## **Bondmen And Rebels A Study Of Master Slave Relations In Antigua:**

**Bondmen and Rebels**, 2009 DIV Originally published in 1985 and available for the first time in paperback **Bondmen Rebels** provides a pioneering study of slave resistance in the Americas Using the large scale Antigua slave conspiracy of 1736 as a window into that society David Barry Gaspar explores the deeper interactive character of the relation between slave resistance and white control div **Bondmen and Rebels** David Barry Gaspar, 1993-02-28 Originally published in 1985 and available for the first time in paperback **Bondmen Rebels** provides a pioneering study of slave resistance in the Americas Using the large scale Antigua slave conspiracy of 1736 as a window into that society David Barry Gaspar explores the deeper interactive character of the relation between slave resistance and white control **General History of the Carribean UNESCO Vol.3** NA NA, 2019-06-12 Volume 3 looks at various aspects of slave societies in the region from the seventeenth to the nineteenth centuries Throughout the tortuous history of the Caribbean nothing exceeded in fundamental importance the twin experiences of slavery and the plantation system the defining episodes of Caribbean social reality Topics addressed include European settler colonies the sugar revolutions forms of resistance the influence of creolization and religious beliefs and the place of the Maroon communities Knight also examines the internal and external forces that led to the eventual collapse of the Caribbean slave system *General History of the Caribbean* Knight, Franklin W., UNESCO, 1997-12-31 This volume the first one published begins with an overview of the slave trade African slavers and the demography of the Caribbean up to 1750 Scholars go on to study the demographic and social structure of the Caribbean slave societies in the 18 and 19 centuries their evolution and significance the social and political control in the slave society and forms of resistance and religious beliefs as well as Maroon communities in the circum Caribbean The phenomenon of pluralism and creolization is analysed The volume closes with a study of the distintegration of the Caribbean slave systems [Black Cosmopolitanism](#) Ifeoma Kiddoe Nwankwo, 2005-07-13 Through readings of slave narratives fiction poetry nonfiction newspaper editorials and government documents including texts by Frederick Douglass and freed West Indian slave Mary Prince Ifeoma Kiddoe Nwankwo explicates the growing interrelatedness of people of African descent through the Americas in the nineteenth century *The Many-Headed Hydra* Marcus Rediker, Peter Linebaugh, 2020-05-05 Long before the American Revolution and the Declaration of the Rights of Man a motely crew of sailors slaves pirates labourers market women and indentured servants had ideas about freedom and equality that would for ever change history *The Many Headed Hydra* recounts their stories in a sweeping history of the role of the dispossessed in the making of the modern world *The Trickster Comes West* Babacar M'baye, 2010-02-11 In the past scholars have looked at narratives of the African diaspora only to discover how these memoirs poems and fictions related to the West *The Trickster Comes West* Pan African Influence in Early Black Diasporan Narratives explores relationships among African American Afro Caribbean and Afro British narratives of slavery and of New World and British oppression and what African influences brought to these diasporic expressions Using an interdisciplinary method that

combines history literary theory cultural studies anthropology folklore and philosophy the book examines the work of Pan African trickster icons such as Leuk Rabbit Golo Monkey Bouki Hyena Mbe Tortoise and Anancy Spider on the resistance strategies of early black writers who were exposing the evils of slavery racism sexism economic exploitation and other forms of oppression Works discussed in this book include Phillis Wheatley s Poems on Various Subjects Religious and Moral 1773 Quobna Ottobah Cugoano s Thoughts and Sentiments on the Evil of Slavery 1787 Olaudah Equiano s The Interesting Narrative of the Life of Olaudah Equiano 1795 Elizabeth Hart Thwaites s History of Methodism 1804 Anne Hart Gilbert s History of Methodism 1804 and Mary Prince s The History of Mary Prince A West Indian Slave Related By Herself 1831 Analyzing these writings in the context of the black Atlantic struggle for freedom *The Trickster Comes West* relocates the beginnings of Pan Africanism and suggests the strong influence of its theories of communal resistance racial solidarity and economic development on pioneering black narratives *Arming Slaves* Christopher Leslie Brown, Philip D.

