Boko Haram: Between Myth and Reality N. I. O., N. I. O., D. L-B., D. L-B., 2013 This book about Nigeria and the nightmare it is currently facing was written by two people One of them lives in Nigeria and the other lives in the US The Nigerian writer lives in northern Nigeria so he she cannot dare use his her real name These two writers have chosen to break the silence risk their own safety and tell the story of the power of Boko Haram In the core Muslim states of Nigeria opinions are deeply divided about Boko Haram Some Muslim northerners have a grudging admiration for Boko Haram To this group of people the BH sect is a perfect solution to the scandalous corruption and maladministration afflicting the land Another group in the Muslim north sees BH as a disgrace to Islam This group believes that the members of BH are renegades who have gone against the teachings of the prophet Muhammad PBUH The way this group sees it the BH members are giving Islam a bad name because they are killing fellow Muslims and they are contributing to the poverty and lack of meaningful development in the north Is Boko Haram committed to the teachings of the prophet Muhammad PBUH or is it an organization of renegades Do these people have a mission or are they just misguided religious extremists Does Boko Haram have connections to Al Queda and Al Shabab in Sudan Can they actually win the battle against Nigerian security forces or will they be wiped out by the state These questions and many more need to be answered This is why the writers have chosen to speak out and publish this book There is a message here for the other Muslims living in northern Nigeria The good Muslims in Nigeria and other parts of the world can help by resisting those who are bent on demonizing Islam Speak out expose these bad people and the world will be a much better place for us all *The Boko Haram Reader* Abdulbasit Kassim, Michael Nwankpa, 2018-07-02 Since it erupted onto the world stage in 2009 people have asked what is Boko Haram and what does it stand for Is there a coherent vision or set of beliefs behind it Despite the growing literature about the group few if any attempts have been made to answer these questions even though Boko Haram is but the latest in a long line of millenarian Muslim reform groups to emerge in Northern Nigeria over the last two centuries The Boko Haram Reader offers an unprecedented collection of essential texts documents videos audio and nashids martial hymns translated into English from Hausa Arabic and Kanuri tracing the group s origins history and evolution Its editors two Nigerian scholars reveal how Boko Haram s leaders manipulate Islamic theology for the legitimisation radicalization indoctrination and dissemination of their ideas across West Africa Mandatory reading for anyone wishing to grasp the underpinnings of Boko Haram s insurgency particularly how the group strives to delegitimize its rivals and establish its beliefs as a dominant strand of Islamic thought in West Africa s religious marketplace **The Impact of Boko Haram on Church and Society in Nigeria** Longji Ayuba Dachal, 2018-01-23 Essay from the year 2015 in the subject Theology Practical Theology grade B language English abstract The activities of the Boko Haram sects in Nigeria have negatively affected the Nigerian society The socio economic political and religious aspects of the Nigerian society have a lot due to the activities of the Boko Haram sects especially in the

Understanding Boko Haram James J. Hentz, Hussein Solomon, 2017-05-08 The primary objective of this book is to understand the nature of

the Boko Haram insurgency in northeast Nigeria Boko Haram's goal of an Islamic Caliphate starting in the Borno State in the North East that will eventually cover the areas of the former Kanem Borno Empire is a rejection of the modern state system forced on it by the West The central theme of this volume examines the relationship between the failure of the state building project in Nigeria and the outbreak and nature of insurgency At the heart of the Boko Haram phenomenon is a country racked with cleavages making it hard for Nigeria to cohere as a modern state Part I introduces this theme and places the Boko Haram insurgency in a historical context There are however multiple cleavages in Nigeria ethnic regional cultural and religious and Part II examines the different state society dynamics fuelling the conflict Political grievances are common to every society however what gives Boko Haram the space to express such grievances through violence Importantly this volume demonstrates that the insurgency is in fact a reflection of the hollowness within Nigeria's overall security Part III looks at the responses to Boko Haram by Nigeria neighbouring states and external actors For Western actors Boko Haram is seen as part of the global war on terror and the fact that it has pledged allegiance to ISIS encourages this framing However as the chapters here discuss this is an over simplification of Boko Haram and the West needs to address the multiple dimension of Boko Haram This book will be of much interest to students of terrorism and political violence insurgencies African politics war and conflict studies and IR in general

