The Theology of Jonathan Edwards Michael J. McClymond, Gerald R. McDermott, 2012-01-05 Scholars and laypersons alike regard Jonathan Edwards 1703 58 as North America s greatest theologian The Theology of Jonathan Edwards is the most comprehensive survey of his theology yet produced and the first study to make full use of the recently completed seventy three volume online edition of the Works of Jonathan Edwards The book s forty five chapters examine all major aspects of Edwards s thought and include in depth discussions of the extensive secondary literature on Edwards as well as Edwards s own writings Its opening chapters set out Edwards s historical and personal theological contexts The next thirty chapters connect Edwards s theological loci in the temporally ordered way in which he conceptualized the theological enterprise beginning with the triune God in eternity with his angels to the history of redemption as an expression of God s inner reality ad extra and then back to God in eschatological glory The authors analyze such themes as aesthetics metaphysics typology history of redemption revival and true virtue They also take up such rarely explored topics as Edwards s missiology treatment of heaven and angels sacramental thought public theology and views of non Christian religions Running throughout the volume are what the authors identify as five basic theological constituents trinitarian communication creaturely participation necessitarian dispositionalism divine priority and harmonious constitutionalism Later chapters trace his influence on and connections with later theologies and philosophies in America and Europe The result is a multi layered analysis that treats Edwards as a theologian for the twenty first century global Christian community and a bridge between the Christian West and East Protestantism and Catholicism conservatism

and liberalism and charismatic and non charismatic churches *Grace for All* Clark H. Pinnock, John D. Wagner, 2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered *Grace for All The Arminian Dynamics of Salvation* features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God s grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion *Grace for All The Arminian Dynamics of Salvation* is an updated and revised version of *Grace Unlimited* a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College The Contributors David J A Clines Jack Cottrell Vernon Grounds William G MacDonald I Howard Marshall Roger Olson Grant Osborne Robert Picirilli Clark Pinnock J Matthew Pinson Vic Reasoner Glen Shellrude James D Strauss John D Wagner Steve Witzki **God's Twofold Love** William den Boer, 2010-10-27 Even though it has always been widely debated the theology of Jacob Arminius 1559 1609 has not received the scholarly attention one would expect Given also its remarkable influence it is surprising how little research has been devoted to it Only since the 1980s has the world of scholarship seen some movement on this front The present study by William den Boer offers a new contribution to the understanding of Arminius s theology by focusing on the theological motive that lay at its very foundation Arminius has been characterized as a theologian of free will of creation or of freedom and lately also as a theologian of the assurance of faith The question as to Arminius s central concern in his theology has been answered in different ways with each author focusing on aspects of differing degrees of importance William den Boer defends the thesis that another characterization needs to be added and designates Arminius as a theologian of the justice of God or more precisely as a theologian of the twofold love of God He goes on to illustrate how these two characterizations are valid at one and the same time and why they do not exclude but include all other characterizations that have been offered by placing them in their proper perspective In Part 1 the author posits that the leading motif of Arminius s theology lay in a careful defense of the justice of God Part 2 considers the reception of his theology in the discussions between Remonstrants and Counter Remonstrants during the Hague Conference Haagsche or Schriftelieke Conferentie of 1611 Finally Arminius s theology is placed within the context of sixteenth century debates on the cause of sin and God s relationship to evil Prevenient Grace J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn t a book on botany nor on architecture foundations good roots are essential to thought

structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine Arminius, Arminianism, and Europe Theodoor Marius van Leeuwen, Keith D. Stanglin, Marijke Tolsma, 2009 19 October 2009 marked the 400th anniversary of the death of Jacobus Arminius in Leiden He was esteemed for the way in which he sought a via media between strict Calvinism and a more humanistic variant of Christian belief However because of his deviation from mainstream Calvinism he has also been violently attacked Was he a pioneer who enriched the Reformed tradition by opening it towards new horizons or a heretic who founded a new tradition as an alternative to Reformed theology The day of the death of this remarkable theologian was commemorated with a conference at Leiden University on Arminius Arminianism and Europe 9 and 10 October 2009 The main contributions to that conference are collected in this book The first part contains some essays on the thinking of Arminius himself the structure of his theology his relation to Augustine and to Rome The second part deals with Arminianism Was it influenced by Socinianism as its opponents often claimed How was it received in Europe in Germany Switzerland Geneva England and Ireland How far did Arminianism prepare the way for the ideals of the Enlightenment which made its entry later on in the seventeenth century An extensive iconography of Jacobus Arminius and an annotated bibliography of all his known writings complete in the third part this volume Christianity and Islam John J. Johnson, 2020-09-29 This volume serves to refute the popularly held belief that Christians and Muslims worship the same God showing that Christianity and Islam radically disagree on the nature and attributes of God It also argues that they present Jesus in contradictory terms regarding his divinity and the historicity of the crucifixion Additionally the two religions have fundamentally different understandings of human nature sin and scripture In honestly pointing out the reasons why these great religions cannot be reconciled this book will appeal to theologians as well as educated Christian and Muslim laypersons Preaching the Hard Words of Jesus Steven D. Mathewson, 2013-08-21 The longer we preach the more we start to realize how radical and shocking the words of Jesus are even to Christians Veteran pastor Steven D Mathewson provides proven wisdom from decades of preaching to make sense of the red letters that perplex many in your congregations and to equip you with the tools you need to preach them confidently and persuasively Preaching the Hard Words of Jesus is loaded with Scripture bibliographic references and scholarly resources this book walks us through Jesus' harder teachings on topics like