Morgan, 2008-10-01 *Arming slaves as soldiers* is a counterintuitive idea Yet throughout history in many varied societies slaveholders have entrusted slaves with the use of deadly force This book is the first to survey the practice broadly across space and time encompassing the cultures of classical Greece the early Islamic kingdoms of the Near East West and East Africa the British and French Caribbean the United States and Latin America To facilitate cross cultural comparisons each chapter addresses four crucial issues the social and cultural facts regarding the arming of slaves the experience of slave soldiers the ideological origins and consequences of equipping enslaved peoples for battle and the impact of the practice on the status of slaves and slavery itself What emerges from the book is a new historical understanding the arming of slaves is neither uncommon nor paradoxical but is instead both predictable and explicable ***Come Shouting to Zion*** Sylvia R.

Frey, Betty Wood, 2000-11-09 The conversion of African born slaves and their descendants to Protestant Christianity marked one of the most important social and intellectual transformations in American history *Come Shouting to Zion* is the first comprehensive exploration of the processes by which this remarkable transition occurred Using an extraordinary array of archival sources Sylvia Frey and Betty Wood chart the course of religious conversion from the transference of traditional African religions to the New World through the growth of Protestant Christianity in the American South and British Caribbean up to 1830 *Come Shouting to Zion* depicts religious transformation as a complex reciprocal movement involving black and white Christians It highlights the role of African American preachers in the conversion process and demonstrates the extent to which African American women were responsible for developing distinctive ritual patterns of worship and divergent moral values within the black spiritual community Finally the book sheds light on the ways in which by serving as a channel for the assimilation of Western culture into the slave quarters Protestant Christianity helped transform Africans into African Americans *Igniting the Caribbean's Past* Bonham C. Richardson, 2005-12-15 Unlike the earthquakes and hurricanes that have influenced Caribbean history the region s fires have almost always been caused by humans Geographer

Bonham C Richardson explores the effects of fire in the social and ecological history of the British Lesser Antilles from the British Virgin Islands south to Trinidad Focusing on the late nineteenth century leading to the 1905 withdrawal of British military forces from the region Richardson shows how fire lit social upheavals served as forerunners of political independence movements Drawing on Caribbean and London archives as well as years of fieldwork Richardson examines how villagers used modified and contemplated fire in part to vent their frustrations with a savage economic depression and social and political inequities imposed from afar He examines fire in all its forms from protest torches to sugarcane fires that threatened the islands economic staple Richardson illuminates a neglected period in Caribbean history by showing how local uses of fire have been catalysts and even causes of important changes in the region Slavery and Capitalism David McNally,2025 The first systematic Marxist account of the capitalist character of Atlantic slavery Karl Marx s writings on enslavement and labor have fallen out of favor among historians but David McNally injects new life into them Slavery and Capitalism gives the first systematic Marxist account of the capitalist character of Atlantic slavery using colonial travel literature planter records and diaries and slave narratives to support the provocative claim for enslaved labor in the plantation system as capitalist commodity production Weaving together history political economy and radical abolitionism McNally demonstrates that plantation slaves formed a modern working class Unlike those scholars who insist that enslaved people were too sensible to set their sights on liberty he highlights the self activity of enslaved people fighting for their freedom and reframes their resistance as labor struggles over production and reproduction with significant implications for US and Atlantic history and for understanding the roots of racial capitalism The Cambridge Economic History of the United States Stanley L. Engerman,Robert E. Gallman,1996-04-26 In the past several decades there has been a significant increase in our knowledge of the economic history of the United States This three volume History has been designed to take full account of new knowledge in the subject while at the same time offering a comprehensive survey of the history of economic activity and change in the United States This first volume surveys the economic history of British North America including Canada and the Caribbean and of the early United States from early settlement by Europeans to the end of the eighteenth century The book includes chapters on the economic history of Native Americans to 1860 and also on the European and African backgrounds to colonization Subsequent chapters cover the settlement and growth of the colonies including special surveys of the northern colonies the southern colonies and the West Indies to 1850 Other chapters discuss British mercantilist policies and the American colonies and the American Revolution the constitution and economic developments through 1800 Volumes II and III will cover respectively the economic history of the nineteenth century and the twentieth century **Sea and Land** Philip D. Morgan,John Robert McNeill,Matthew Mulcahy,Stuart B. Schwartz,2022 Sea and Land provides an in depth environmental history of the Caribbean to ca 1850 with a coda that takes the story into the modern era It explores the mixing movement and displacement of peoples and the parallel ecological mixing of animals

