Godsey,Barbara Green,Geffrey B. Kelly,2003-05-28 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followersand how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis Joel Banman,2021-02-11 Bonhoeffer s writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer s biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ **Preface to Bonhoeffer** John D. Godsey,2015-12-22 This volume presents two of Bonhoeffer s writings that are vital to understanding his life and thought The first Thy Kingdom Come is a passionate lecture delivered in 1932 a year before he left Germany in protest of Nazism The First Table of the Ten Commandments written twelve years later from a Nazi prison is a mature and insightful study of the

first three commandments The book is also a compact and readable introduction to the life and writings of Dietrich Bonhoeffer John Godsey's biographical sketch is particularly lucid in discussing Bonhoeffer's significance for our time In Bonhoeffer Godsey finds one who understood our world and discerned the universal meaning of Jesus Christ He also sees one who recalled the church to discipleship while bearing witness to the Christ This once out of print book will be of great interest to all Bonhoeffer students as well as those seeking to learn about his life and thought **Bonhoeffer's the Cost of Discipleship** Greg Ligon,1999-01-01 Shepherd's Notes Christian Classics Series is designed to give readers a quick step by step overview of some of the enduring treasures of the Christian faith They are designed to be used along side the classic itself either in individual study or in a study group The faithful of all generations have found spiritual nourishment in the Scriptures and in the works of Christians of earlier generations Martin Luther and John Calvin would not have become who they were apart from their reading Augustine God used the writings of Martin Luther to move John Wesley from a religion of dead works to an experience at Aldersgate in which his heart was strangely warmed Shepherd's Notes will give pastors laypersons and students access to some of the treasures of Christian faith **The Slim-Line Reference Bible** ,1988-09 In this four session video based small group Bible study New York Times best selling author Eric Metaxas will help you discover the major themes of Dietrich Bonhoeffer's writing and speaking and how he not only helped transform an entire faith community in Germany during World War II but how his beliefs continue to impact the Christian faith of people throughout the world today Filmed on location in Germany Metaxas will take you on a religious journey of Bonhoeffer's faith and why it has captured so many people's imaginations and how it has inspired the Christian faith of so many today Pulling themes from all of his major books Metaxas helps us understand why these spiritual truths meant so much to Bonhoeffer and how they can be an inspiration and challenge to our faith This companion study guide will lead you and your group deeper into the video content sold separately with session by session discussion topics personal reflection and between session studies to enhance the group experience Sessions include What is the Church Life Together God Says Yes Cheap Grace Religionless Christianity Designed for use with Bonhoeffer A DVD Study *The Bonhoeffer Reader* Clifford J. Green,Michael P. DeJonge,2014-04-17 For the first time the essential theological writings of Dietrich Bonhoeffer have been drawn together in a helpful one volume format The Bonhoeffer Reader brings the best English translation to students and provides a ready made introduction to the thought of this essential thinker *Reading from the Underside of Selfhood* Lisa E. Dahill,2009-01-01 Dietrich Bonhoeffer's example of self sacrificing discipleship has for over fifty years inspired Christians around the world in both their resistance to evil and their devotion to Jesus Christ Yet for some readers particularly those who suffer trauma abuse and other forms of violence Bonhoeffer's insistence on self sacrifice on becoming a person for others may prove more harmful than liberating For those already socialized into self abnegation uncritical applications of Bonhoeffer's teachings may reinforce submission rather than resistance to evil This study explores Bonhoeffer's understandings of selfhood and spiritual formation both in his

own experience and writings and in light of the role of gender in psycho spiritual development The central constructive chapter creates a mediated conversation between Bonhoeffer and these feminist psychologists on the spiritual formation of survivors of trauma and abuse including not only dimensions of his thinking to be critiqued from this perspective but also important resources he contributes toward a truly liberating Christian spirituality for those on the underside of selfhood The book concludes with suggestions regarding the broader relevance of this study and implications for ministry The insights for spiritual formation developed here provide powerful proof of Bonhoeffer s continuing and concretely contextualized relevance for readers across the full spectrum of human selfhood **Liberating Faith** Geffrey B. Kelly, 2002-12-11

Liberating Faith remains an effective introduction to the theology and spirituality of Dietrich Bonhoeffer After a brief biographical portrait of Bonhoeffer s adult life Kelly offers a thematic overview of Bonhoeffer s Christological theology with an emphasis on the sociality of Christ Other chapters focus on the liberation of faith which is essentially Bonhoeffer s theology of revelation that emerged from his own existential crisis regarding his own faith and an examination of his theology of the Church While Kelly draws heavily on Bonhoeffer s later writings like The Cost of Discipleship Ethics and especially Letters and Papers from Prison he also uses key texts spanning the entirety of Bonhoeffer s career to develop the critical ideas at the heart of Bonhoeffer s theology Therefore Liberating Faith does very well to set the stage for Bonhoeffer s overall theology **Life Together and Prayerbook of the Bible** Dietrich Bonhoeffer, 2004-12-08 On the nature of Christian

community and a theological interpretation of the Psalms Shepherd's Notes: The Cost of Discipleship Dietrich Bonhoeffer, 2017-10 Shepherd s notes helps readers better learn the books of the Bible and Christian classic writings in a concise and easy to understand format
