Wurmbrand Voice of the Martyr,2020-11-15 On February 29 1948 Richard Wurmbrand was arrested by the secret police His crime Leading Christian worship and witnessing both of which were illegal under Romania s atheistic Communist regime Because of Richard s faithfulness to Christ he endured 14 years of prison and torture while his wife Sabina suffered three years in a labor camp In spite of these hardships Richard and Sabina had an unshakeable faith in Christ Wurmbrand explores the inspiring lives of Richard and Sabina Wurmbrand combining their complete stories into a single volume for the first time Your faith will be inspired as you go deep inside the darkest prison cells to see how the light of Christ continues to shine from the hearts of those totally committed to Him **Wurmbrand** The Voice The Voice of the Martyrs,2018-03 This biography explores the inspiring lives of Richard and Sabina Wurmbrand telling the complete story in one volume for the first time Tortured for Christ Richard Wurmbrand,1993 *The Interrogation of Nikolai Berdyaev* Frederick D. Facka,2022-12-29 Who among us can know when good and evil will meet What if they met but with you in the middle Are you prepared if your destiny is to take a stand Will you pass the primordial test Will you even have the discretion and discernment to recognize the test How differently would you act if your own life or the lives of your loved ones were in the balance What reservoir do you have or would you draw from to prevail Is your reservoir barren What tools or weapons would you skillfully wield Could you even speak in your own defense Could you rebut any fallacies hurled against you Could you sow

doubt between your accusers and divide them What ideals would you hold true Could you withstand the scrutiny of what you know to be true Could you be at peace with the consequences of your actions At a point in time one hundred years ago during one of the darkest periods of humanity known as the Red Terror in Moscow Russia as part of the Bolshevik Revolution such a confluence of evil took place This book is an adaptation of a rare and overlooked point in history at a flashpoint where real men and real circumstances came together the outcome of which we know What we don't know is how it happened how it went down or what was said The author takes you the reader on a roller coaster of emotions in this spiritual thriller using the literary technique of historical fiction based upon real events and documented history of the time The author leads the reader to examine themselves through the lens of Nikolai Berdyaev Berdyaev puts on the armor of God in the face of evil He heroically wields logic reason faith and truth during his primordial test Will he prevail Will he defend himself and ultimately humanity at the flashpoint Will his example lead us today to drop our own preconceptions and prejudices against one another Can his example show us the way to reconciliation and peace Put on your spiritual armor *With God in Solitary Confinement* Richard Wurmbrand, 2023-02 Pastor Richard Wurmbrand committed to memory sermons that he composed while in solitary confinement in Communist Romania These sermons are glimpses into the thoughts and feelings of those who are imprisoned and tortured for their Christian faith **Tortured for Christ** Richard Wurmbrand, 1967 *Man's Will Versus God's Will* Advocate James Clark, 2013-10-01 Man's demise has always been situated predominantly in the fact that he does not want to abide in God's Will Man wants to do and achieve everything on his own steam and energy This book shows man's weaknesses and reveals to man the way back into God's Will including the results of such a dedicated life In this book it is also then downplayed against the life beyond God's Will with the consequences of such a life **Realities of a True Christian** Jeremy B. Strang, 2013-08 Realities of a True Christian encourages professing Christians of all ages to walk in godliness humility of heart holiness and piety in life Many people will come professing Jesus Christ at the final hour but many will be cast off forever With such pressing truths upon the professing believer author Jeremy Strang calls for personal examination and continual sanctification deep within one's soul Jeremy's clarion call brings to light realities of Christian conversion and the resulting affects of Christ's work of grace in the true believer Whether you desire to grow in your walk with Christ or to simply learn more about the realities of biblical Christianity this book is for you No grey areas No fiction No superficiality All proceeds benefit Gospel for Asia Who knows the true depth of their sin against God I am thankful to God that I can earnestly say I stand in a heap of sin so insurmountable that if it were not for the grace of Jesus Christ and His propitiation I would forever be undone by my atrocities against the Lord my God Endorsement Realities of a True Christian is a book in the line of many others that have come out recently that give a clarion call to the professing church with the message of true salvation Many a church member will do well to test their lives according to some of these things written May our Christian lives excel in the area of piety by the careful reading of this needful book Greg Gordon founder of

