History of Literature in Canada Reingard M. Nischik, 2008 The development of literature in Canada with an eye to its multicultural multiethnic multilingual nature From modest colonial beginnings literature in Canada has arrived at the center stage of world literature Works by English Canadian writers both established writers such as Margaret Atwood and new talents such as Yann Martel make regular appearances on international bestseller lists French Canadian literature has also found its own voice in the North American and francophone worlds CanLit has likewise developed into a staple of academic interest pursued in Canadian Studies programs in Canada and around the world This volume draws on the expertise of scholars from Canada Germany Austria and France tracing Canadian literature from the indigenous oral tradition to the development of English Canadian and French Canadian literature since colonial times Conceiving of Canada as a single but multifaceted culture it accounts for specific characteristics of English and French Canadian literatures such as the vital role of the short story in English Canada or that of the chanson in French Canada Yet special attention is also paid to Aboriginal literature and to the pronounced transcultural ethnically diverse character of much contemporary Canadian literature thus moving clearly beyond the traditions of the two founding nations Contributors Reingard M Nischik Eva Gruber Iain M Higgins Guy Laflèche Dorothee Scholl Gwendolyn Davies Tracy Ware Fritz Peter Kirsch Julia Breibach Lorraine York Marta Dvorak Jerry Wasserman Ursula Mathis Moser Doris G Eibl Rolf Lohse Sherrill Grace Caroline Rosenthal Martin Kuester Nicholas Bradley Anne Nothof Georgiana Banita Gilles Dupuis and Andrea Oberhuber Reingard M Nischik is Professor of American Literature at the University of Constance Germany **Jimmy Dammit and**

Who-Has-Passed-The-Wind Martin Avery, 2011 *Clio's Lives* Doug Munro, John G. Reid, 2017-10-09 Including contributions from leading scholars in the field from both Australia and North America this collection explores diverse approaches to writing the lives of historians and ways of assessing the importance of doing so Beginning with the writing of autobiographies by historians the volume then turns to biographical studies both of historians whose writings were in some sense nation defining and those who may be regarded as having had a major influence on defining the discipline of history The final section explores elements of collective biography linking these to the formation of historical networks A concluding essay by Barbara Caine offers a critical appraisal of the study of historians biographies and autobiographies to date and maps out likely new directions for future work *Clio's Lives* is a very good scholarly collection that advances the study of autobiography and biography within the writing of history itself taking theoretical questions in significant new directions The contributors are well known and highly respected in the history profession and write with an insight and intellectual energy that will ensure the book has considerable impact They examine cutting edge issues about the writing of history at the personal level through autobiography and biography in diverse and innovative ways Together the writers have provided

reflective chapters that will be widely read for their impressive theoretical advances as well as being inspirational for new entrants to the disciplinary area Patricia Grimshaw University of Melbourne *Clio's Lives* brings together a most interesting and varied cast of contributors Its chapters contain sophisticated and well penned ruminations on the uses of biography and autobiography among historians These are clearly connected with the general themes of the volume This delightfully mixed bag makes very good reading and as well will serve as a substantial contribution to the study of the biography and autobiography Eric Richards Flinders University

Writing in Dust Jenny Kerber, 2011-03-17 *Writing in Dust* is the first sustained study of prairie Canadian literature from an ecocritical perspective Drawing on recent scholarship in environmental theory and criticism Jenny Kerber considers the ways in which prairie writers have negotiated processes of ecological and cultural change in the region from the early twentieth century to the present The book begins by proposing that current environmental problems in the prairie region can be understood by examining the longstanding tendency to describe its diverse terrain in dualistic terms either as an idyllic natural space or as an irredeemable wasteland It inquires into the sources of stories that naturalize ecological prosperity and hardship and investigates how such narratives have been deployed from the period of colonial settlement to the present It then considers the ways in which works by both canonical and more recent writers ranging from Robert Stead W O Mitchell and Margaret Laurence to Tim Lilburn Louise Halfe and Thomas King consistently challenge these dualistic landscape myths proposing alternatives for the development of more ecologically just and sustainable relationships among people and between humans and their physical environments *Writing in Dust* asserts that reading environmentally can help us to better understand a host of issues facing prairie inhabitants today including the environmental impacts of industrial agriculture resource extraction climate change shifting urban rural demographics the significance of Indigenous understandings of human nature relationships and the complex often contradictory meanings of eco cultural metaphors of alien invasiveness hybridity and wildness

[The Canadian Encyclopedia](#) James H. Marsh, 1999 This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert

Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Everyday Magic Laurie Ricou, 2011-11-01 Child language is a subject in which everyone is an expert All parents study their children s language carefully if undeliberately and every family has its precious memories of the unique verbal improvisations of childhood For writers who continually struggle with and revel in the mysteries of language the language of children holds a special attraction Everyday Magic looks at the way Canadian writers have written through as distinct from for or about children at the ways they have used child language and children s models of perception

to achieve various literary effects It describes how texts might be shaped by child usage and speculates that adult artists often find themselves surprised and informed by the child language they seek to create Ricou examines how the distinctive features of child language described by psycholinguists intersect with the written languages used by writers to suggest not only a child language but also the way a child sees and organizes an understanding of the world The book s subtitle putting the term child language into the plural points out that not one but many written interpretations of the child s perspectives are possible In order to emphasize this plurality and indicate that there are any number of child languages the author has organized his study as a series of closely related essays Each chapter considers the work of a Canadian author or authors with the book as a whole moving from the more conventional writers to those who step outside the bounds of convention Ricou proposes analogies with Wordsworth and Dylan Thomas Proust and Dickens but he finds his principal subject in the inherent interest of for example the Piagetian scheme that W O Mitchell seems to adopt in *Who Has Seen the Wind* the obsessions with similes in Ernest Buckler the variations on the Bildungsroman in Margaret Laurence and Alice Munro and the persistent experiments with presymbolic language in Bill Bissett For these and other writers such as Clark Blaise Emily Carr Dennis Lee Dorothy Livesay P K Page James Reaney and Miriam Waddington Ricou illuminates the particular literary languages appropriate to each author s subject The result is a fascinating and unique approach to Canadian literature

The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle *Rediscovering the Old Testament* It is a joyful journey of discovery finding new meaning in the Bible for our lives

Zen Writing Martin Avery, 2008-11-24 A book about

Zen meditation and writing by a Zen meditation instructor and award winning writer in the tradition of Zen In The Art Of Writing Wild Mind and The Artist s Way *Long Quiet Canadian Highway: Waking Up In Canada* Martin Avery, False Expectations Dale Eisler, University of Regina. Canadian Plains Research Center, 2006 Myth has played an important and ongoing role in the development of Saskatchewan s political economy First during the time of the National Policy Saskatchewan was portrayed to immigrants as a promised land This period served as the psychological and economic foundation for the province When belief in Saskatchewan as a promised land was shattered by the Great Depression and Dirty Thirties the myth was reconstituted through the inspiration of the social gospel It was then politically reinvigorated in the meaning of medicare and has been expressed in recent decades through the competing visions for economic development Through all these eras no matter what the tides of politics there remained one constant the singular collective idea that Saskatchewan was a special place with unrealized potential The challenge for the public dialogue of Saskatchewan as the province enters its second century is to not replay the mistakes of the past Saskatchewan people must recognize the role that myth has played and must continue to play in the life of the province But at the same time they must differentiate it from reality by understanding the power of myth as a force for progress and its potential to create false expectations **As for Sinclair Ross** David Stouck, 2005-01-01 Sinclair Ross 1908 1996 best known for his canonical novel *As for Me and My House* 1941 and for such familiar short stories as *The Lamp at Noon* and *The Painted Door* is an elusive figure in Canadian literature A master at portraying the hardships and harsh beauty of the Prairies during the Great Depression Ross nevertheless received only modest attention from the public during his lifetime His reluctance to give readings or interviews further contributed to this faint public perception of the man In *As for Sinclair Ross* David Stouck tells the story of a lonely childhood in rural Saskatchewan of a long and unrewarding career in a bank and of many failed attempts to be published and to find an audience The book also tells the story of a man who fell in love with both men and women and who wrote from a position outside any single definition of gender and sexuality Stouck s biography draws on archival records and on insights gathered during an acquaintance late in Ross s life to illuminate this difficult author describing in detail the struggles of a gifted artist living in an inhospitable time and place Stouck argues that when Ross was writing about prairie farmers and small towns he wanted his readers to see the kind of society they were creating to feel uncomfortable with religion as coercive rhetoric prejudices based on race and ethnicity and rigid notions of gender *As for Sinclair Ross* is the story of a remarkable writer whose works continue to challenge us and are rightly considered classics of Canadian literature

Unnamed Country Dick Harrison,1977 Americans have an idea of what the Great Plains did to the people who settled there but know little about the analogous process north of the 49th parallel or how it was reflected in fiction Dick Harrison s Unnamed Country fills this gap Harrison traces the varying literary responses to the Canadian prairies from the bewilderment of the first English speaking visitors who saw the country in essentially negative terms no wood no water down to the contemporary novelists who are employing sophisticated modern fictional techniques to reinterpret the whole experience from a new perspective Between these two ends of the literary continuum he finds the early writers of fiction too loaded down with what he calls excess cultural baggage brought from Britain or eastern Canada to see the country as it was the early twentieth century writers bemused by the myth of the garden who portrayed the prairies subdued and fruitful the prairie realists of the 1920s and 1930s akin to O E Rolvaag in their tragic view and their contemporaries the popular novelists who depicted the pioneering process in more affirmative tones
