The Yellow World By Albert Espinosa:

The Yellow World Albert Espinosa, 2012-11-01 Albert Espinosa never wanted to write a book about surviving cancer so he didn't. He wrote a book instead about the Yellow World. What is the yellow world? The yellow world is a world that's within everyone. It's a world the colour of the sun. It is the name of a way of living of seeing life of nourishing yourself with the lessons that you learn from good moments as well as bad ones. It is the world that makes you happy the world you like living in. The yellow world has no rules it is made of discoveries. In these 23 Discoveries Albert shows us how to connect daily reality with our most distant dreams. He tells us that losses are positive the word pain doesn't exist and what you hide the most reveals the most about you. Albert Espinosa has won several battles with death which is why his stories are so full of life. He is powerful because he never gives up. And as a last resort he bargains he swapped a leg and a lung for his life. He has learnt how to lose in order to win. He's hyperactive and prefers losing sleep to losing experiences. If you want to tell him something it has to be very good or told very fast. He loves to provoke people but he does it to make provocations seem normal. His greatest hope is that after you have read this book you will go off in search of your yellow world. Albert Espinosa is a bestselling author. At the age of thirteen Albert was diagnosed with cancer an event that changed his life forever. When he was fourteen his left leg had to be amputated. At sixteen his left lung was removed and when he was eighteen part of his liver was taken out. After ten years in and out of hospitals when he was finally told that he had been cured of the disease he realised that his illness had taught him that what is sad is not dying but rather not knowing how to live.

The Best Thing About Leaving is Coming Back Albert Espinosa, 2021-03-18 There comes a day in your life when you must decide whether you want to be right or be at ease. ALBERT ESPINOSA is back with a beautiful story about memories forgiveness and love that takes place on April 23 the day of books and roses between Barcelona and the islands of Ischia and Menorca. *The Virginia Quarterly Review*, 2018 Talking Book Topics, 2015-11

HANNAH F BUCHAN Hunter Global Investors L P When female entrepreneurial talent is abundant but success stories are so few that it begs the question of where the ecosystem is failing. This book provides an important vision of the critical aspects of digital entrepreneurship. PILAR MANCH N Sr Director Artificial Intelligence Google Silicon Valley The patience and constant resistance with which women have endured the macho structure of society for so long is admirable. Teresa Alarcos has written a good book full of interest on how the new digital society can correct this discrimination forever. I advise reading it urgently and with respect. ANTONIO GARRIGUES WALKER Honorary president of Garrigues This book will inspire us and will motivate more and more of us to create a legacy that we will be proud to leave our children. CHRISTINA GERAHITEYS Co CEO SingularityU Australia Teresa Alarcos has written a very successful book from the heart in which she shows in a solid and didactic way how a startup is created. ANTONIO COLINO President of the Royal Academy of Engineering

Teresa's book highlights bold and confident female entrepreneurs who are paving the way for others. By leveraging their knowledge and networks, these entrepreneurs are identifying opportunities, understanding potential clients, and following their passion to do good. These women are true game changers. ANI L KHARAJIAN, Senior Portfolio Director, Executive Education, Harvard Business School, President, Board of Directors, Armenian International Women's Association. *If You Tell Me to Come, I'll Drop Everything, Just Tell Me to Come*. Albert Espinosa, 2017-07-06. A funny and uplifting fable about the journey to learn who we are from the bestselling author of *The Yellow World*. Dani has devoted his life to finding missing children. One day, as his girlfriend starts packing her bags to leave him, he gets a phone call from a distraught father asking for help. It's a strange case, one that Dani wouldn't usually take on. But when he hears his girlfriend slam the front door and his apartment falls into silence, he realizes it's one he can't turn down. His journey to find the lost boy takes Dani over the seas to the sleepy Italian island of Capri, a place infused with a kind of hazy magic which begins to conjure up in Dani's mind long forgotten memories of his own childhood. And as he starts to unravel the story of his own life, he realises that he is not just on a quest to save the missing child; he is also on a quest to save himself. Quirky, warm-hearted, and honest, this is an uplifting parable of memory and forgiveness as a man makes a life-changing journey across an island and into his own heart. Told in simple, emotionally honest prose, it reveals how, by revisiting the past, we can change the shape of the future.

Albert Espinosa, 2015-07-02. Can you imagine a future where everyone has given up sleeping? From the creator of the television series *Red Band Society* and author of the international bestseller *The Yellow World*, comes this uniquely special novel. What if I could reveal your secrets with just a glance? And what if I could feel with your heart just by looking at you? And what if in a single moment I could know that we were made for each other? Marcos has just lost his mother, a famous dancer who taught him everything, and he decides that his world can never be the same without her. Just as he is about to make a radical change, a phone call turns his world upside down. Albert Espinosa has a peculiar talent for generating immediate congeniality around him, for shifting people's moods toward the positive and for reconciling them with themselves and the world when needed. *Reviews*. Albert Espinosa lives exclusively in his imagination. He uses it to write, to direct plays and films, and to act. His sense of humour is as special as his way of living. An optimism as contagious as a cold. Teresa Cendr's *El Peri d'ico*. If there's one ability Espinosa has had in all of his multifactorial creations, it's his capacity to stand in other people's shoes. Empathy is his strength. *N ria Escur La Vanguardia*. Speaking with Albert teaches me many new things, such as it is not sad to die and that what is sad is not living, not to live it all. He knows what he's talking about and knows how to tell it, and that's why his works help us to live. *V ctor M Amela La Vanguardia*. ENGLISH DESCRIPTION A sensational memoir with all the emotional power of The Fault in Our Stars The Yellow World is the story of cancer and survival that has moved and inspired readers around the world My heroes don t wear red capes They wear red bands Albert Espinosa never wanted to write a book about cancer so he didn t Instead he shares his most touching funny tragic and happy memories in the hopes that others healthy and sick alike can draw the same strength and vitality from them At thirteen Espinosa was diagnosed with cancer and he spent the next ten years in and out of hospitals undergoing one daunting procedure after another starting with the amputation of his left leg After going on to lose a lung and half of his liver he was finally declared cancer free Only then did he realize that the one thing sadder than dying is not knowing how to live In this rich and rewarding book Espinosa takes us into what he calls the yellow world a place where fear loses its meaning where strangers become for a moment your greatest allies and where the lessons you learn will nourish you for the rest of your life
