Responsible Research Practice

Norma RA Romm, 2018-04-21 This book explores ways in which creative research practice can be explicitly and mindfully geared to make a difference to the quality of social and ecological existence. It offers a range of examples of how different research methods can be employed and re-tuned with this intention. The book suggests that what Romm names active research involves using the research space responsibly to open up new avenues for thinking and acting on the part of those involved in the inquiry and wider stakeholders. The book includes a discussion of a range of epistemological, ontological, methodological and axiological positions or paradigms that can be embraced by inquirers implicitly or explicitly. It details the contours of an epistemology where knowing is recognized to be grounded in social relations as a matter of ethics. While focusing on discussing the transformative paradigm and attendant view of research ethics, it considers to what extent the borders between paradigms can be treated as being permeable in creative and active inquiries. Apart from considering options for enhancing responsible research practice during the process of inquiry and reconsidering mixed research designs, the book also considers options for responsible theorizing that is inspirational for pursuing goals of social and ecological justice.

Personal Financial Management

Nico Swart, 2004-04 This Second Edition provides an excellent and holistic structure for planning and managing your personal finances. Everything you need to know in order to make informed decisions about any and every aspect of your finances is contained in the ten key personal financial planning areas: career, income tax, estate, investment, protection, credit, health care, retirement and emigration planning. Ultimately, we all hope for financial independence after retirement, and how you plan and manage your finances in any one of these key areas can have far-reaching positive or negative financial implications for your future. Key features: Learning outcomes and self-assessment questions. Numerous diagrams, figures and tables. Outlines the personal financial planning process. Describes the assessment and measurement of personal financial performance. Explains the time value of money. Details ten personal financial planning areas.

Career Choice

Department of Music, University of Pretoria, South Africa.

Outsmarting Apartheid

Daniel Whitman, 2014-05-01 Inspiring oral history of the impact of cultural and educational exchange between South Africa and the United States during apartheid. For almost forty years under the watchful eye of the apartheid regime, some three thousand South Africans participated in cultural and educational exchange with the United States. Exposure to American democracy brought hope during a time when social and political change seemed unlikely. In the end, the process silently triumphed over the resistance of authorities, and many of the individuals who participated in the program later participated in South Africa's first democratic elections in 1994 and now occupy key positions in academia, the media, parliament and the judiciary. In *Outsmarting Apartheid*, Daniel Whitman

former Program Development Officer at the US Embassy in Pretoria interviews the South Africans and Americans who administered advanced and benefited from government funded exchange The result is a detailed account of the workings and effectiveness of the US Information Agency and a demonstration of the value of soft power in easing democratic transition in a troubled area Outsmarting Apartheid is a major contribution to the study of soft diplomacy It is a wonderful picture of how the public diplomacy section of an embassy works and the positive impact it can have on advancing US interests The detail of daily life under apartheid for South Africans of all races is fascinating and will become more important as memories of that period recede John Campbell author of *Nigeria Dancing on the Brink* Updated Edition This book fills an important void in the literature it provides great insight from the point of view of actual participants in the dismantling of apartheid and the construction of a postapartheid democratic system in South Africa John Mukum Mbaku author of *Corruption in Africa Causes Consequences and Cleanups*

West African Drumming and Dance in North American Universities George Worlasi Kwasi Dor, 2014-02 More than twenty universities and twenty other colleges in North America USA and Canada offer performance courses on West African ethnic dance drumming This strong presence of a world music ensemble in the diaspora has captured and engaged the interest of scholars musicians dancers and audiences In the first ever ethnographic study of West African drumming and dance in North American universities the author documents and acknowledges ethnomusicologists ensemble directors students administrators and academic institutions for their key roles in the histories of their respective ensembles

Base Encounters Elisabeth Schober, 2016-04-20 Base Encounters explores the social

friction that US bases have caused in South Korea where the entertainment districts next to American military installations have come under much scrutiny The Korean peninsula is one of the most heavily militarised regions in the world and the conflict between the North and South is continually exacerbated by the presence of nearly 30 000 US soldiers in the area Crimes committed in GI entertainment areas have been amplified by an outraged public as both a symbol for and a symptom of the uneven relationship between the United States and the small East Asian nation Elisabeth Schober's ethnographic history scrutinises these controversial zones in and near Seoul Sharing the lives of soldiers female entertainers and anti base activists she gives a comprehensive introduction to the social economic and political factors that have contributed to the tensions over US bases in South Korea *Children and Bullying* Ken Rigby,2008 Ken Rigby offers this collaborative guide for parents and teachers to address an issue that has reached near epidemic proportions in today's schools This book defines the gradations of bullying and provides strategies to prevent children from becoming involved in bullying situations

Mademoiselle ,1989 **National Union Catalog** ,1982 Includes entries for maps and atlases **The Commonwealth, South Africa and Apartheid** Stuart Mole,2023-05-31 This book explores the role of the modern Commonwealth in the international campaign against apartheid in South Africa Spanning the period of South Africa's apartheid state from its foundation in 1948 until its ending in April 1994 the author demonstrates that after the 1960 Sharpeville massacre and South Africa's subsequent exclusion from the Commonwealth the organisation was able to become both pathfinder and interlocutor on the road to South Africa's freedom As well as South Africa's ejection from the Commonwealth apartheid's increasing isolation was sustained by the Commonwealth's pioneering work in boycotting apartheid sport as well as campaigning to stop arms sales It also played an important role in internationalising economic and financial sanctions credited by some as the final nail in apartheid's coffin and was able to make an important and distinctive contribution to the transition to democracy At the same time critical debates within the Commonwealth about racial and political equality transformed the association from a docile post imperial organisation led by the UK and in its own interests to a modern multiracial North South forum for reconciling global difference and overcoming the legacies of colonialism This comprehensive and authoritative account of the Commonwealth's engagement with apartheid South Africa is intended for all those who study and research the modern Commonwealth its structure and influence and for those with a general interest in contemporary post war history

Christianity in South Africa Richard Elphick,Rodney Davenport,T. R. H. Davenport,1997-01-01 At a strategic time in South Africa's history the Christian history which is absolutely basic to all developments is presented in a comprehensive and objective way Too little attention is given to the influence of religion in socio political accounts This is a creative and much needed contribution to scholarship and general knowledge An outstanding work Dean S Gilliland Fuller Theological Seminary

Financial Inclusion and Digital Transformation Regulatory Practices in Selected SADC Countries Howard Chitimira,Tapiwa Victor Warikandwa,2023-03-28 This book investigates the regulation and promotion of financial inclusion

and provides a comparative analysis of the regulation promotion and enforcement of the relevant laws in the SADC in particular South Africa Namibia Botswana and Zimbabwe as well as the challenges of financial inclusion In turn it evaluates financial inclusion in the context of specific challenges faced by unbanked and underbanked customers who are easy targets for cyber criminals because they tend to have lower levels of digital literacy The book presents novel discussions that identify the challenges and flaws associated with the enforcement of financial inclusion laws and related measures intended to promote financial inclusion in the SADC region This is primarily done in order to reveal the current strengths and weaknesses of financial inclusion laws in relation to certain aspects of the companies securities and financial markets in the region For example there is no common financial inclusion instrument law that is effectively and uniformly applied throughout the SADC This has impeded the enforcement authorities efforts to effectively combat financial exclusion across the region The book is likely the most comprehensive study to date on the regulation and promotion of financial inclusion in the SADC region and fills a major gap in SADC and African legal jurisprudence As such it offers a valuable asset for policymakers attorneys bankers securities share holders and other market participants who deal with financial inclusion as well as undergraduate and graduate students interested in the topic
