Argentine Tango Ambitions L Me Peoples Ebook:

Argentine Tango Philip Guedalla, 1933 Tango And The Political Economy Of Passion Marta Savigliano, 2018-02-06

What is tango Dance music and lyrics of course but also a philosophy a strategy a commodity even a disease This book explores the politics of tango tracing tango s travels from the brothels of Buenos Aires to the cabarets of Paris and the shako dansu clubs of Tokyo The author is an Argentinean political theorist and a dance professor at the University of California at Riverside She uses her tango tongue to tell interwoven tales of sexuality gender race class and national identity Along the way she unravels relations between machismo and colonialism postmodernism and patriarchy exoticism and commodification In the end she arrives at a discourse on decolonization as intellectual unlearning Marta Savigliano s voice is highly personal and political Her account is at once about the exoticization of tango and about her own fate as a Third World woman intellectual A few sentences from the preface are indicative Tango is my womb and my tongue a trench where I can shelter and resist the colonial invitations to universalism a stubborn fatalist mood when technocrats and theorists offer optimistic and seriously revised versions of alternatives for the Third World an opportunistic metaphor to talk about myself and my stories as a success of the civilization development colonization of Am ca Latina and a strategy to figure out through the history of the tango a hooked up story of people like myself Tango is my changing resourceful source of identity And because I am where I am outside tango hurts and comforts me Tango is a sad thought that can be danced Savigliano employs the tools of ethnography history body movement analysis and political economy Well illustrated with drawings and photos dating back to the 1880s this book is highly readable entertaining and provocative It is sure to be recognized as an important contribution in the fields of cultural studies performance studies decolonization and women of color feminism *Hold Me Tight and Tango Me Home* Maria Finn, 2010-02-09 Beautifully told Maria Finn relays her adventures in the world of tango with excitement wit and insight Robert Farris Thompson author of *Tango The Art History of Love* Maria Finn s husband was cheating First she threw him out Then she cried Then she signed up for tango lessons It turns out that tango has a lot to teach about understanding love and loss about learning how to follow and how to lead how to live with style and flair take risks and sort out what it is you really want As Maria s world begins to revolve around the friendships she makes in dance class and the milongas social dances she attends regularly in New York City we discover with her the fascinating culture history music moves and beauty of the Argentine tango With each new dance step she learns the embrace the walk the sweep the exit she is one step closer to returning to the world of the living Eventually Maria travels to Buenos Aires the birthplace of tango and finds the confidence to try romance again As exhilarating as the dance itself the story whirls us into the center of the ballroom dancing craze And buoyed by the author s humor and passion it imparts surprising insights about how to get on with life after you ve lost in love The Argentine Tango as Social History 1880-1955 Donald S. Castro, 1991 **The Argentine Tango as Social History, 1880-1955** Donald S. Castro, 1991 **The Guide to the Tango** Philip John Sampey

Richardson,1914 **FIND THE MUSIC YOU LOVE** OLIVER. KENT,2020 **Argentine Tango - Class Companion: the Guide for Students of Argentine Tango** Thomas Rasche,2007-07-01 The dance of Argentine Tango it s more than just a dance it is also a culture This book is a valuable companion for all students of Argentine Tango It introduces the reader to the history and cultural context of the dance together with key insights Written in a clear and accessible style this makes an excellent and enjoyable compliment to dance classes at every level of ability Prologue by Damian Esell **OUR TANGO WORLD** IONA. ITALIA,2018 *Tourism and the Globalization of Emotions* Maria Törnqvist,2013-09-02 Today an increasing number of people from all over the world travel to Buenos Aires to dance tango To accommodate these intimate voyagers tourist agencies offer travel packages including classes in tango instruction dance shoe shopping and special city maps pointing out the tango clubs in town Some of these agencies even provide taxi dancers mainly Argentine men who make a living by selling themselves as dance escorts to foreign women on a short term stay Based on a cheek to cheek ethnography of intimate life in the tango clubs of Buenos Aires this book provides a passionate exploration of tango its sentiments and symbolic orders as well as a critical investigation of the effects of globalization on intimate economies Throughout the chapters the author assesses how in an explosive economic and political context people s emotional lives intermingle with a tourism industry that has formed at the intersection of close embrace dances and dollars Bringing economies of intimacy centre stage the book describes how a global condition is lived bodily emotionally and politically and offers a rich provocative contribution to theorizing today s global flows of people money and fragile dreams As the narrative charts a course across a sea of intense immediate emotional sensations taken for granted ideas about sex romance and power twist and turn like the steps of the tango **My Life in the Milonga** Susan Ring,2019-07-08 My Life in the Milonga is a true story of passion self discovery and human connection What awaits you in the next chapter of your life Is there a sense something is missing Passion Adventure A sense of direction I spent the first twenty of years of my life with a narcissistic mother and the next twenty with a narcissistic husband Life in the Milonga is how I discovered a part of myself and a sense of self esteem that had been missing for a long time Something I think many of us have missed or even forgotten about in this age of technology the ability to connect on a conscious human level I was unaware these things were missing or that they were of any particular importance to me Until I discovered the world of Argentine tango This is my story into the subculture of Argentine Tango It was a journey of self discovery that brought joy and passion back into my life My nights in the milongas of Buenos Aires were filled with passion humor and playful flirting Honest tango is danced with an open heart Learning to trust and share of piece of myself with the men I dance with is an ongoing journey Technically tango is a difficult dance to learn and it is even harder to learn if you want to dance it well I have enjoyed that challenge I know that my dancing will improve with time and practice But it s this road of self discovery that tango requires that I look forward to the most I hope it will never end The world of tango is so different from anything I have experienced in my past It has allowed me to live my childhood dream of traveling

and becoming more involved with other cultures around the world It has allowed me to become me I feel at home with the people in the tango world There has not been a night since I started dancing tango when tango has not reminded me of the importance of living life in the present and of the desire for human connection in all of us Human connection is the essence of tango

Milongas Dimitris Bronowski,2023-09-22 With the input of thousands of tango followers and leaders this book sheds light on how leaders choose their dance partners at milongas and how followers dance more when they want to helping you make the most of every night A couple of years ago a woman approached me She d been into tango for quite some time invested a lot in classes events and tango travel She frequented milongas and her experiences were a mixed bag sometimes great other times downright frustrating I can t figure out why nobody asks me to dance Do you have any insights Don t worry you can be straight with me I m just tired of this she confided I responded to her question but honestly it was more of an educated guess Over the next few years I mulled over that answer and it left me with a lingering feeling that something crucial was missing The same issue cropped up repeatedly in my conversations with others It wasn t long before I realized that like me most people were operating on assumptions assumptions that seemed entirely logical and self evident Men just want to dance with the young and beautiful He s not dancing with me because I m a beginner Those folks over there They think they re the tango superstars they re just here to show off However my mind tends to work a little differently I have a penchant for challenging my own assumptions for putting them to the test to see if they hold water So I made a decision to approach this topic with fresh eyes like a beginner I embarked on a mission to ask over 16 000 social tango dancers why they choose to dance with some people why they avoid dancing with others and what steps they take to dance more The results surprised me challenging my assumptions About me My goal is to remove as many obstacles as possible that hinder the enjoyment and development of social tango dancers However I don t do it alone I collaborate with thousands of subscribers of TheCuriousTanguero com newsletter Together we identify the challenges faced by tango communities and work on finding solutions to make our tango lives a little better I am the author of the book Tangofulness Exploring Connection Awareness and Meaning in Tango and the editor of Tango Tips by the Maestros **Passion for Tango 2nd Ed** David