F. Forest, Joint Special Operations University (U.S.), 2014-10-30 Assesses the threat Boko Haram poses to Nigeria and U S national security interests Boko Haram is largely a local phenomenon though one with strategic implications and must be understood and addressed within its local context and the long standing grievances that motivate terrorist activity To meet the security challenges posed by Boko Haram and others the author advocates the use of intelligence led policing and trust building between the government and citizenry Nongovernmental organizations and community actors which have legitimacy based on tribal or ethnic affiliations should also play a key role in a broad spectrum approach that addresses both the terrorist threat of Boko Haram and the root grievances of the communities in which they operate **The Hunt for Boko Haram**, 2014 **Spiraling Violence** Daniel Williams, Eric Guttschuss, 2012 Boko Haram an armed Islamic group whose professed aim is to rid Nigeria of its corrupt and abusive government and institute what it describes as religious purity has committed horrific crimes across northern and central Nigeria Since 2009 suspected members of the group have killed at least 1 500 people including police officers and other government security agents Christians and Muslims who cooperate with government authorities In the name of ending the group's threat to the country's citizens government security forces have killed hundreds of Boko Haram suspects and random members of communities where attacks have occurred Clashes between the group and security personnel and extra judicial killings by the police and military have raised the death toll of those killed by Boko Haram and the security forces to more than 2 800 people since 2009 Meanwhile hundreds of people have been arrested across the north many of them detained incommunicado without charge or trial for months or even years Based on field research in Nigeria in July 2010 and in May and July 2012 and the continuous monitoring of media reports of Boko Haram attacks and statements *Spiraling Violence* explores the crimes committed by the Islamic group and sheds light on the underreported role of Nigeria's security forces whose actions in response to the violence have contravened international human rights standards and fueled further attacks

Human Rights Watch's research suggests that crimes against humanity may have been committed both by state agents and members of Boko Haram. Nigeria's government has a responsibility to protect its citizens from violence but also to respect international human rights law related to the use of force by its security forces, the treatment of detainees, the prohibition of torture and due process standards. Nigerian authorities should prosecute without delay the perpetrators of crimes, whether members of Boko Haram or government security forces, and take meaningful measures to address corruption, poverty and other underlying factors that have created a fertile ground for violent militancy in Nigeria. "They Set the Classrooms on Fire" Mausi Segun, 2016. Boko Haram is one of the deadliest extremist armed groups in the world, killing an estimated 10,000 civilians in Nigeria since the group began its attacks in 2009. Back cover

"Those Terrible Weeks in Their Camp" Mausi Segun, Samer Muscati, Corinne Dufka, Rona Peligal, Clive Baldwin, Babatunde Olugboji, Liesl Gerntholtz, 2014. In April 2014, the Islamist group Boko Haram abducted 276 female students from a secondary school in Chibok, Borno State, in Nigeria's northeast. The group has abducted more than 500 women and girls from Borno, Yobe and Adamawa States since 2009. Based on field research in northeast Nigeria and Abuja, the capital city, including interviews with women and girls who escaped abduction or were freed from captivity, social workers, journalists, religious leaders, civil society workers, state and federal government officials and witnesses of abductions, *Those Weeks in Their Camp* documents how Boko Haram targets women and girls. The report highlights the harrowing experiences of some of the abducted women and girls, many of whom have endured physical and psychological abuse, forced conversions, coerced marriages, forced labor, sexual violence and rape. To ensure accountability, the report calls on Nigerian authorities to investigate and prosecute based on international fair trial standards those who committed serious crimes in violation of international law, including Boko Haram members of the security forces and pro-government vigilante groups. In addition, the government should provide adequate measures to protect schools and the right to education and ensure access to medical and mental health services to victims of the abduction and other violence. The government should also ensure that hospitals and clinics treating civilian victims of Boko Haram atrocities are equipped with medical supplies to treat survivors of sexual and gender-based violence.
