## **Agnosticism Religion Jacob Gould Schurman:**

Agnosticism and Religion Jacob Gould Schurman, 2016-04-17 Agnosticism and Religion by Jacob Gould Schurman This book is a reproduction of the original book published in 1896 and may have some imperfections such as marks or handwritten notes

**Agnosticism and Religion** Jacob Gould Schurman, 1896

**Agnosticism and Religion** Jacob Gould Schurman, 2015-06-04 Agnosticism and Religion by Jacob Gould Schurman deconstructs theories of agnosticism and contextualizes religion in the light of various philosophical themes The book is divided into three parts in the first section Schurman traces the evolution of scientific agnosticism and the journey of Thomas Henry Huxley In doing so the author reflects upon omnipotent concepts of creation revelation and science Part two of Agnosticism and Religion delves into modern philosophical theories throwing light on the genesis of agnosticism as we understand it today It is in this section that the reader will find hard hitting observations by the author on the very premise of agnosticism and its relevance The third section of the book draws out the nuances of spiritual religion its essence and evolution The taut lines drawn between dogmatism and doubt as well as introspection of the soul and its development make for a very pointed and interesting read The author has taken great pains to encompass as many strands of knowledge on the subject as Agnosticism and Religion is not just a straightforward narration of fact It contains some highly debatable and thought provoking inferences that would appeal to students preachers of religion or the casual reader alike In parts a powerful critique and at other times an eloquent interpretation this piece of work treads on rather ambiguous territory of philosophy and religion While exposing underlying disparities it also brings out a sense of positivity towards the end About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Agnosticism** Robin Le Poidevin, 2010-10-28 What is agnosticism Is it just the don't know position on God or is there more to it than this Is it a belief or merely the absence of belief Who were the first to call themselves agnostics These are just some of the questions that Robin Le Poidevin considers in this Very Short Introduction He sets the philosophical case for agnosticism and explores it as a historical and cultural phenomenon What emerges is a much more sophisticated and much more interesting attitude than a simple failure to either commit to or reject religious belief Le Poidevin challenges some preconceptions and assumptions among both believers and non-atheists and invites the reader to rethink their own position on the issues ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts

analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **The Origins of Agnosticism** Bernard Lightman, 2019-12-01 Originally published in 1987 *The Origins of Agnosticism* provides a reinterpretation of agnosticism and its relationship to science Professor Lightman examines the epistemological basis of agnostics learned ignorance studying their core claim that God is unknowable To address this question he reconstructs the theory of knowledge posited by Thomas Henry Huxley and his network of agnostics In doing so Lightman argues that agnosticism was constructed on an epistemological foundation laid by Christian thought In addition to undermining the continuity in the intellectual history of religious thought Lightman exposes the religious origins of agnosticism **Critical Bibliography of Religion in America, Volume IV, parts 3, 4, and 5** Nelson Rollin Burr, 2015-12-08 Volume IV bound as two volumes provides a critical and descriptive bibliography of religion in American life that is unequalled in any other source Arranged topically so that books and articles on a single subject are discussed in relation to each other and carefully cross referenced and indexed it will be an indispensable tool for anyone exploring further into American religion or related subjects Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Presbyterian and Reformed Review* Benjamin Breckinridge Warfield, 1896 Includes section Reviews of recent theological literature **The Hartford Seminary Record**, 1896 **The Faces of Reason** Leslie Armour, Elizabeth Trott, 2006-01-01 *The Faces of Reason* traces the history of philosophy in English Canada from 1850 to 1950 examining the major English Canadian philosophers in detail and setting them in the context of the main currents of Canadian thought The book concludes with a brief survey of the period after 1950 What is distinctive in Canadian philosophy say the authors is the concept of reason and the uses to which it is put Reason has interacted with experience in a new world and a cold climate to create a distinctive Canadian community The diversity of political geographic social and religious factors has fostered a particular kind of thinking particular ways of reasoning and communicating Rather than one grand overarching Canadian way of thinking there are many faces of reason a kind of philosophic federalism The book has two dimensions it is a continuous story which makes a point about the development of philosophical reason in the Canadian context it is a reference work which may be consulted by readers interested in particular figures ideas movements or periods *The Protestant Episcopal Review*, 1896 *Quarterly Review of the Methodist Episcopal Church, South*, 1896 **The Psychological Review**, 1897 *The Unitarian* Jabez Thomas Sunderland, Brooke Herford, Frederick B. Mott, 1896 **The American Journal of Theology** University of Chicago. Divinity School, 1897 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American

journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged
