Bonhoeffer Bonhoeffer:

Life Together Dietrich Bonhoeffer, 1978-10-25 After his martyrdom at the hands of the Gestapo in 1945 Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world His Letters and Papers from Prison became a prized testimony to Christian faith and courage read by thousands Now in Life Together we have Pastor Bonhoeffer's experience of Christian community This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters It gives practical advice on how life together in Christ can be sustained in families and groups The role of personal prayer worship in common everyday work and Christian service is treated in simple almost biblical words Life Together is bread for all who are hungry for the real life of Christian fellowship Bonhoeffer John Queripel, 2016-01-17

In the final days of World War II early one frosty morning a young German pastor was taken from his cell by his Nazi captors and led to his place of execution Coming from one of Berlin's leading families Dietrich Bonhoeffer's already brilliant academic and church career was thus brutally terminated Bonhoeffer found himself in such a strange place for a theologian being one of the very few in the German Church who stood resolutely opposed to the Nazis to the point where he as a one time pacifist became deeply involved in the conspiratorial plot to kill Hitler and bring down the regime This course of action saw him enter the murky sphere of secrecy and duplicity as a member of the conspiracy while two timing the Nazis as a member of military intelligence Using that official role Bonhoeffer was able to travel and communicate with his international ecumenical contacts as part of the conspiracy's attempt to strike a deal with the Allies to end the war From a dark period Dietrich Bonhoeffer brave and resolute stands as a bright and shining light **Bonhoeffer** Petra Brown, 2019-01-04

Theologian Conspirator Martyr Saint Dietrich Bonhoeffer was killed in the waning days of World War II having been implicated in the July 20th assassination attempt on Hitler Since his death Bonhoeffer's life and writings have inspired contradictory responses He is often seen as a model for Christian pacifist resistance and more recently for violent direct political action Bonhoeffer's name has been invoked by violent anti abortion protestors as well as political leaders calling for support on a war on terror in the aftermath of 9 11 Petra Brown critically analyses Bonhoeffer's writing preceding and during his conspiracy involvement particularly his recurring concept of the extraordinary Brown examines this idea in light of the state of exception a concept coined by the one time Nazi jurist and political theorist Carl Schmitt She also draws on the existentialist philosopher S ren Kierkegaard to consider what happens when discipleship is understood as obedience to a divine command This book aims to complicate an unreflective admiration of Bonhoeffer's decision for conspiracy and draws attention to the potentially dangerous implications of his emerging political theology *A Testament to Freedom* Dietrich Bonhoeffer, 1990 Dietrich Bonhoeffer was just thirty nine years old when he was executed by the Nazis in 1945 yet his influence on Christian theology and life has been enormous A testament to freedom takes readers along a biographical historical journey that follows Bonhoeffer through the various stages of his life and career including his final years in the

underground resistance against the Nazi government and his subsequent martyrdom This book features previously untranslated writings sermons and selections from his letters spanning his entire pastoral theological career including his prison letters **Bonhoeffer** Eric Metaxas,2010 **The Oxford Handbook of Dietrich Bonhoeffer** Michael Mawson,Philip G. Ziegler,2019 This Handbook offers an overview of Dietrich Bonhoeffer s 1906 1945 biography and intellectual context his contributions to all areas of doctrinal theology ethics and public life the significance of his thought for some contemporary issues and debates and an evaluation of some existing resources for studying Bonhoeffer

Bonhoeffer for Armchair Theologians Stephen R. Haynes,Lori Brandt Hale,2009-01-01 This latest volume in the ever popular WJK Armchair series turns its sights on contemporary theologian Dietrich Bonhoeffer 1906 1945 Born in Breslau Germany Bonhoeffer led quite an intriguing life This book with dozens of illustrations by artist Ron Hill highlights Bonhoeffer s background and theological education his time at Union Seminary in New York City his involvement in the resistance movement against Adolf Hitler and his participation in the plot to assassinate Hitler Bonhoeffer was imprisoned by the Nazis who hanged him in 1945 but thankfully his ideas did not die with him His life and thought continue to have an enduring impact on Christianity today **Bonhoeffer for the Church** Matthew D. Kirkpatrick,2024-04-09 Dietrich Bonhoeffer is one of the most widely read Christian writers of the twentieth century Although his work has been influential among academics his widest readership has always been the church Each Sunday Bonhoeffer s writings are referenced in sermons and study groups around the world And yet no systematic introduction to Bonhoeffer exists for this audience In **Bonhoeffer for the Church** Matthew Kirkpatrick corrects this omission Structured around topics such as preaching worship sacraments prayer pastoral care confession evangelism and apologetics Bonhoeffer for the Church offers an accessible but comprehensive introduction to Bonhoeffer s life and thought for those in ministry or interested in understanding their life in community better In making Bonhoeffer accessible for the church Kirkpatrick also reveals Bonhoeffer s astonishing message to the church Despite his well known conflicts with the churches and church leaders of his time the church remained for Bonhoeffer the foundation for God s redeeming activity to the world and in individual lives Drawing on the full range of his writings including his less well known sermons diaries and letters Bonhoeffer for the Church presents this astonishing vision and shows how Bonhoeffer can revitalize and inspire the life and ministry of the church and our individual relationships For those who struggle in their ministry doubt the relevance of the church or who simply need to be reenergized in their relationships with other Christians Bonhoeffer for the Church offers a crucially important message **Bonhoeffer** Eric Metaxas,2011-08-29 Who better to face the greatest evil of the 20th century than a humble man of faith As Adolf Hitler and the Nazis seduced a nation bullied a continent and attempted to exterminate the Jews of Europe a small number of dissidents and saboteurs worked to dismantle the Third Reich from the inside One of these was Dietrich Bonhoeffer a pastor and author In this New York Times bestselling biography Eric Metaxas takes both strands of Bonhoeffer s life the theologian and the spy

