after Cissy s death combined to prevent him from recapturing the verve of his earlier writing But his legacy the lonely ambiguous world of Philip Marlowe endures compelling generation after generation of crime writers to go down mean streets In this long awaited new biography the most thorough and comprehensive yet written Tom Williams shadows one of the twentieth century s true literary giants and considers how crime was raised to the level of art Praise for *A Beautiful Something in the Light* Williams dutifully records these facts but deftly keeps the reader interested *A Beautiful Something in the Light* is well researched but because it is so well written it should be of interest to scholars and mystery fans alike Washington Independent Review of Books Outstanding Williams writes sensitively about the Cissy relationship and delves illuminatingly into the composition of Chandler s masterpieces Thanks to his biography Chandler himself is a less mysterious something than he was Sunday Times UK Precise kindly and necessary Scotland on Sunday UK A clear eyed compassionate biography Kirkus Reviews **Antipodean America** Paul Giles, 2013 A sweeping study that spans two continents and over three hundred years of literary history Antipodean America identifies the surprising affinities between Australian and American literature *When Britain Saved the West* Robin Prior, 2015-05-26 From the comfortable distance of seven decades it is quite easy to view the victory of the Allies over Hitler s Germany as inevitable But in 1940 Great Britain s defeat loomed perilously close and no other nation stepped up to confront the Nazi threat In this cogently argued book Robin Prior delves into the documents of the time war diaries combat reports Home Security s daily files and much more to uncover how Britain endured a year of menacing crises The book reassesses key events of 1940 crises that were recognized as such at the time and others not fully appreciated Prior examines Neville Chamberlain s government Churchill s opponents the collapse of France the Battle of Britain and the Blitz

He looks critically at the position of the United States before Pearl Harbor and at Roosevelt's response to the crisis. Prior concludes that the nation was saved through a combination of political leadership, British Expeditionary Force determination and skill, Royal Air Force and Navy efforts to return soldiers to the homeland, and the determination of the people to fight on in spite of all terror. As eloquent as it is controversial, this book exposes the full import of events in 1940 when Britain fought alone and Western civilization hung in the balance.

Raymond Chandler, Romantic Ideology, and the Cultural Politics of Chivalry Anthony Dean Rizzuto, 2021-12-03

Raymond Chandler's *Romantic Ideology, and the Cultural Politics of Chivalry* responds to the general consensus that Philip Marlowe represents a chivalric knight out of romance. The book argues that this commonplace reading requires a stunningly rosy rewriting of Marlowe's knighthood, chivalry, and romance. The book offers a history of the cultural politics of chivalry from the Middle Ages through British Romanticism to the modern United States, exposing the elitism, violent masculinism, racism, and ethno-national othering harbored within. Rizzuto also considers the survival of the chivalric ideology after World War I and argues that the narrative of the Great War destroying chivalry rewrites the ghastly history of warfare. Touching on Chandler throughout these cultural histories, the book then directly confronts the question of knighthood and romance in the Marlowe novels. Rizzuto identifies an explicit rejection of romance in the service of hardboiled gender, class, and genre norms, including a seldom-remarked pattern of violence against women and sexual assault. The volume concludes by offering some ideas about Chandler's motivations and the reception of the Marlowe novels.

Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04

This four-volume reference work surveys American literature from the early 20th century to the present day, featuring a diverse range of American works and authors and an expansive selection of primary source materials. Bringing useful and engaging material into the classroom, this four-volume set covers more than a century of American literary history from 1900 to the present. *Twentieth Century and Contemporary American Literature in Context* profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical, cultural, and political contexts that have shaped American writing. *Twentieth Century and Contemporary American Literature in Context* provides wide coverage of authors, works, genres, and movements that are emblematic of the diversity of modern America. Not only are major literary movements represented, such as the Beats, but this work also highlights the emergence and development of modern Native American literature, African American literature, and other representative groups that showcase the diversity of American letters. A rich selection of primary documents and background material provides indispensable information for student research.

Made to Kill Adam Christopher, 2025-09-23

It was just another Tuesday morning when she walked into the office, young as I suspected they all might be, another dark brunette with some assistance and enough eye black to match up to Cleopatra. And who am I? I'm Ray, the world's last robot, famed and feared in equal measure, which suits me just fine. After all, the last place you'd expect to find Hollywood's best hit man is in the plain light of day. Raymond Electromatic is good at his

job the lone employee of the Electromatic Detective Agency except for Ada office gal and super computer the constant voice in Ray's inner ear Ray might have taken up a new line of work but money is money after all and he was programmed to make a profit Besides with his twenty four hour memory tape limits he sure can keep a secret When a familiar looking woman arrives at the agency wanting to hire Ray to find a missing movie star he's inclined to tell her to take a hike But she had the cold hard cash a demand for total anonymity and tendency to vanish on her own Plunged into a glittering world of fame fortune and secrecy Ray uncovers a sinister plot that goes much deeper than the silver screen and this robot is at the wrong place at the wrong time Made to Kill is the thrilling new speculative noir from novelist and comic writer Adam Christopher Ray Electromatic Mysteries Brisk Money Made to Kill Standard Hollywood Depravity Killing is My Business At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **The Alfred Hitchcock**

Raymond Chandler writes detective stories for pulp magazines and drinks more than he should Boris Karloff plays monsters in the movies and is a genial cricket playing member of the British film colony on the shores of the Pacific Both understand that these streets are dark with something more than night Together these English public school men in exile investigate mysterious matters in a town run by human and inhuman monsters Under Home House the mock gothic mock mansion of a film mogul is a mad science dungeon just like in the movies where an experiment has gone dangerously wrong or even more dangerously right Fiery death spills onto Sunset Boulevard Joh Devlin an investigator for the District Attorney's office who scores high on insubordination and Laurel Ives a woman with as many lives as a cat and names to match barely escape Home House Fired by the DA Devlin enlists Ray and Billy Raymond Chandler and William Pratt Boris Karloff to work the case which threatens to expose Hollywood's most horrific secrets These people will find out more than they should about the way this town works And about each other And oh yes monsters aren't just for the movies

The Darkest Year William K. Klingaman, 2019-02-19 The acclaimed narrative history of the American home front during WWII from the attack on Pearl Harbor through 1942 For Americans on the home front the twelve months following the Japanese attack on Pearl Harbor comprised the darkest year of World War Two Despite government attempts to disguise the magnitude of American losses it was clear that the nation had suffered a nearly unbroken string of military setbacks in the Pacific by the autumn of 1942 government officials were openly acknowledging the possibility that the United States might lose the war Appeals for unity and declarations of support for the war effort made it appear as though the class hostilities and partisan animosities that had beset the United States for decades had suddenly disappeared Yet a deeply divided American society was splintering even further as conflicting interest groups sought to turn the wartime emergency to their own advantage Meanwhile blunders and repeated displays of incompetence by the Roosevelt administration added to the sense of anxiety and uncertainty that hung over the nation The Darkest Year focuses on Americans state of mind not only through what they said but in the day to day details of their behavior William K Klingaman delves into the social and cultural changes wrought by war including shifts in family roles race relations economic pursuits popular entertainment education and the arts
