Robert Rankin

The Witches Of Chiswick By Robert Rankin:

The Witches of Chiswick Robert Rankin, 2011-06-16 We have all been lied to A great and sinister conspiracy exists to keep us from uncovering the truth about our past Have you ever wondered how Victorians dreamed up all that fantastic futuristic fiction Did it ever occur to you that it might just have been based upon fact That THE WAR OF THE WORLDS was a true account of real events That Captain Nemo s Nautilus even now lies rusting at the bottom of the North Sea That there really was an invisible man And what about the other stuff Did you know that Queen Victoria had a sexual relationship with Dr Watson Or that the elephant man was a product of an E T human hybridisation programme Or that Jack the Ripper was a terminator robot sent from the future Read on and learn how a cabal of Victorian Witches from the Chiswick Townswomen s Guild working with advanced Babbage super computers rewrote 19th Century history and how a 23rd Century boy called Will Starling uncovered the truth about everything

Necrophenia Robert Rankin, 2008 Private eyes glamorous dames ukulele maestros a lost city of gold and millions and millions of zombies It can only be a Robert Rankin novel [Encyclopedia of Fantasy and Horror Fiction](#) Don D'Amassa, 2014-05-14 Encyclopedia of Fantasy and Horror Fiction provides comprehensive coverage of the major authors and works in these popular genres Each entry includes a brief discussion of the author s life and work and includes a full bibliography Each entry on

Retromancer Robert Rankin, 2010-01-13 There is big and evil magic abroad upon the face of the Earth History has been changed The Germans have won WWII America is a nuclear wasteland And worst of all the breakfast menu at The Wife s Legs Caf in Brentford is serving Bratwurst rather than the proper big boys British banger Something is Not Right And when the world s all wrong and it needs setting right who re you gonna call Hugo Rune that s who A man who offers the world his genius and asks only in return that the world cover his expenses And so with the aid of his faithful acolyte and companion Rizla the guru s guru also known as the hokus bloke the Lad Himself and the Retromancer sets out to rewrite history the way it should be Together they return to war torn London to solve the twelve cosmic conundra based on Hugo Rune s personal tarot deck each one leading them closer to a final terrifying confrontation They must match their wits against beautiful spies advanced alien technology killer robots and death rays do battle with an ancient god and come face to face once more with Hugo Rune s arch enemy the sinister Count Otto Black all the while finding time to drink ale talk the toot and dine out in some of London s swankiest eateries Without ever paying the bill

The Publishers Weekly , 2005

Oscar Wilde as a Character in Victorian Fiction A. Kingston, 2007-12-25 This book documents how Oscar Wilde was appropriated as a fictional character by no less than thirty two of his contemporaries including such celebrated writers as Joseph Conrad Arthur Conan Doyle Henry James George Bernard Shaw and Bram Stoker [The](#)

