Bombs Ieds And Explosives Identification Investigation And Disposal Techniques:

Bombs, IEDs, and Explosives Paul R. Laska, 2015-08-10 A guide on procedures administration and equipment Bombs IEDs and Explosives Identification Investigation and Disposal Techniques introduces concepts basic knowledge and necessary skill sets for bomb technicians It covers topics such as training resources bomb threat and incident response legal aspects of bomb disposal explosives and **Anatomy of a Terrorist Organisation** Serhat A. Erkmen, Burak Güneş, 2025-04-04 This volume provides an in depth examination of the intricate web of one of the most controversial and multifaceted organisations in modern history This comprehensive volume presents a detailed examination of the Kurdistan Workers Party PKK tracing its evolution from a Marxist Leninist entity established during the Cold War to a global network operating under various guises across Turkey Syria Iran and Iraq The book presents a comprehensive analysis of the PKK's ideological evolution propaganda strategies and operational dynamics including the utilisation of child soldiers female militants and advanced tactics It is informed by contributions from leading experts in the field From the socio political repercussions of its actions to its role in regional geopolitics and international alliances this book offers an unparalleled examination of the PKK's influence and the lasting scars it has left on societies and economies It will be of interest to scholars policymakers and the general public alike as it promises to challenge existing understandings and broaden perspectives on terrorism radicalisation and global security FBI Law Enforcement Bulletin, 2007 *Police Investigation - Powers, Tactics and Techniques* V. Sithannan, 2014-01-10 Anchoring himself firmly on the ever contested space of Indian Law and Legal Processes and drawing substantive support from his rich and varied experience as a Law Enforcement Officer in the Police Department of Tamil Nadu India the author V Sithannan in presenting this scholarly work has sought to fulfill the legitimate requirements of Police Officers Advocates Judicial Officers Social Activists NGOs Gender Activists and the general public The Author's utopian ideal that no innocent person should be punished and no offender should go unpunished is the dominant message of the book For this purpose the Author has given a balanced treatment of the whole problem of crime and its investigation The book contains 27 Chapters and 4 Annexures For example the 1st Chapter deals with the origin growth and development of Military and Police and the succeeding chapters elaborate the structure powers and the duties of police the conduct of investigation the first information report the jurisdictional limitations of police dying declaration inquest search and seizure examination of witnesses arrest interrogation confession bail remand and custody test identification parade tender of pardon to approver letter rogatory extradition burden of proof and presumptions Police diaries final report further investigation and maintenance of Police records The comparative chart given to aid the Police Officers to conclude whether death is suicidal or homicidal or accidental in all forms of death that are encountered by the Police while conducting investigation will be of immense use with scientific accuracy Another Chart provided indicating the procedural steps starting from the collection of evidence through the final analysis of the whole crime and its commission

would surely empower the investigating officers with fool proof methods of investigation A most praise worthy feature of the book is its detailed discussion on the immature juveniles who are in conflict with law and the crimes against children and women The annexure to the book is of immense use as a ready reckoner especially annexure I and II by which a Police Officer may easily find whether a particular offence in any of the most frequently used special enactment is cognizable bailable etc The Author has fulfilled the needs of the investigating Officers in the epilogue by providing 47 points which may go against the prosecution and therefore has given 48 tips for the successful prosecution of a criminal case by a Police Officer Again in the spirit of an academic researcher the Author has given a catalogue of 724 Checklists in all the Chapters so that the readers would find the book highly informative to have a statutorily authorised answer to any doubt in a given situation in any of the investigative procedures The citation of 785 landmark judgements of various High Courts and the Supreme Court for the period 1965 2008 in the appropriate chapters is another outstanding feature of the book making it vade mecum for Police Officers Advocates Officers of Law and Courts and also for NGOs Social Activists and Persons of Public Interest
