Affable Window Of Eternity:

Driven By Eternity John Bevere, 2016-10-18 One day you will stand before God and give an account of your life The most important question you can ask yourself now is will you be ready Most Christians know their response to the cross determines where they will spend eternity But did you know that how you will spend eternity is determined by what you do in this life God wants you to discover your calling He is not trying to keep you in the dark In fact He longs for you to find the meaning and purpose that comes with knowing why you've been placed on this earth In *Driven by Eternity* best selling author John Bevere uses an eye opening allegory and extensive Scripture to unveil how our daily choices shape our eternal existence Life beyond the final breath is much more than a destination Don't wait until it's too late Discover your God given destiny and make your life count both today and forever

The Fear of the Lord John Bevere, 2006 Author Bevere exposes Christians need to fear God He challenges readers to reverence God anew in worship and daily life He shows how the fear of the Lord is the key to knowing God as He yearns to be known

Enemy Access Denied John Bevere, 2006 In this revised and retitled bestselling book Bevere reveals how the greatest form of spiritual warfare for any Christian is the powerful force of an obedient life

Rescued John Bevere, Mark Andrew Olsen, 2007-09 A parable of the judgment from best selling author John Bevere in the ultimate rescue life or death is just the beginning

Dropping Our Nets: Walking in His Footsteps Mark Whitehead, 2017-02 In *Dropping Our Nets Walking in His Footsteps* we will walk through nine footsteps of what it looks like to follow Jesus In order to follow Him we must drop our old lives This student guide allows you to walk a new believer or a disciple through the basics of following Christ

Extraordinary John Bevere, 2009-10-06 Satisfy your intrinsic desire to rise above the norm Isn't it true that we long to see the extraordinary experience the extraordinary do the extraordinary Yet so often we settle for mediocrity when greatness is within our grasp Why are we drawn to stories of heroic triumph over seemingly impossible circumstances In our fascination with adventure movies superheroes and tales of incredible human feats do we reveal an inherent desire for something larger and greater in life Maybe what we think is a need to escape or be entertained is actually a God inspired longing for the extraordinary Best selling author John Bevere reveals how all of us were meant for more extraordinarily created and intended for a life that is anything but ordinary Here is the roadmap for your journey of transformation You are marked for a life that far surpasses the usual definitions of success or fulfillment Isn't it time to pursue your extraordinary life

Biamonte,2012-05-01 Window to Eternity theorizes that the material world is our learning plane that is a stage as Shakespeare maintains Nor is physical life meaningless as agnostics atheists and many sufferers oft en contend Were it so our Creator would be stupid for having created us which contradicts the incredible clock running universe the spiritual world heaven and life that It created Religions odd philosophies superstitions fearful notions and so on have clouded man s understanding about our purpose here not our Creator Simply put God gives us the opportunity to utilize objects things so we can learn how to be generous and loving not greedy revengeful and cruel which we cannot learn or reject in a spiritual domain lacking anything tangible Although many believe or have faith that God answers prayers and interferes in our lives were this true It would have long since stopped wars famines and disasters et cetera most of which we have caused Nor does this mean that we cannot receive help from great souls like Jesus as this author discusses Though God has given us free choice It created us fallible Therefore judging punishing and sending some of us to hell a concept which we concocted not God for so called sins while saving favorites during Armageddon would be injustice sublime Besides whisking favorites away while leaving most of us behind to suffer catastrophic pain and anguish would be the epitome of immorality worse than what civilization s worst dictators wreaked upon us The Supreme Intelligence is obviously loving or nothing would exist Beliefs that suggest otherwise are irreverent Window to Eternity evaluates that we are mostly in tune with the physical part of ourselves not the spiritual namely the soul though it lives forever aft er entering the next world Furthermore although we depend on parents to raise us employers to provide jobs so we can eat and so on there our souls are free to group with morally and spiritually compatible others Despite the glitter gadgets and toys for young and old our challenge in a mostly capitalistic world is to strive to be much more loving than we are which is a positive energy force we must take to the next dimension in order to prevent negative souls from overruling it which would cause its collapse including the Creator our world and us Bay Windows Into Eternity Alice Graham Ikin,1961