Educated Ape and Other Wonders of the Worlds Robert Rankin, 2012-11-15 An epic in four movements this is the third book in Robert Rankin's highly acclaimed meta Victorian series Comparable to Pratchett or Douglas Adams the Father of Far Fetched Fiction has pulled out all of the stops with this riotous tale of wicked women a dangerous detective and Darwin the educated ape Lord Brentford has a dream To create a Grand Exposition that will showcase The Wonders of the Worlds and encourage peace between the inhabited planets of Venus Jupiter and Earth Ernest Rutherford has a dream To construct a time ship powered by the large hadron collider he has built beneath the streets of London Cameron Bell is England's greatest detective and he too has a dream To solve the crime of the century before it takes place without blowing up any more of London's landmarks Darwin is a monkey butler and he also has a dream To end Man's inhumanity to Monkey and bring a little joy into the world Lavinia Dharkstorm has a dream of her own Although hers is more of a nightmare To erase Man and Monkey alike from the face of the Earth and to hasten in the End of Days Then there is the crime fighting superlady all those chickens from the past and the unwelcome arrival of The Antichrist Things are looking rather grim on planet Earth *The Mammoth Book of Best New Horror* Stephen Jones, Ramsey Campbell, 2004 Library Journal, 2004 The Toyminator Robert Rankin, 2011-06-02 Somewhere over the rainbow and just off the Yellow Brick Road stands Toy City formerly known as Toy Town And things are not going well for the city's inhabitants There have been outbreaks of STC Spontaneous Toy Combustion and there are strange signs and portents in the Heavens Preachers of Toy City's many religions are predicting that the End Times are approaching and that a Toy City Apocalypse will soon come to pass But can this possibly be true or is there a simple explanation an alien invasion for instance With the body count rising and the forces of law and order baffled it is the time for a hero to step forward and attempt to save the day Well two heroes actually Eddie Bear Toy City Private Eye and his loyal sidekick Jack our courageous twosome are about to face their biggest challenge yet to save not only toykind but the world of mankind too Which should keep them out of the pub for a while *The Brightonomicon* Robert Rankin, 2005 Teenager Rizla takes his girlfriend to Brighton for a weekend but instead of a romantic outing he almost drowns and is rescued by Dr Hugo Rune who asks Rizla to help him solve a series of mysteries based on the Brighton Zodiac The Brightonomicon Robert Rankin, 2011-06-16 Our teenage hero having been thrown from Brighton Pier by the leader of The Canvey Island Mod Squad narrowly escapes drowning thanks to the Perfect Master Cosmic Dick and self-styled Logos of the Aeon not to mention the reinventer of the Ocarina Hugo Rune Himself Our hero has lost his memory and in desperation agrees to join The Lad Himself in the solving of twelve cases based upon The Brightonomicon the new zodiac signs formed by the alignment of Brighton streets and discovered by Rune carriageway constellations And together they must find the Chronovision before it falls into the wrong hands and affords ultimate power to the would be world dictator And this being an adventure most exciting they must find it before the sinister Count Otto Black would be World Dictator and all round bad guy Or the whole world will all go to pot Knees Up Mother Earth Robert Rankin, 2004 There's big trouble in little Brentford

Property developers are planning to destroy the borough's beloved football ground and build executive homes on the site. Shock Outrage Horror Something must be done to halt this iconoclasm. The lads of The Flying Swan Brentford's most celebrated drinking house take up the challenge. Norman the corner shopkeeper has some ideas. He's recently discovered a Victorian computer which holds the plans to the secret super technology of a bygone age. And Archroy Brentford's lone yachtsman and explorer has just returned from his seventh voyage bringing with him the fabled Golden Fleece. There's Jim Pooley and John O'mally unemployed batchelors of this parish. And that Victorian time traveller who's crash landed on the allotments. Surely with all these stalwarts working for the cause Brentford's football ground can be saved. Would it were so but this is Brentford and ancient forces of evil are forever stirring in the borough. Old Testament terrors Lovecraftian loathsomes and beasties from the bottomless pit. And if the team make it through to the final it's going to be a match that no one will forget. What with the fate of mankind hanging upon the result. And everything. In this the first ever Book of Brentford which is also the second book in The Witches of Chiswick trilogy the Father of Far Fetched Fiction spins an epic yarn which will no doubt become a modern classic.

Book Review Index Cumulation Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests. The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool. Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year.

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004

The Mechanical Messiah and Other Marvels of the Modern Age Robert Rankin, 2011-09-15 Colonel Katterfelto has lately returned to London. He departed America under something of a cloud of smoke issuing from his Spiritual Laboratory which the townsfolk of Wormcast Arizona marched upon with their flaming torches. This catastrophic conflagration caused considerable concern to the pious colonel who had been engaged in the creation of Heaven's last and best gift to Mankind. The Mechanical Messiah. And he was after all being guided in this Great Work by holy angels communicating to him through his monkey butler Darwin. It is 1897 twelve years since The War of the Worlds and two since Worlds War Two. The British Empire encompasses Mars and an uneasy peace exists between the peoples of Venus Jupiter and Earth. In London there are many marvels of the modern age to be experienced. Amongst these is The Electric Alhambra Music Hall where crowds thrill to The Earl Grey Whistle Test a musical extravaganza featuring such top turns as Hayward's Acrobatic Kiwis The Travelling Formbys and the newly arrived Colonel Katterfelto's Clockwork Minstrels. But all is far from well in old Whitechapel where a monster is once more abroad in the night time streets committing hideous acts of murder. Can this be the return of Jack the Ripper or has something altogether unearthly materialised to spread fear panic and mayhem. Something Hellishly evil. Famed consulting detective Cameron Bell is already

