The background is a dramatic sky with purple, pink, and orange hues, suggesting a sunset or sunrise. There are some dark, rocky structures in the distance.

The Fire That Consumes Edward William Fudge,2011-06-01 Evangelical Christians affirm together that a dreadful destiny awaits those who reject God s grace throughout life According to the traditional view that destiny will involve unending conscious torment in hell However believers are increasingly questioning that understanding as both unbiblical and inconsistent with the

character of God revealed in the Scriptures and in the man Jesus Christ This internationally acclaimed book now fully updated revised and expanded carefully examines the complete teaching of Scripture on the subject of final punishment It concludes that hell is a place of total annihilation everlasting destruction although the destructive process encompasses conscious torment of whatever sort intensity and duration God might require in each individual case