plants microbes from Africa Europe elsewhere in the Americas and as far away as Asia It examines first the arrival of Native American to the region and the environmental transformations that followed It then turns to the even more dramatic changes that accompanied the arrival of Europeans and Africans in the fifteenth century Throughout it argues that the constant arrival dispersal and mingling of new plants and animals gave rise to a creole ecology Particular attention is given to the emergence of Black slavery sugarcane and the plantation system an unholy trinity that thoroughly transformed the region s demographic and physical landscapes and made the Caribbean a vital site in the creation of the modern western world Increased attention to issues concerning natural resources conservation epidemiology and climate have now made the environment and ecology of the Caribbean a central historical concern *Sea and Land* is an effort to integrate that research in a new general environmental history of the region Intended for scholars and students alike it aims to foster both a fuller appreciation of the extent to which environmental factors shaped historical developments in the Caribbean and the extent to which human actions have transformed the biophysical environment of the region over time The combined work of eminent authors of environment and Latin American and Caribbean history *Sea and Land* offers a unique approach to a region characterized by Edenic nature and paradisiacal qualities as well as dangers diseases and disasters

**Out of the House of Bondage** Gad Heuman, 2022-09-21 *Out of the House of Bondage* first published in 1986 focuses not on slave rebellions which were of crucial importance but not common occurrences but on the day to day patterns of resistance that directly affected the lives of slaves It examines acts of resistance in both the Americas and Africa and widens the study of runaways and resistance and uses runaways as a means to further analyse slavery and the wider slave population

*Crowns of Glory, Tears of Blood* Emilia Viotti da Costa, 1997 This text explores the 1823 slave rebellion in Demerara now Guyana one of the largest in history The 60 000 black slaves who rose up against their British masters were brutally put down The book looks at the conflict which gave the rebellion life and the forces which finally ended slavery

**New Studies in the History of American Slavery** Edward E. Baptist, Stephanie M. H. Camp, 2006 These essays by some of the most prominent young historians writing about slavery fill gaps in our understanding of such subjects as enslaved women the Atlantic and internal slave trades the relationships between Indians and enslaved people and enslavement in Latin America Inventive and stimulating the essays model the blending of methods and styles that characterizes the new cultural history of slavery s social political and economic systems Several common themes emerge from the volume among them the correlation between race and identity the meanings contained in family and community relationships gender and life s commonplaces and the literary and legal representations that legitimated and codified enslavement and difference Such themes signal methodological and pedagogical shifts in the field away from master slave or white black race relations models toward perspectives that give us deeper access to the mental universe of slavery Topics of the essays range widely including European ideas about the reproductive capacities of African women and the process of making race in the Atlantic world the contradictions of the

assimilation of enslaved African American runaways into Creek communities the consequences and meanings of death to Jamaican slaves and slave owners and the tensions between midwifery as a black cultural and spiritual institution and slave midwives as health workers in a plantation economy Opening our eyes to the personal the contentious and even the intimate these essays call for a history in which both enslaved and enslavers acted in a vast human drama of bondage and freedom salvation and damnation wealth and exploitation