SermonIndex net The Silencing of the Lambs Michael L. Brown, 2022 Conservative Christians in the United States today are feeling the fire thrown at them by liberal influencers who are pressuring Americans to pick up a left wing agenda and abandon biblical values Now is not the time for the church to stay quiet on the issues that will determine America's future This is the moment for the church to reject the left's muzzle and turn the tide for this nation Dust jacket flap **Imagining Persecution** Jason Bruner, 2021-03-12 Many American Christians believe they belong to the most persecuted religious community in the world This book provides a historical account of this way of imagining the world evaluating the evidence used to support it and reflecting upon its religious and political implications Global Visions of Violence Jason Bruner, David C. Kirkpatrick, 2022-12-09 In *Global Visions of Violence* the editors and contributors argue that violence creates a lens bridge and method for interdisciplinary collaboration that examines Christianity worldwide in the twentieth and twenty-first centuries By analyzing the myriad ways violence persecution and suffering impact Christians and the imagination of Christian identity globally this interdisciplinary volume integrates the perspectives of ethicists historians anthropologists and ethnographers to generate new conversations Taken together the chapters in this book challenge scholarship on Christian growth that has not accounted for violence while analyzing persecution narratives that can wield data toward partisan ends This allows *Global Visions of Violence* to push urgent conversations forward giving voice to projects that illuminate wide and often hidden landscapes that have been shaped by global visions of violence and seeking solutions that end violence and turn toward the pursuit of justice peace and human rights among suffering Christians *Lutherans and the Longest War* David E. Setz, 2007-01-01 With its unique theology yet simultaneous representation of the silent majority American Lutheranism provides a compelling case study for U.S. citizens and their attitudes toward war faith foreign policy religious institutions and communism from 1964 to 1975 This book demonstrates how Lutherans maintained a hostility toward communism the Soviet Union and the People's Republic of China while debating the threat of communist infiltrations into the United States and the Vietnam War all in the context of their denominations periodicals and congregations Persecution of Christians Worldwide United States. Congress. House. Committee on International Relations. Subcommittee on International Operations and Human Rights, 1996 **Dancing With The Devil** Kathleen Dryden, 2025-02-21 *Dancing With The Devil* is about the evil strategies Satan uses to capture the soul of a Christian and how his destructiveness infiltrates the government of a Christian nation When we let this enemy inside the temple of the Lord our heart and mind and into our government entities we will begin to live a life of deep sorrow and regret However regardless of his strategies he cannot enter those places where he doesn't belong unless we give him access through the choices we make that reject Christ's statutes To dance with the devil is to ignore scriptural wisdom willingly trading biblical truth for personal lust and power while still claiming to be a Christian attending church and influencing others especially tender hearts and innocent minds It is to flirt with an evil attitude and or participate in evil behavior Through my own personal experiences as well as those shared by close friends and family I have

come to realize how the sinful choices each of us makes contributes to our own demise and to the brokenness in our families which leads to a spiritually and physically broken nation Every Christian must choose to help reduce evil bring justice to the innocent and help turn people to Christ by using wisdom and understanding to make good choices Dancing With The Devil teaches Christians why it is important to let the Lord open the eyes of our heart so we can understand how that living in disobedience to His Word jeopardizes our soul and creates a world of evil evil that begins with the smallest intent of the heart and mind ends with the most wicked action and sets up our people and our nation for failure While we will never eradicate all the evil in the world we must believe that it exists and accurately define it Then we can judge and punish it taking warlike action against it when necessary minimizing its affect on humanity Those whose goal is eternity in heaven with Jesus must understand His character and His commands To live a life that contradicts His character and commands is to dance with the devil and endorse evil When we discover that we are caught in this bondage we must repent to repent is to stop then turn around and return to Jesus with all our heart letting Him redeem us When we renew our minds to conform to Jesus and His statutes and change our behavior then the Lord will hear our prayer and will heal our land *Job* Michael L. Brown, 2019-01-01 Just as there was no man on earth like Job there is no book on earth like the book of Job In this new commentary biblical scholar Michael Brown brings Job to life for the twenty first century reader exploring the raw spirituality of Job his extraordinary faith his friends theological errors the mysteries of God s speeches and the unique answers to the problem of suffering offered in the book of Job Undergirded by solid Hebrew scholarship but written with clarity for all serious students of Scripture the commentary provides an important introduction to the study of Job a new translation a series of theological reflections and additional exegetical essays providing in depth discussion of key passages Additional topics covered in the theological reflections include the following Challenging God as an Act of Faith How Would Job Comfort a Sufferer Who Was the Satan Job and Jesus Job and the New Atheists **Who Is a True Christian?** David W. Congdon, 2024-02-22 No true Christian could vote for Donald Trump Real Christians are pro life You can t be a Christian and support gay marriage Assertive statements like these not only reflect growing religious polarization but also express the anxiety over religious identity that pervades modern American Christianity To address this disquiet conservative Christians have sought security and stability whether by retrieving historic Christian doctrines reconceptualizing their faith as a distinct culture or reinforcing a political vision of what it means to be a follower of God in a corrupt world The result is a concerted effort Make Christianity Great Again a religious project predating the corresponding political effort to Make America Great Again Part intellectual history part nuanced argument for change this timely book explores why the question of what defines Christianity has become over the last century so damagingly vexatious and how believers might conceive of it differently in future
