Classified Karen Pittelman, Resource Generation, 2005-12-23 Use your advantage to fight for social change with this resource guide for people with class privilege who are tired of cover ups and ready to figure out how to use privilege for the good of the world The fight for economic justice can draw stark battle lines with the fight portrayed simplistically as Us versus Them with the rich in the role of Them So where does that leave young people with wealth who believe in social change Afraid of being branded the enemy yet deeply committed to social justice they're left in a confusing no man's land This conflict can lead most young people with wealth to keep their privilege hidden making it impossible for them to bring their resources access and connections to the struggle for social change Coauthored by Karen Pittelman who dissolved her 3 million trust fund to cofound a foundation for low income women activists *Classified* is a resource guide for people with class privilege who are tired of cover ups and ready to figure out how their privilege really works Complete with comics exercises and personal stories this book gives readers the tools they need to put their privilege to work for social change Forget Them Not Joanne M. Hemenway, 2010-07-09 To witness effectively and powerfully to Christian testimonies of care and compassion of justice and mercy of healing and wholeness it is necessary to foster awareness of the realities of the present system of retributive justice if there is to be any hope of transformation to a system of justice which is restorative *Forget Them Not* provides a history of the prison system as a means of punishment contrasting it with the relatively recent but growing practice of restorative justice Joanne Hemenway explores the concept of disconnection as radical evil as a

separation from God who is the source of our being and shows how our present approach to punishment fosters this evil The present system with its motif of retributive justice generates shame rejection and loneliness which stokes the fires of anger and rage This breeds deep disconnection which only serves to fuel further cycles of violence Hemenway presents three vignettes designed to help explore forgiveness in the context of both retributive and restorative justice To promote healing and connection Forget Them Not introduces compassionate witnessing in prison ministry as a way to develop awareness and empowerment

Pedagogues We Need to Know is an ambitious undertaking Kirylo s narrative enterprise which seeks to chronicle the lives of transformative pedagogues is a project whose time has come This text is an excellent resource for all those interested in the aesthetic that as Kierkegaard believed exercised power for the common good Luis Mir n

Baby, You are My Religion Marie Cartier,2014-09-11 Baby You Are My Religion argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all Baby You are My Religion explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff Baby You are My
