

The background is a dramatic, apocalyptic painting. It depicts a city, possibly Jerusalem, being consumed by fire and lava. In the foreground, a river of molten lava flows from the right side, with dark, jagged rocks in the immediate foreground. The city in the background is partially obscured by thick smoke and fire, with a large, domed building visible. The sky is dark and stormy, with a bright light source on the right. The overall color palette is dominated by dark browns, blacks, and bright oranges and yellows from the fire.

Armageddon Earths Last Days:

Armageddon Grant R. Jeffrey,1998-06 Armageddon will answer questions the average person asks about what the Bible says about the battle to end all battles Unlike the pundits of doom Armageddon like the Bible has a surprisingly positive and hopeful end *Armageddon's Glorious End* David R. Manzano,2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve *Existential Threats* Lisa Vox,2017-07-03 In Existential Threats Lisa Vox explores the growth of dispensationalist premillennialism alongside scientific understandings of the end of the world and contends that these two allegedly competing visions have converged to create an American apocalyptic imagination **The Good Friday Myth** Cecil W. Davies,2005-06-23 This is one Bible study you wont want to miss It shows when the Crucifixion really occurred and how to confirm that from the Old Testament alone Fresh insights reveal previously unrecognized parallels between the Crucifixion and modern history that illustrate how the Crucifixion timeline is a key to understanding end times prophecy Recognizing our place in the procession of last day events will enable those who already know the Lord as their savior to become more efficient in their Christian service Twelve previously unrecognized patterns illustrate where we are in that schedule of last day events Even if you disagree with the positions presented these are issues you need to have answers for *Revelation* Ronald M. Barker,2014-01-16 In the commentary of Revelation we will explore The rapture Can one calculate when the rapture will occur Many have tried and failed What does the Bible say John wrote epistles to seven churches How significant are they to our time The four horsemen of the Apocalypse When will they appear The identity of the rider on the white horse The Tribulation of seven years What events will bring it about Discuss the 7 seals 7 trumpets and the 7 bowls vials The appearance of the two beasts Who are they The sealing of the 144 000 Jews The identity of the two witnesses Angels taking on a new role The Battle of Armageddon and its significance The identity of the rider on the white horse I n Chapter 19 A final warning to all **Cracking the Twin Global Reset Code** Philip R. Herron,2024-08-30 CRACKING THE TWIN GLOBAL RESET CODE This book reveals how the

process of Cracking the Twin Global Reset Code Led to discovering several other SECRET CODES Those codes reveal Hidden aspects of The end times These codes were THE PANDEMIC CODE THE ANGEL OF DEATH CODE THE GREAT FAMILY REUNION CODE WILL THESE CODES TIE COMING END TIMES TO OUR GENERATION **Earth's Final Hour** Ed Hindson,1999-08-15 Some people say that the last days are upon us right now Others say the end times are in the distant future Who is right Is it possible to know If you re wondering what you can know for certain about the timetable of last days events you ll find answers in this book Can I still believe in the soon return of Christ Why have so many people miscalculated the second coming How can Christ s return be imminent if there are still unfulfilled prophecies This balanced look at the unfolding of Bible prophecy in a wildly chaotic world will help you sort fact from fiction Learn how to avoid excessive speculation and receive hope inspiration and a very clear picture of what God has revealed for about the last days The Paranoid Apocalypse Richard Landes,Steven T. Katz,2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational **The Rise of Nuclear Fear** Spencer R. Weart,2012-03-19 After the Fukushima Nuclear Power Plant had a meltdown protesters around the world challenged nuclear power Climate change has never aroused this visceral dread Weart dissects this paradox showing that powerful images surrounding nuclear energy hold us captive allowing fear rather than facts to drive our thinking and public policy The Left Behind Fantasy William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense **Earth's Eventide and the Bright Dawn of the Eternal Day** John George Gregory,1863 *Evangelicals and Israel* Stephen Spector,2008-12-09 This is a study of Christian Zionism and the ways that religion and politics converge in American evangelicals love and support for Israel and the Jewish people Because of evangelicals influence on the Middle East policies of George W Bush this is a topic of immense current importance It bears on some of the most difficult and dangerous global issues not only the Israeli Palestinian conflict but also the relationship between the West and the Islamic world **Light for the last days, by mr. and mrs. H.G. Guinness** Henry Grattan Guinness,1886 **Sin, Sex, and Democracy** Cynthia Burack,2008-04-17 Explores the Christian Right s use of tailored rhetorics to advance multiple and varied antigay political

projects **Tennyson's Rapture** Cornelia D. J. Pearsall, 2008-01-29 In the wake of the death of his friend Arthur Henry Hallam the subject of In Memoriam Alfred Tennyson wrote a range of intricately connected poems many of which feature pivotal scenes of rapture or being carried away This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics The poet's fascination with transformation is figured formally in the genre he is credited with inventing the dramatic monologue Tennyson's Rapture investigates the poet's previously unrecognized intimacy with the theological movements in early Victorian Britain that are the acknowledged roots of contemporary Pentecostalism with its belief in the oncoming Rapture and its formative relation to his poetic innovation Tennyson's work recurs persistently as well to classical instances of rapture of mortals being borne away by immortals Pearsall develops original readings of Tennyson's major classical poems through concentrated attention to his profound intellectual investments in advances in philological scholarship and archeological exploration including pressing Victorian debates over whether Homer's raptured Troy was a verifiable site or the province of the poet's imagination Tennyson's attraction to processes of personal and social change is bound to his significant but generally overlooked Whig ideological commitments which are illuminated by Hallam's political and philosophical writings and a half century of interaction with William Gladstone Pearsall shows the comprehensive engagement of seemingly apolitical monologues with the rise of democracy over the course of Tennyson's long career Offering a new approach to reading all Victorian dramatic monologues this book argues against a critical tradition that sees speakers as unintentionally self-revealing and ignorant of the implications of their speech Tennyson's Rapture probes the complex aims of these discursive performances and shows how the ambitions of speakers for vital transformations in themselves and their circumstances are not only articulated in but attained through the medium of their monologues