on the case but it may take nothing less than the New Messiah Himself to save London The Empire and all of the solar system from the impending apocalypse Stark raving genius Observer See *The Japanese Devil Fish Girl and other Unnatural Attractions* *The Hollow Chocolate Bunnies of the Apocalypse* Robert Rankin,2011-06-16 A hilarious comic fantasy from the bestselling cult creator of the Brentford Triangle Trilogy Once upon a time Jack set out to find his fortune in the big city But the big city is Toy City formerly known as Toy Town and it has grown considerably since the good old days and isn't all that jolly any more And there is a serial killer loose on the streets The old rich nursery rhyme characters are being slaughtered one by one and the Toy City police are getting nowhere in their investigations Meanwhile Private Eye Bill Winkie has gone missing leaving behind his sidekick Eddie Bear to take care of things Eddie may be a battered teddy with an identity crisis but someone's got to stop the killer When he teams up with Jack the two are ready for the challenge Not to mention the heavy drinking bad behaviour car chases gratuitous sex and violence toy fetishism and all round grossness along the way It's going to be an epic adventure *Necrophenia* Robert Rankin,2008-12-01 ONE IN EVERY THREE PEOPLE LIVING IS ACTUALLY DEAD It is a matter of historical record that during the latter part of World War II England's top secret Ministry of Serendipity enlisted the services of arch magician Aleister Crowley to create a Homunculus Why Well that's a long story spanning almost seven decades as it follows the life and career of Tyler rock star private eye and notable for the fact that he almost saved Mankind The cast of millions also includes ukulele maestro George Formby Mick Jagger Mama Cass Elvis Presley and Lazlo Woodbine And Tyler's brother Andy who impersonates animals and who single handedly brought about the Swinging Sixties And a lady named Clara from Croydon who unlocked the meta phenomena of the Multiverse And a corner shopkeeper from Brentford who created a sitting room for God And a great many living dead Oh yes and it also involves a monster in human form whose intention it is to turn the Earth into a Necrosphere a planet totally devoid of life

The Japanese Devil Fish Girl and Other Unnatural Attractions Robert Rankin,2010-09-09 The pickled Martian's tentacles are fraying at the ends and Professor Coffin's Most Meritorious Unnatural Attraction the remains of the original alien autopsy performed by Sir Frederick Treves at the London Hospital is no longer drawing the crowds It's 1895 nearly a decade since Mars invaded Earth chronicled by H G Wells in *THE WAR OF THE WORLDS* Wrecked Martian spaceships back engineered by Charles Babbage and Nikola Tesla have carried the Queen's Own Electric Fusiliers to the red planet and Mars is now part of the ever expanding British Empire The less than scrupulous sideshow proprietor likes Offworlders' cash so he needs a sensational new attraction Word has reached him of the Japanese Devil Fish Girl nothing quite like her has ever existed before But Professor Coffin's quest to possess the ultimate showman's exhibit is about to cause considerable friction amongst the folk of other planets Sufficient in fact to spark off Worlds War Two

Adopting the Track of Term: An Mental Symphony within **The Witches Of Chiswick By Robert Rankin**

In a world taken by screens and the ceaseless chatter of fast conversation, the melodic splendor and emotional symphony produced by the prepared term frequently disappear into the background, eclipsed by the persistent noise and disturbances that permeate our lives. However, set within the pages of **The Witches Of Chiswick By Robert Rankin** a charming literary value brimming with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, this fascinating masterpiece conducts visitors on an emotional trip, well unraveling the hidden songs and profound impact resonating within each cautiously constructed phrase. Within the depths of the poignant review, we will explore the book is key harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
