of this handbook is to fill this gap by exploring ways to analyse and model data for policy support and to advocate the adoption of CSS solutions for policy by raising awareness of existing implementations of CSS in policy relevant fields To this end the book explores applications of computational methods and approaches like big data machine learning statistical learning sentiment analysis text mining systems modelling and network analysis to different problems in the social sciences The book is structured into three Parts the first chapters on foundational issues open with an exposition and description of key policymaking areas where CSS can provide insights and information In detail the chapters cover public policy governance data justice and other ethical issues Part two consists of chapters on methodological aspects dealing with issues such as the modelling of complexity natural language processing validity and lack of data and innovation in official statistics Finally Part three describes the application of computational methods challenges and opportunities in various social science areas including economics sociology demography migration climate change epidemiology geography and disaster management The target audience of the book spans from the scientific community engaged in CSS research to policymakers interested in evidence informed policy interventions but also includes private companies holding data that can be used to study social sciences and are interested in achieving a policy impact

Patients at Risk Niran Al-Agba, Rebekah

Bernard, 2020-11-01 Patients at Risk The Rise of the Nurse Practitioner and Physician Assistant in Healthcare exposes a vast conspiracy of political maneuvering and corporate greed that has led to the replacement of qualified medical professionals by lesser trained practitioners As corporations seek to save money and government agencies aim to increase constituent access minimum qualifications for the guardians of our nation's healthcare continue to decline with deadly consequences This is a story that has not yet been told and one that has dangerous repercussions for all Americans With the rate of nurse practitioner and physician assistant graduates exceeding that of physician graduates if you are not already being treated by a non physician chances are you soon will be While advocates for these professions insist that research shows that they can provide the same care as physicians patients do not know the whole truth that there are no credible scientific studies to support the safety and efficacy of non physicians practicing without physician supervision Written by two physicians who have witnessed the decline of medical expertise over the last twenty years this data driven book interweaves heart rending true patient stories with hard data showing how patients have been sacrificed for profit by the substitution of non physician practitioners Adding a dimension neglected by modern healthcare critiques such as An American Sickness this book provides a roadmap for patients to protect themselves from medical harm WORDS OF PRAISE and REVIEWS Al Agba and Bernard tell a frightening story that insiders know all too well As mega corporations push for efficiency and tout consumer focused retail services American healthcare is being dumbed down to the point of no return It's a story that many media outlets are missing and one that puts you and your family's health at real risk John Irvine Deductible Media Laced with actual patient cases the book's data and patterns of large corporations replacing physicians with non physician practitioners despite the vast

difference in training is enlightening and astounding The authors extensively researched book methodically lays out the problems of our changing medical care landscape and solutions to ensure quality care Marilyn M Singleton MD JD A masterful job of bringing to light a rapidly growing issue of what should be great concern to all of us the proliferation of non physician practitioners that work predominantly inside algorithms rather than applying years of training clinical knowledge and experience Instead of a patient first mentality we are increasingly met with the sad statement of Profits Over Patients echoed by hospitals and health insurance companies John M Chamberlain MHA LFACHE Board Chairman Citizen Health A must read for patients attempting to navigate today s healthcare marketplace Brian Wilhelmi MD JD FASA Oswaal CDS (Combined Defence Services) 14 Solved Papers Year-wise 2018-2024 (II) | General Knowledge | For 2025 Exam Oswaal Editorial Board,2024-09-26 Union Public Service Commission UPSC every year conducts a CDS exam twice a year for candidates who wish to make their career in the defence forces Army Navy and Air Force The Combined Defence Services Examination is conducted for admission to the Indian Military Academy IMA Indian Naval Academy INA Air Force Academy AFA and Officers Training Academy OTA The CDS selection process comprises two stages written exams and SSB interviews The final selection of candidates is done based on the performance in both stages After completing training at IMA INA AFA and OTA candidates are selected for the post of Lieutenant In 2024 Approx 4 5 Lacs students applied for the CDS examination the opportunity you get from the Indian Armed Forces is just limitless which helps in enhancing your personality traits For a youngster who is aspiring to get a job full of challenges and excitement then there is no better job than the defence This book aims to make aspirants exam ready boost their confidence and help them achieve better results in CDS By making learning Simple we are also making better careers and a better life for every student Every day we are moving ahead pursuing our noble cause of spreading knowledge This set of solved question papers is designed to enrich students with ample and examoriented practice so that they can clear CDS Examination with extraordinary results Not one or two but 14 Previous Year Solved Question Paper 2018 to 2024 II focussed on polishing every topic Thorough studying of this book will boost my confidence and familiarise me with exam patterns Some benefits of studying from Oswaal CDS check 14 Previous year solved question papers 100% updated with Fully Solved Paper of September 2024 II Concept Clarity with detailed explanations of 2018 to 2024 I Papers Extensive Practice with 1600 Questions and Two Sample Question Papers Crisp Revision with Mind Maps Expert Tips helps you get expert knowledge master crack CDS in first attempt Exam insights with Previous Years 2024 2019 Trend Analysis empowering students to be 100% exam ready Our Heartfelt Gratitude Finally we would like to thank our authors editors and reviewers Special thanks to our students who send us suggestions and constantly help improve our books To stay true to our motto of Learning Made Simple we constantly strive to present information in ways that are easy to understand as well as remember *Earth Science and Applications from Space* National Research Council,Division on Engineering and Physical Sciences,Space Studies Board,Committee on Earth Science and Applications