the demands of discipleship sex and marriage divorce hell the end times and more After Arminius Thomas H. McCall, Keith D. Stanglin, 2021 Inspired by the ideas of the Dutch theologian Jacob Arminius Arminianism was the subject of important theological controversies in the seventeenth and eighteenth centuries and still today remains an important position within Protestant thought What became known as Arminian theology was held by people across a wide swath of geographical and ecclesial positions This theological movement was in part a reaction to the Reformed doctrine of predestination and was founded on the assertion that God's sovereignty and human free will are compatible More broadly it was an attempt to articulate a holistic view of God and salvation that is grounded in Scripture and Christian tradition as well as adequate to the challenges of life First developed in European British and American contexts the movement engaged with a wide range of intellectual challenges While standing together in their common rejection of several key planks of Reformed theology supporters of Arminianism took varying positions on other matters Some were broadly committed to catholic and creedal theology while others were more open to theological revision Some were concerned primarily with practical matters while others were engaged in system building as they sought to articulate and defend an over arching vision of God and the world The story of Arminian development is complex yet essential for a proper understanding of the history of Protestant theology The historical development of Arminian theology however is not well known In *After Arminius* Thomas H. McCall and Keith D. Stanglin offer a thorough historical introduction to Arminian theology providing an account that will be useful to scholars and students of ecclesiastical history and modern Christian thought *Predestination* Peter J. Thuesen, 2009-07-06 Predestination the idea that God foreordains one's eternal destiny is one of the most fascinating and controversial doctrines in Christianity In this groundbreaking history the first of its kind Peter Thuesen shows that far from being only about the age old riddle of divine sovereignty versus human free will the debate over predestination is inseparable from other central Christian beliefs and practices the efficacy of the sacraments the existence of purgatory and hell the extent of God's providential involvement in human affairs and has fueled theological conflicts across denominations for centuries

Interpreting the Gospels and Acts David L. Turner, 2019-05-28 A comprehensive handbook for understanding and communicating the Gospels and Acts In this final volume of the Handbooks for New Testament Exegesis series David Turner provides a comprehensive guide for interpreting and conveying the lives of Jesus and his early followers Key background information such as literary genres historical setting and theological themes lay the groundwork for properly reading these five books This is followed by practical guidance on textual issues and original language exegesis passages from the Gospels and Acts The final chapter offers an extensive bibliography of books and digital resources useful for instructors students and church leaders alike *Interpreting the Gospels and Acts* is an essential resource for anyone teaching and preaching these foundational books The Wonderful Decree Travis James Campbell, 2020-01-03 Unconditionally loving Sovereign over all How can God be sovereign over all things and loving towards all people while His creatures possess real freedom and

responsibility for their choices Theologians have wrestled with this question for centuries But have our attempted solutions made the problem worse In Wonderful Decree Travis James Campbell suggests we cannot solve the problem by sacrificing either divine sovereignty and goodness on one hand or human responsibility on the other While considering Arminian and Molinist alternatives he concludes that the traditional Augustinian and Calvinist approach best allows these truths to remain in a healthy and biblically faithful tension Inspired by the example of Spurgeon who preferred biblical mystery over human solutions Campbell encourages readers to trust even delight in the harmony of God s love for all and sovereignty over all

Jacob Arminius Rustin E. Brian,2015-06-25 Jacob Arminius was a Dutch theologian whose views have become the basis of Arminianism and the Dutch Remonstrant movement and are quite influential on Wesleyan and therefore Methodist theology as well Arminius attempted to reform Reformed theology and ended up lending his name to a movement that resisted some of the primary tenets of Calvinism Rustin E Brian outlines the life and theology of Arminius shedding fresh light on his life theology and writings In hopes of better understanding Arminian theology and Arminianism Brian concludes with a constructive comparison and contrast of Arminius and several prominent theological figures Pelagius John Wesley and Karl Barth

Does God Love Everyone? Jerry L. Walls,2016-07-29 Does God truly love all persons Most Christians think the obvious answer to this question is Yes of course he does Indeed many Christians would agree that the very heart of the gospel is that God so loved the whole world that he gave his Son to make salvation available for every single person This book shows that one of the most popular and resurgent theological movements in the contemporary evangelical church namely Calvinism cannot coherently and consistently affirm this vital claim about the love of God While some Calvinists forthrightly deny that God loves everyone more commonly Calvinists attempt to affirm the love of God for all persons in terms that are compatible with their doctrines that Christ died only for the elect those persons God has unconditionally chosen to save This book shows that the Calvinist attempts to affirm God s love for all persons are fraught with severe philosophical and theological difficulties Calvinism then should be rejected in favor of a theology that can forthrightly and consistently affirm the love of God for all persons Nothing less is at stake than the very heart of the gospel

