A Primer On Ugaritic Language Culture And Literature:

A Primer on Ugaritic William M. Schniedewind, Joel H. Hunt, 2007-07-02 A Primer on Ugaritic is an introduction to the language of the ancient city of Ugarit a city that flourished in the second millennium BCE on the Lebanese coast placed in the context of the culture literature and religion of this ancient Semitic culture The Ugaritic language and literature was a precursor to Canaanite and serves as one of our most important resources for understanding the Old Testament and the Hebrew language Special emphasis is placed on contextualization of the Ugaritic language and comparison to ancient Hebrew as well as Akkadian The book begins with a general introduction to ancient Ugarit and the introduction to the various genres of Ugaritic literature is placed in the context of this introduction The language is introduced by genre beginning with prose and letters proceeding to administrative and finally introducing the classic examples of Ugaritic epic A summary of the grammar a glossary and a bibliography round out the volume **Primer on Ugaritic, A: Language, Culture, and Literature** Assistant Professor of Biblical Studies and Northwest Semitic Languages William M Schniedewind, Joel H. Hunt, 2014-05-14 An introduction to the language of the ancient city of Ugarit *An Introduction to Ugaritic* John Huehnergard, 2012 Respected linguist John Huehnergard brings his vast knowledge in comparative Semitic linguistics to this introductory Ugaritic grammar Ugaritic represents better than any other the antecedents of the language and literature of ancient Israel The Ugaritic letters and texts present a vivid picture of life in a large Levantine city in the period just before the beginning of the kingdom of Israel *Creation Rediscovered* Jeffery M. Leonard, 2021-10-05 Creation Rediscovered by Jeffery M Leonard guides readers through a contextual reading of the Bible s creation stories Over the last two centuries few subjects have generated as much controversy for Christians as has creation The whethers whens and hows of creation have often become a battlefield in which the pitched forces of competing sides Darwinists and creationists young earthers and old figurativists and literalists have struggled for the upper hand Like most battles this fight has tended to inflict a fair amount of collateral damage along the way This is especially true for those put in the terrible position of feeling they have had to choose between the Bible they have fallen in love with and the science they have studied In this book Jeffery Leonard writes to fellow travelers in the faith who want to take the biblical text seriously while at the same time appreciate science s exploration of what we consider to be God s creation It is his contention that setting the Bible s creation texts back within their ancient context allows us to do both of these things Indeed Leonard believes that when we reread what the Bible has to say about creation in its original setting we find meaning in the text far more profound than what we have previously imagined Key points and features Written by a Bible scholar Unique timely and fresh interpretation Helps readers see the Bible s creation stories as vessels of healing and hope in God s larger plan for humanity Attempts to redirect Christians to read the ancient creation stories within the context in which they were written [Ugarit-Forschungen 48 \(2017\)](#) Manfred Dietrich, Wilfried Watson, Nicolas Wyatt, 2019-04-01 **Languages from the World of the Bible** Holger Gzella, 2011-12-23
