

ASSIGNMENT DO-ABLE TASKS

Hi there!

Thanks for purchasing this awesome resource, brought to you by Breakaway Tutor!

We are tutors and teachers who understand how confusing assignments can be!

Most of the time, what you are actually being asked to produce, and how the assignments are worded are two very different things.

That is where we step in!

The below worksheet can be printed out as A5, it can be laminated and reused, or you can just print out an A4 copy when you need one!

Follow it through:

1. Write down what your assignment is asking you to do.

Eg. * Create a poster point and speech on Egypt.

* Include information on the period of time studied.

* Look at a personality.

Make sure you are specific and that you break it down into dot points because we can understand things better in point form!

2. Look at the marking criteria. Understand what you need to be able to do to achieve the marks you want to receive. Write it down so that you can remind yourself of these things as you are completing the assignment.

3. Break it up! Break it down! Make a list of what you need to do in order to complete the assessment.

Eg. * Pick a topic.

* Research using a book and 3 internet resources.

* Word information.

* Form powerpoint.