Grace Saves All David Artman,2020-04-17 Grace is amazing About this all Christians agree Yet nearly all forms of Christianity put significant limits on grace Those forms of Christianity which proclaim grace alone actually saves typically don t believe God gives grace to everyone while those forms of Christianity which proclaim God gives grace to everyone typically don t believe grace alone actually saves Must grace either be that which saves alone but doesn t go to all or that which goes to all but doesn t save alone In *Grace Saves All* David Artman argues that grace saves alone and goes to all This inclusive approach to Christianity is variously called universal reconciliation universal salvation or perhaps most accurately Christian universalism He contends that the inclusive Christian universalist approach is necessary because it offers the only Christian theology which successfully defends the goodness of God For it logically follows that if God is all good all knowing and all powerful then God

must also be all saving Often dismissed as a modern feel good theology Christian universalism is an ancient orthodox and biblical theology which was expounded by early Christians and early church fathers Artman brings much deserved attention to this wonderful spirituality

God's Insurance Moses O. Biney, 2025-07-20 God's Insurance Divine Provision and Protection in an Uncertain World In a world filled with uncertainty where traditional safety nets often prove inadequate God's Insurance offers a transformative perspective on divine provision and protection This comprehensive exploration reveals how God's covenant promises function as the ultimate insurance policy covering everything from our spiritual salvation to our daily needs from emotional healing to eternal security Unlike conventional insurance with its fine print exclusions and limitations God's coverage has no hidden clauses no pre-existing condition exclusions and no expiration date Through rich biblical insights and compelling real life stories this book unpacks twelve vital dimensions of divine care From the Declaration Page of God's covenant promises to the Risk Assessment of His perfect knowledge from the Premium of Faith to the Obedience Clause from Comprehensive Coverage against fear to Provision Insurance for daily needs from Damage Recovery when life breaks us to Salvation Assurance for eternity each chapter builds a complete picture of divine security that transcends human limitations But this book goes beyond theory to practice With thoughtful application sections reflection questions and practical exercises readers will discover how to Access God's promises with confidence Trust His provision in uncertain times Experience His peace amid anxiety Participate in His restoration work Extend divine coverage to others Whether you're weathering financial hardship health challenges relationship difficulties or spiritual doubt God's Insurance reveals how to live securely in an insecure world not through denial of life's realities but through confident trust in the One whose policy never lapses and whose care never fails

Adam Boreel (1602-1665): A Collegiant's Attempt to Reform Christianity Francesco Quatrini, 2020-11-09 In Adam Boreel 1602-1665 A Collegiant's Attempt to Reform Christianity Francesco Quatrini offers a reassessment of the life and thought of Adam Boreel a leading member of the Dutch nonconformist Collegiant movement Usually regarded as a less important member of this religious group Boreel is described as a forerunner whose ideas influenced later Collegiants Drawing on both archival and published sources Francesco Quatrini provides the first modern biography of Boreel as well as a critical analysis of his writings He corrects misconceptions about Boreel who appears here as an intriguing figure who drew his views from several different sources In this way Francesco Quatrini revealed that Boreel was a major leader in the era's intellectual discourse

40 Questions About Calvinism Shawn D. Wright, 2019-04-30 In 40 Questions About Calvinism church historian Shawn Wright tackles many issues about the theological system known as Calvinism Taking an irenic approach Wright explains the key doctrines while also contrasting them with Arminianism The accessible format allows readers to easily look up topics in which they're most interested including What is the difference between Calvinism and the Reformed tradition Does God love all people Did Jesus die for the sins of the whole world Can people resist the Holy Spirit Do Calvinists practice evangelism and missions Here is a book to put

into the hands of such inquirers whose understanding of Calvinism may have been formed by those who caricature it The fact that each chapter is a question helps readers go straight to the issue that is dogging them Conrad Mbewe Kabwata Baptist Church Lusaka Zambia If you are a non Calvinist seeking answers about Calvinism you will find a clear and winsome presentation of the position as well as a response to some key criticisms If you are a Calvinist looking for a model of how to talk about these things with non Calvinists then you will find a helpful and humble model for explaining the Calvinist position and its points of disagreement with Arminianism in a fair minded evenhanded way Ligon Duncan Reformed Theological Seminary

The Eternal Generation of the Son Kevin Giles, 2012-05-07 Theologian Kevin Giles defends the historically orthodox doctrine of the eternal generation of the Son of God He argues on biblical historical and theological bases that given its fundamental meaning this doctrinal formulation is indispensable irreplaceable and faithful to Christian revelation
