1. You may think you're cool coz you call me names,  
And you may think I'm hurting inside,  
You may even choose to get nasty,  
But do you really think I'm going to hide?
2. Lots of people look up to you,  
They're scared if they don't you'll turn sour,  
I bet half of them think you're a bully,  
But when you speak to them, they just cower.
3. You have everybody below you,  
Obeying your every demand,  
But if somebody bigger came along,  
You would bury your head in the sand.
4. You're not just a bully, but a coward,  
Who's jealous of people like me,  
Am I really as bad as you make me feel,  
Or the person who you want to be?
5. I know I can talk to my teachers,  
My parents, family, and friends,  
To tell them how you make me feel,  
Please let this bullying end.

**Wordplay and Powerplay in Latin Poetry** Phillip Mitsis,Ioannis Ziogas,2016-07-28 The political allegiances of major Roman poets have been notoriously difficult to pin down in part because they often shift the onus of political interpretation from themselves to their readers By the same token it is often difficult to assess their authorial powerplays in the etymologies puns anagrams telestichs and acronyms that feature prominently in their poetry It is the premise of this volume that the contexts of composition performance and reception play a critical role in constructing poetic voices as either politically favorable or dissenting and however much the individual scholars in this volume disagree among themselves their readings try to do justice collectively to poetry s power to shape political realities The book is aimed not only at scholars of Roman poetry politics and philosophy but also at those working in later literary and political traditions influenced by Rome s greatest poets

**A Collection of Poetry about Anti-Bullying** Elise Sharron,2022-02-03 A term that everyone around the world has become very aware of is bullying There are so many disappointing aspects of this personality trait and the more it happens the more disappointing it becomes Unfortunately students report being bullied as young as kindergarten four things that they don t even understand and sometimes things that they have no control over like their race or socioeconomic status The biggest misstep is that the adults in the room are not always doing everything that they can to support students who are being bullied address and educate students who are the bullies as well as creating a safety net for all students in all aspects of their young life This collection deals with anti bullying In *Burnt Cake* we use the metaphor of a burnt cake to connect with a teenager that is experiencing bullying and can t quite find the words to ask their parents for help In *Stand Up* we experience the honest truth about what we are not seeing and are not addressing in the presence of this bullying culture In *When I Have a Kid* we hear someone express all of the things that they are and are not going to do in an effort to support their child Because at the end of the day supporting children is important because at some point they will grow up to be the adults that lead our world We must make anti bullying a priority to keep this generation safe as well as the next

**To This Day** Shane Koyczan,2014 From acclaimed

spoken word poet Shane Koyczan the rallying cry against bullying that became a viral video viewed over 13 million times I'm not the only kid who grew up this way surrounded by people who used to say that rhyme about sticks and stones as if broken bones hurt more than the names we got called Now a dazzling illustrated book featuring the work of thirty artists from around the world To This Day is a powerful expression of the lasting effects of bullying and the inner strength that allows people to move beyond it With a heartfelt personal preface by Shane this extraordinary poem will resonate with anyone who has experienced bullying whether as a victim observer or participant *Bullies Never Win!* Desiree P. Edwards, 2013-11-19 Recently the act of bullying has captured our nation's attention Bullying includes behaviors that focus on making someone else feel inadequate It includes harassment verbal and emotional abuse physical harm and efforts to ostracize another person These poems are meant to encourage our young people to discover their dream and to be true to themselves They are meant to inspire and provide empowerment to victims by assuring them that they can overcome the many challenges they are confronted with Each poem gives a message of hope because Bullies never win **Bullied Girl** Rebecca McDonald, James McDonald, 2012-12-28 **Bully** SARANA. CONRADIE, 2025-02-07 Life is messy Along its winding path we encounter people who shape us some with kindness others with cruelty Bully is a raw and unflinching exploration of the wounds inflicted by those who wield power carelessly whether in the classroom the workplace or the shadows of family Through vivid imagery and heartfelt verse this collection delves into the pain of betrayal the weight of words and the scars left by those who sought to break us Yet it is also a testament to resilience a celebration of the courage it takes to rise above the hurt reclaim our voice and transform pain into power From the playground to the boardroom Bully confronts the many faces of oppression offering solace to those who have felt small and strength to those who dare to stand tall It is a reminder that even in the darkest moments we are not defined by others but by the light we choose to carry forward For anyone who has ever been wounded silenced or underestimated Bully is a rallying cry a call to heal hope and to rise Visuals brought to life by the author's imagination