Justice Pending Robert F. Richardson, 2010-10-18 The Revelation is a uniquely relevant book It was written from a pastor's heart for a pastoral purpose John wrote to prepare the saints for the gathering storm as they await the inevitable coming of the Lord The Revelation is the story of His Day when the Son of Man will appear in heaven like a flash of lightning for all to see It is the day that God spoke to His prophets about from the foundation of the world The Revelation is a book filled with allusions and symbols God did not leave their meaning to guess work This commentary will challenge the reader to compare his assumptions about the coming of that day with the prophets who wrote about it prolifically The basic premise of the Reformers was that the Scripture is the best interpreter of Scripture This commentary was written to demonstrate that comparing Scripture with Scripture is the best way to understand the Revelation I have deliberately avoided the jargon of the diverse systems of eschatology to allow the reader to focus on the text and let the Scripture speak for itself I have the profound conviction that the believers to whom John wrote understood what he meant May the blessing promised to those who read and obey this book be yours **Left Behind Or Left Befuddled** Gordon L. Isaac, 2008 The extraordinary success of the Left

Behind series by Tim LaHaye and Jerry Jenkins shows that their action adventure novels have tapped into the American psyche. It has revived our fascination with vivid images of the book of Revelation and other biblical texts: the Antichrist, the mysterious number 666, and people suddenly raptured into the sky by God. But is there something dangerous behind the thinking in these books and how they play out in our world today? In *Left Behind* or *Left Befuddled*, Gordon Isaac takes the reader inside the theology behind the series. In clear and accessible prose, Isaac answers many important questions that Christians have about the phenomenon that is *Left Behind*. Is this Vision of the end times really biblical? Why do people have such a powerful response to it? What are alternative ways to think about the end times? How do the books view Catholics and other Christians? What does this Vision of things mean for Israel and the Jewish people? How can we counter the myths proposed in the series as fact? Gordon Isaac is the Berkshire Associate Professor of Advent Christian Studies in the church history department at Gordon-Conwell Theological Seminary in Massachusetts. He is also an ordained Advent Christian minister who has served a number of congregations.

No Ordinary Angel Susan R. Garrett, 2008-01-01 In this provocative, intelligent, and highly original addition to the Anchor Yale Bible Reference Library, Susan R. Garrett argues that angel talk has never been merely about angels. Rather, from ancient times until the present, talk about angels has served as a vehicle for reflection on other fundamental life questions, including the nature of God's presence and intervention in the world, the existence and meaning of evil, and the fate of humans after death. In *No Ordinary Angel*, Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels. She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus. *No Ordinary Angel* offers important insights into the development of angelology, the origins of Christology, and popular Western spirituality, ranging from fundamentalist to New Age. In doing so, it provokes stimulating theological reflection on key existential questions.

Apocalypse Burning Mel Odom, 2011-05-27 Danger and personal crisis on land, sea, and in the air combine with a level of spiritual warfare that is unparalleled in a Christian book. *Apocalypse Burning* is a page-turning thriller that runs side by side with the phenomenal *Left Behind* series, which has sold in excess of 60 million copies. First Sergeant Samuel Adams Goose Gander is on the front lines, fighting a battle against superior forces. Goose's wife, Megan, is fighting for her freedom in a court case where all the facts seem stacked against her. Meanwhile, Chaplain Delroy Harte believes that the Rapture may have happened but can't be sure until he has dealt with the demons of his past. Stunning action and technical accuracy ensure this series will satisfy the fans of the original *Left Behind* series who are looking for more.

Secularization and the World Religions Hans Joas, Klaus Wiegandt, 2022-04-01 The question of religion, its contemporary and future significance, and its role in society and state is currently perceived as an urgent one by many and is widely discussed within the public sphere. But it has also long been one of the core topics of the historically oriented social sciences. The immense stock of knowledge furnished by the history of religion and religious studies, theology, sociology, and

history has to be introduced into the public conscience today This can promote greater awareness of the contemporary global religious situation and its links with politics and economics and counter rash syntheses such as the clash of civilizations This volume is concerned with the connections between religions and the social world and with the extent limits and future of secularization The first part deals with major religious traditions and their explicit or implicit ideas about the individual social and political order The second part gives an overview of the religious situation in important geographical areas Additional contributions analyze the legal organization of the relationship between state and religion in a global perspective and the role of the natural sciences in the process of secularization The contributors are internationally renowned scholars like Winfried Brugger Jos Casanova Friedrich Wilhelm Graf Hans Joas Hans G Kippenberg Gudrun Kr mer David Martin Eckart Otto and Rudolf Wagner
