Not a Fan Kyle Idleman, 2011-06-07 Pastor Kyle Idleman doesn't just want to be a fan of Jesus he wants to full heartedly commit to him and be a follower of Jesus But how can you make the leap from fan to follower In Not a Fan Idleman uses biblical examples to show how the people who met Jesus also had to decide if they were fans or followers and what it meant for them to then become followers Being a follower doesn't mean that you go to church every week that you slap a Jesus fish on the back of your car and that you give to charity That's what a fan does What a follower of Jesus does Idleman observes is die to themselves each and every moment of the day because you can't say yes to following Jesus unless you say no to living for yourself In this three part book Idleman helps you to discover whether you are a fan or a follower how to recognize the invitation Jesus has given and what following Jesus looks like in your daily life With humor and real life examples to draw you closer to Jesus Kyle Idleman compels each and every one of us to Not Be A Fan

God Chooses People Like You Beverly Lipford Carroll, 2015-09-01 The heroes of the Bible weren't any more gifted or powerful than you are They were flawed ordinary people living ordinary lives and doing ordinary things Their struggles and temptations were no different from ours But they allowed their ordinary lives to be interrupted by God who is anything but ordinary They chose to obey God when they did not necessarily see a happy ending And when they did what we see as a remarkable hero in the Bible is just an ordinary person reflecting the glory of God Our capabilities are far less influential than the choices we make and our choices become the stories of our lives We can continue to serve the pain of our past and be held captive by what we

wish we could change or we can let our belief in the power of God overshadow the size of our enemy and the depth of our weakness God doesn't need heroes He wants you His power and glory are most evident in your weakness Your past is never too complicated or too far gone for God to redeem into something beautiful resurrection is His specialty *Recovery, the 12 Steps and Jewish Spirituality* Rabbi Paul Steinberg, 2014-10-03 A major new Jewish contribution to 12 Step spirituality Claim the spiritual freedom that waits beyond the suffering and slavery of addiction One of the important similarities between AA and Jewish spirituality is the statement in Step 12 to practice these principles in all our affairs There is no dichotomy of sacred versus secular Jewish spirituality applies to how we eat sleep work socialize and recreate There is nothing that is external to the relationship of human being to God from the Foreword This easy to read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous AA and other recovery resources With clarity and passion Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience strength and hope of AA He draws on Jewish resources theological psychological and ethical that speak to the spiritual dimension of the disease and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps Along the way he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path and stay on it **For Every Fear a Promise** Dr. Brad Hicks, 2012-12-14 Real people face real fears Dr Hicks inspires you to discover that God has designed a way to help you cope with the fears in your life There are many statements in Scripture that either explicitly or implicitly teach us not to fear What you may not have discovered is that for every one of those there is a promise from God to help you overcome the fear With each devotional you will find a fear not and a promise from Scripture As you discover and appropriate those promises your fears should begin to subside You will find yourself identifying with the stories that illustrate Bible truths about fear be encouraged as you discover a blend of the spiritual and the therapeutic in coping with fear and confront your personal fears and discover God's overcoming promises through each Scripture rich life applied devotional
