Afterlife Arena Chapel Architecture Renaissance:

The Afterlife of the Arena Chapel Laura Jacobus, 2012 **Giotto's Arena Chapel and the Triumph of Humility** Henrike Christiane Lange, 2023-02-09 In this book Henrike Lange takes the reader on a tour through one of the most beloved and celebrated monuments in the world Giotto's Arena Chapel Paying close attention to previously overlooked details Lange offers an entirely new reading of the stunning frescoes in their spatial configuration The author also asks fundamental questions that define the chapel's place in Western art history Why did Giotto choose an ancient Roman architectural frame for his vision of Salvation What is the role of painted reliefs in the representation of personal integrity passion and the human struggle between pride and humility familiar from Dante's Divine Comedy How can a new interpretation regarding the influence of ancient reliefs and architecture inform the famous Assisi controversy and cast new light on the debate around Giotto's authorship of the Saint Francis cycle Illustrated with almost 200 color plates this volume invites scholars and students to rediscover a key monument of art and architecture history and to see it with new eyes **The Afterlife of the Arena Chapel** Laura Jacobus, 2016-12-31 **Harvey Miller** 2012 **The Renaissance in Italy: Painting, Sculpture, Architecture** Harald Keller, 1974 **The Usurer's Heart** Anne Derbes, Mark Sandona, 2008 At the turn of the fourteenth century Enrico Scrovegni constructed the most opulent palace that the city of Padua had seen and he engaged the great Florentine painter Giotto to decorate the walls of his private chapel 1303-5 In that same decade Dante consigned Enrico's father a notorious usurer to the seventh circle of hell The frescoes rank with Dante's Divine Comedy as some of the great monuments of late medieval Italian culture and yet much about the fresco program is incompletely understood Most traditional studies of the Arena Chapel have examined the frescoes as individual compositions largely divorced from their original context almost as if they were panels detached from an altarpiece and hung on a museum wall for the viewing pleasure of the connoisseur Anne Derbes and Mark Sandona in contrast consider each image as part of an intricate network of visual and theological associations comparable to that of Dante's poem The authors show how this remarkable ensemble of paintings offers complex meanings meanings shaped by several interested parties patron confessor and painter The Usurer's Heart pieces together new historical evidence on the chapel's origins and describes the fresco program as in part an attempt to ameliorate the Scrovegni family's reputation It interprets the chapel's fresco program and the chapel's place in the heart of an ambitious and guilt-ridden moneylender *The Continuing Dialogue* Brian Leslie Bishop, 2017-07-20 The I AM statements exclusive to the Fourth Gospel are seen as the attempt of the author's of that Gospel to present the nature and purpose of the earthly life of Jesus by engaging the imaginative faculty of the reader Succeeding generations of artists are considered as undertaking a similar task by engaging in an imaginative dialogue with the text There are five narratives that are peculiar to the Fourth Gospel The Wedding at Cana the Woman of Samaria the Woman Taken in Adultery the Raising of Lazarus and the Washing of Feet Five paintings based upon each narrative are considered in context These are taken from

the early fourteenth century Duccio and Giotto to the twentieth and twenty first centuries Max Beckmann and the contemporary Icon writer Constantina Wood A sense of the loss experienced by the western church under the sanctions of the Protestant Reformation against visual imagery is conveyed This leads to a suggestion that a reassertion of the role of the aesthetics of Christian worship might be a unifying factor for a generation jaded by the pedantry that divides the Christian Church

Let's go Katherine T... Model, Clint D... Thacker, Matthew J... Bester, 1998 [The Beauty of Holiness](#) Brian Leslie Bishop, 2020-01-07 In this book Brian Bishop simply pauses to look at fifty seven beautiful images that feature the life and death of Jesus and the supper at which he appeared three days after his burial to two broken hearted disciples He finds the visual approach to the gospel stories rewarding and attempts to place the paintings in some historical context as an aid to understanding but essentially offers pauses for thought and reflection upon world changing events The book may be dipped into as time and interest allows The beautifully produced color images of wonderful works of art provide constant companionship

Giotto and the Arena Chapel Laura Jacobus, 2008 This book is divided into two parts the first presenting new evidence and reconstructions of the chapel s design and early history the second offering new interpretations of Giotto s frescoes Appendices present original sources all of which are newly discovered unpublished or previously published in inaccessible editions An outline of the early history of the Scrovegni family and the career of the chapel s patron Enrico Scrovegni introduces the first part of the book It is argued that the chapel s varied functions played an important part in determining the form of the building and the content of its frescoes A complete reconstruction of the appearance of the Arena Chapel at the time of its consecration in 1305 forms the basis for an entirely new understanding of Giotto s frescoes Giotto was the architect of the Arena Chapel architecture and decoration were completely integrated in his design Changes in the design brief during the period 1300 1305 prevented the full realization of his design Some of the paintings now seen in the Arena Chapel which have always been attributed to Giotto are not in fact by him Several independent masters worked under Giotto s direction He headed a flexibly organized workshop Part II is introduced by a discussion of the frescoes that would be encountered by visitors to the Arena Chapel These frescoes were deliberately placed in these positions by Giotto in order to further a process of luminal transformation upon entry into sacred space Giotto employed radically new compositional devices to evoke correspondences between the pictured protagonists in their fictive environments and viewers in the real environment of the chapel Dr Laura Jacobus research interests cover various aspects of Italian visual culture during the period c 1250 1450 She teaches at Birkbeck University of London