and draws them together to tell a searing story of incredible moral courage in the face of monstrous evil In Bonhoeffer Metaxas presents the fullest account of Bonhoeffer's life including his heart wrenching decision to leave the safe haven of America to return to Hitler's Germany involvement in the famous Valkyrie plot and in Operation 7 the effort to smuggle Jews into neutral Switzerland lifelong dedication to sharing the tenets of his faith This edition revised and with a new introduction from the author shares the deeply moving story through previously unavailable documents including personal letters detailed journal entries and firsthand personal accounts to reveal never before seen dimensions of Bonhoeffer's life and work Praise for Bonhoeffer Metaxas has created a biography of uncommon power intelligent moving well researched vividly written and rich in implication for our own lives Or to put it another way Buy this book Read it Then buy another copy and give it to a person you love It's that good Archbishop Charles Chaput author First Things Metaxas tells Bonhoeffer's story with passion and theological sophistication Wall Street Journal Metaxas presents Bonhoeffer as a clear headed deeply convicted Christian who submitted to no one and nothing except God and his Word Christianity Today Metaxas has written a book that adds a new dimension to World War II a new understanding of how evil can seize the soul of a nation and a man of faith can confront it Thomas Fleming author The New Dealers War Dietrich Bonhoeffer Eberhard Bethge, 2000-02-18 At a time when much of the world was either enticed with or entrapped by fascism Dietrich Bonhoeffer dared to live the morally responsible Christian life to its most expressive and tragic end As a theologically rooted opponent to National Socialism and later as a member of the political resistance against Nazism Bonhoeffer was recognized as a leader even by his enemies and was hanged by the Gestapo in 1945 His legacy has inspired many and has demonstrated his landmark life and works to be among the most important of the twentieth century and the most relevant for our times ahead This celebrated biography of Dietrich Bonhoeffer by Eberhard Bethge Bonhoeffer's friend pupil close associate and relative by marriage has been fully reviewed corrected and clarified by leading Bonhoeffer scholar Victoria Barnett for this new edition of the classic and definitive work With previous sections updated and expanded and entirely new sections on Bonhoeffer's childhood never before seen in English this edition is sure to be the most accurate and inspiring textual rendering of Bonhoeffer to date **The Scientific World of Karl-Friedrich Bonhoeffer** Kathleen L. Housley, 2018-09-05 In twentieth century Germany Karl Friedrich Bonhoeffer rose to prominence as a brilliant physical chemist even as several of his relatives Dietrich Bonhoeffer among them became involved in the resistance to Hitler leading to their executions This book traces the entanglement of science religion and politics in the Third Reich and in the lives of Karl Friedrich his family and his colleagues including Fritz Haber and Werner Heisenberg Nominated for the Nobel Prize Karl Friedrich was an expert on heavy water a component of the atomic bomb During the war he was caught in the middle between relatives who were trying to kill Hitler and friends who were helping Hitler build a nuclear weapon Karl Friedrich emerges as a complex figure an agnostic whose brother was a renowned theologian and a chemist who both reluctantly advised German nuclear scientists and collaborated with Paul

