Portraits of Promise Michael Sadowski,2013-02-01 By 2040 more than 30 percent of students in the United States will be immigrants or the children of immigrants What factors can help these young people thrive in school despite the many obstacles they face And how can school staff best support immigrant students academic and personal success In Portraits of Promise educators hear from the ultimate experts successful newcomer students Drawing on the students own stories the book highlights the kinds of support and resources that help students engage positively with school culture establish supportive peer networks form strong bonds with teachers manage competing expectations from home and school and navigate the challenges of high stakes testing and the college application process **Intersections of Diversity, Literacy, and Learner Difficulties** Theresa Abodeeb-Gentile,Dennis A. Conrad,2022-08-22 This book invites readers to challenge corroborate and add to the discourse on more inclusive pedagogical practice Presenting theoretically and empirically informed research it highlights potential considerations regarding the intersections of diversity literacy and learner difficulties These three areas provide a stage where opposing paradigms often pose challenges for educators and create unnecessary barriers to providing the best education for all learners These barriers might reveal how students are positioned through a deficit lens rather than one that recognizes individual differences and how these learner differences sometimes result in labels or put students at increased risk of encountering difficulties The contributing authors goals are to start and

sustain a conversation that examines these perspectives and to offer counter narratives to the deficit lens by recognizing that individual difference does not need to be a barrier to educational access By examining opportunities for more inclusive educational success this book encourages discourse among key stakeholders further it goes beyond problematizing to offer new avenues for optimal learning and inclusive pedagogy across multiple contexts

Evolving Multicultural Education for Global Classrooms Gordon, Richard Keith,Ahmed, Kawser,Hosoda, Miwako,2021-06-18 Multicultural education is a construct that has been very useful for many years in harboring sensitivities teachers need in addressing diverse students Now the discipline needs refreshing In the global society the idea of multicultural education a decidedly Western formation needs to expand its conceptual boundaries Salient issues in multicultural education such as individual identities social justice and equity are bedrock concerns of multicultural educators These concepts are considered necessary but not sufficient in shaping an evolving model of multicultural education The complexity of humans and modern and emerging societies requires a broadened scope of the understanding of contemporary multicultural theory and practice Evolving Multicultural Education for Global Classrooms addresses multicultural education from a comprehensive viewpoint that acknowledges the historical benefit of multicultural education and recognizes a need to inform the discipline with a broader viewpoint As most knowledge on multicultural education comes from a Western perspective and the scholarship on the topic is weakening the chapters in this book present new practices and classroom applications that are internationally transferable Topics covered include teacher education social justice educational equity and inclusion online education and cultural sensitivities This book is ideally intended for teachers educational theorists sociologists of education inservice and preservice teachers administrators teacher educators practitioners researchers academicians and students interested in a fresh global perspective on multicultural education