**Hubs of Empire** Matthew Mulcahy, 2014-11-03 An introduction to the rich history and culture of the Greater Caribbean the wealthiest region in British America In *Hubs of Empire* Matthew Mulcahy argues that it is useful to view Barbados Jamaica and the British Leeward Islands along with the South Carolina and Georgia Lowcountry as a single region Separated by thousands of miles of ocean but united by shared history and economic interest these territories formed the Greater Caribbean Although the Greater Caribbean does not loom large in the historical imaginations of many Americans it was the wealthy center of Britain's Atlantic economy Large scale plantation slavery first emerged in Barbados then spread throughout the sugar islands and the southeastern mainland colonies allowing planters to acquire fortunes and influence unmatched elsewhere including the tobacco colonies of Maryland and Virginia *Hubs of Empire* begins in the sixteenth century by providing readers with a broad overview of Native American life in the region and early pirate and privateer incursions Mulcahy examines the development of settler colonies during the seventeenth and early eighteenth centuries explores diverse groups of European colonists and surveys political economic and military issues in the decades before the Seven Years War The plantation system achieved its fullest and harshest manifestation in the Greater Caribbean The number of slaves and the scale of the slave trade meant that enslaved Africans outnumbered Europeans in all of the affiliated colonies often by enormous ratios This enabled Africans to maintain more of their traditions practices and languages than in other parts of British America resulting in distinct creole cultures This volume is an ideal introduction to the complex and fascinating history of colonies too often neglected in standard textbook accounts

**Laboring Women** Jennifer L. Morgan, 2011-09-12 When black women were brought from Africa to the New World as slave laborers their value was determined by their ability to work as well as their potential to bear children who by law would become the enslaved property of the mother's master In *Laboring Women* *Reproduction and Gender in New World Slavery* Jennifer L. Morgan examines for the first time how African women's labor in both senses became intertwined in the English colonies Beginning with the ideological foundations of racial slavery in early modern Europe *Laboring Women* traverses the Atlantic exploring the social and cultural lives of women in West Africa slaveowners expectations for reproductive labor and women's lives as workers and mothers under colonial slavery Challenging conventional wisdom Morgan reveals how expectations regarding gender and reproduction were central to racial ideologies the organization of slave labor and the nature of slave community and resistance Taking into consideration the heritage of Africans prior to enslavement and the cultural logic of values and practices recreated under the duress of slavery she examines how women's gender identity was defined by their shared

experiences as agricultural laborers and mothers and shows how given these distinctions their situation differed considerably from that of enslaved men Telling her story through the arc of African women s actual lives from West Africa to the experience of the Middle Passage to life on the plantations she offers a thoughtful look at the ways women s reproductive experience shaped their roles in communities and helped them resist some of the more egregious effects of slave life Presenting a highly original theoretically grounded view of reproduction and labor as the twin pillars of female exploitation in slavery *Working Women* is a distinctive contribution to the literature of slavery and the history of women The Oxford History of the British Empire: The eighteenth century Peter James Marshall,1998 Examines the history of British worldwide expansion from the Glorious Revolution of 1689 to the end of the Napoleonic Wars a crucial phase in the creation of the modern British Empire **Heiresses** Miranda Kaufmann,2025-10-07 From Jamaica to Charleston Sierra Leone to India Australia and back to England this is the story of the heiresses and the role they played in the history of enslavement Through the eighteenth and early nineteenth centuries it was a fact universally acknowledged that any man in want of a great fortune ought to find himself a Caribbean heiress Their assets the product of the exploitation of enslaved African men women and children enabled them to marry into the top tiers of the aristocracy and influence society and politics They fell in love not always with their husbands eloped divorced squandered fortunes commissioned art threw parties went mad and in once case faked a daughter s death In her much anticipated follow up to *Black Tudors* Miranda Kaufmann peers beneath our pastel hued Jane Austen inspired image of the Georgian heiress to reveal a murky world of inheritance fortune hunting and human exploitation She also unearths the stories of the people the heiresses enslaved whose labor funded their lifestyles with whom their fates were intimately intertwined *Heiresses* provides a compelling and often shocking account of how Britain profited and continues to profit from enslavement In the vein of landmark books such as *Empire and Natives* *They Were Her Property* and *White Debt* *Heiresses* promises to expand and challenge our understanding of history

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Tender Moments: **Bondmen And Rebels A Study Of Master Slave Relations In Antigua** .
