The White Earth By Andrew McGahan:

White Earth Andrew McGahan, 2007-01-01 The saga of the McIvors is nothing less than a grim and supremely entertaining take on colonialism in Australia and the tortured stained hearts of all its New World cousins A Entertainment Weekly After his father's death young William is cast upon the charity of an unknown great uncle John McIvor The old man was brought up expecting to marry the heiress to Kuran Station a grand estate in the Australian Outback only to be disappointed by his rejection and the selling off of the land He has devoted his life to putting the estate back together and has moved into the once elegant mansion McIvor tries to imbue William with his obsession but his hold on the land is threatened by laws entitling the Aborigines to reclaim sacred sites William's mother desperately wants her son to become John McIvor's heir but no one realizes that William is ill and his condition is worsening The White Earth won Australia's Miles Franklin Award for 2005 and was selected as Book of the Year 2004 by The Age and the The Courier Mail **Postcolonial Issues in Australian Literature**, **The White Earth by Andrew McGahan** Laurie Clancy, 2004 **A Companion to Australian Literature Since 1900** Nicholas Birns, Rebecca McNeer, 2007 A fresh twenty first century look at Australian literature in a broad inclusive and multicultural sense **The Cambridge History of the Australian Novel** David Carter, 2023-07-27 The Cambridge History of the Australian Novel is an authoritative volume on the Australian novel by more than forty experts in the field of Australian literary studies drawn from within Australia and abroad Essays cover a wide range of types of novel writing and publishing from the earliest colonial period through to the present day The international dimensions of publishing Australian fiction are also considered as are the changing contours of criticism of the novel in Australia Chapters examine colonial fiction women's writing Indigenous novels popular genre fiction historical fiction political novels and challenging novels on identity and belonging from recent decades not least the major rise of Indigenous novel writing Essays focus on specific periods of major change in Australian history or range broadly across themes and issues that have influenced fiction across many years and in many parts of the country *Darkness Subverted* Katrin Althans, 2010-02-18 At the heart of the Gothic novel proper lies the discursive binary of self and other which in colonial literature was quickly filled with representations of the colonial master and his indigenous subject Contemporary black Australian artists have usurped this colonial Gothic discourse torn it to pieces and finally transformed it into an Aboriginal Gothic This study first develops the theoretical concept of an Aboriginal Gothic and then uses this term as a tool to analyse novels by Vivienne Cleven Mudrooroo Kim Scott Sam Watson and Alexis Wright as well as films directed by Beck Cole and Tracey Moffatt It centres on the question of how a genuinely European mode the Gothic can be permeated and thus digested by elements of indigenous Australian culture in order to portray the current situation of Aboriginal Australians and to celebrate a recovered cultural identity **After The Celebration** Ken Gelder, Paul Salzman, 2009-01-01 After the Celebration explores Australian fiction from 1989 to 2007 after Australia's bicentenary to the end of the Howard government

Witnessing Australian Stories Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia's history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia's indigenous peoples in February 2008 he performed an act of collective witnessing that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction's critically acclaimed Memory and Narrative series

Middlebrow Modernism Melinda J. Cooper, 2022-10-01 Eleanor Dark 1901-85 is one of Australia's most innovative 20th century writers Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture Yet Dark's contribution to 20th century literature has been undervalued in the fields of both Australian literary studies and world literature Although two biographies have been written about her life there has been no book length critical study of her writing published since 1976 Middlebrow Modernism counters this neglect by providing the first full length critical survey of Eleanor Dark's writing to be published in over four decades Focusing on the

fiction that Dark produced during the interwar years and reading this in the context of her larger body of work this book positions Dark's writing as important to the study of Australian literature and global modernism Melinda Cooper argues that Dark's fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction It seeks to mediate and reconcile apparent binaries modernism and mass culture liberal humanism and experimental aesthetics settler society and international modernity The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place based attachments to nation and local community within the mid 20th century Middlebrow Modernism posits that Dark's fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates operating within global modernist and world literature studies providing perspectives these fields might otherwise miss History of the Book in Australia Volume 3 Craig Munro, 2006-07 This new volume in UQP's History of the Book in Australia series explores Australian book production and consumption from 1946 to the present day In the immediate postwar era most books were imported into a colonial market dominated by British publishers Paper Empires traces this fascinating and volatile half century using wide ranging research oral history and memoir to explore the worlds of book publishing selling and reading After 1945 Australian publishing went from a handful of fledgling businesses to the billion dollar industry of today with thousands of new titles each year and a vast array of imported books Publishing's postwar expansion began with the baby boom and the increased demand for school texts with independent houses blossoming during the 1960s and 70s followed by the current era dominated by global conglomerates All aspects of print culture are explored from authorship and editing to bookselling libraries and reading habits in the context of today's rapidly changing publishing landscape with its many technological challenges A wide range of expert contributors including book trade practitioners have produced this lively and indispensable account of our vital cultural industry
