

A WOMAN SCORNED

acquaintance rape on trial

"The novel allows us to look at that thin fiction of looking to one's partner about one's worth and belonging, about values as many as prejudgments. But Sandra on Sunday's theme is better understanding of the social and historical forces that lie behind that theme. . . . It's because feminism is what guides that discussion both now for the rape case discussed in this book and now for a rape already over."