Rosbaud a spy for the British Illuminating the uneasy position of science in twentieth century Germany The Scientific World of Karl Friedrich Bonhoeffer is the story of a man in love with chemistry his family and his nation trying to do right by all of them in the midst of chaos Dietrich Bonhoeffer's Prison Poems Dietrich Bonhoeffer,2005 From his prison cell where he awaited execution for conspiring to assassinate Adolf Hitler Bonhoeffer wrote 10 powerful poems charged with white hot emotions and disarming candor of a man who lived and ultimately died by the truth **Bonhoeffer: A Guide for the Perplexed** Joel Lawrence,2010-03-04 Joel Lawrence offers a new methodology and a fresh perspective in this book making it a concise guide to one of the most remarkable martyrs and theologians of the 20th century *Letters and Papers from Prison* Dietrich Bonhoeffer,2011-05-10 One of the great classics of prison literature Letters and Papers from Prison effectively serves as the last will and testament of the Lutheran theologian Dietrich Bonhoeffer Dietrich Bonhoeffer was a young German pastor who was executed by the Nazis in 1945 for his part in the officers plot to assassinate Adolf Hitler This expanded version of Letters and Papers from Prison shifts the emphasis of earlier editions of Bonhoeffer s theological reflections to the private sphere of his life His letters appear in greater detail and show his daily concerns Letters from Bonhoeffer s parents siblings and other relatives have also been added in addition to previously inaccessible letters and legal papers referring to his trial Acute and subtle warm and perceptive yet also profoundly moving the documents collectively tell a very human story of loss of courage and of hope Bonhoeffer s story seems as vitally relevant as politically prophetic and as theologically significant today as it did yesterday **Seize the Day -- with Dietrich Bonhoeffer** Charles Ringma,2014-02-27 This devotional of 365 meditations by theologian and martyr Dietrich Bonhoeffer helps you see that it is possible to impact that world if we allow ourselves to be transformed into the likeness of Christ Experience the power of Bonhoeffer s words in a way that challenges you to live out your discipleship daily combining personal spirituality with an active concern for those around you Dietrich Bonhoeffer's Letters and Papers from Prison Martin E. Marty,2020-02-25 For facination influence inspiration and controversy Dietrich Bonhoeffer s Letters and Papers from Prison is unmatched by any other book of Christian reflection written in the twentieth century A Lutheran pastor and theologian Bonhoeffer spent two years in Nazi prisons before being executed at age thirty nine for his role in the plot to kill Hitler Ever since it was published in 1951 Letters and Papers from Prison has had a tremendous impact on Christian and secular thought and has helped establish Bonhoeffer s reputation as one of the most important Protestant thinkers of the twentieth century In this the first history of the book s remarkable global career writer Martin Marty tells how and why Letters and Papers from Prison has been read and used in such dramatically different ways from the Cold War to today The Doubled Life of Dietrich Bonhoeffer Diane Reynolds,2016-01-01 Few twentieth century theologians have had a bigger impact on theology than Dietrich Bonhoeffer a man who lived his faith and died at the hands of the Nazis For Bonhoeffer the theological was the personal life and faith were deeply intertwined and to this day the world is inspired by that witness Yet the true story of the

women in this remarkable man's life has until now been obscured by a conventional narrative that has distorted their role. Using primary sources written by the women in his life and even including the first ever photo of alleged first fiancée Elisabeth Zinn, this book sees these women fully for the first time. A highly readable but scholarly work of narrative nonfiction, *The Doubled Life of Dietrich Bonhoeffer* places Bonhoeffer's theology of love and sexuality within the context of his struggles with women, friendship and the evils of Nazi Germany.

The Wisdom and Witness of Dietrich Bonhoeffer Dietrich Bonhoeffer, Wayne Whitson Floyd, 2000-06-06 At a time when much of the world was either enticed with or entrapped by fascism, Dietrich Bonhoeffer dared to live the morally responsible Christian life to a most expressive and in his case tragic end. His legacy has inspired many and it demonstrates his life and works to be among the most important of the twentieth century. Forged during his struggle against Nazism, Bonhoeffer's striking notions of religionless Christianity, i.e. costly grace, direct religious engagement with political forces and his own martyrdom still speak directly to the situations faced by the Christians and Christianity of today. His key insights combined with Floyd's meditations which address meaning and significance for today are powerfully presented here in fifty key passages grouped into eight areas of Bonhoeffer's concern: church, world, discipleship, politics, love, Christ, creation and the future.

The Doubled Life of Dietrich Bonhoeffer Diane Reynolds, 2016-03-11 Few twentieth century theologians have had a bigger impact on theology than Dietrich Bonhoeffer, a man who lived his faith and died at the hands of the Nazis. For Bonhoeffer, the theological was the personal life and faith deeply intertwined and to this day the world is inspired by that witness. Yet the true story of the women in this remarkable man's life has until now been obscured by a conventional narrative that has distorted their role. Using primary source material by the women and even including the first ever photo of alleged first fiancée Elisabeth Zinn, this book sees these women fully for the first time. A highly readable but scholarly work of narrative nonfiction, *The Doubled Life* places Bonhoeffer's theology of love and sexuality within the context of his struggles with women, friendship and the evils of Nazi Germany.

Taking Stock of Bonhoeffer Revd Dr Stephen Plant, 2014-03-28 Bonhoeffer's theology continues to prove richly fruitful in the 21st century. This book gathers together Stephen Plant's scholarly engagement with Bonhoeffer's life and theology over two decades. This collection makes accessible a distinctive perspective on Bonhoeffer's theology in particular on the key themes of biblical hermeneutics, ethics and the intimate connections Bonhoeffer discerns between them.
