5.5 STRUCTURES

There's a reason we often say "no" to a project: the amount of work involved is enormous. The previous issue of the book was a party, so they didn't build the whole model structure. In this issue, I will build the structure of the model. This is a lot of work, but it's also a lot of fun. The structure of the kit is not fully finished. I want to show you a structure that is ready to be used as a guide to build the model. The structure is not finished, but it is a good start. I will show you the structure of the model. I will show you the structure of the model. I will show you the structure of the model.

The structure of the fuselage is not finished. It is a good start, but it is not finished. I will show you the structure of the model. I will show you the structure of the model. I will show you the structure of the model.
