A Light on the Magdalena Junelle M. Preston, 2022-10-31 It started on the Magdalena River the 1960s when life had been simple and reassuring A river and pueblos ready to absorb the gospel message her Christian missionary family would bring A river where Ellie suddenly changed that birthday when two books arrived *Uncle Tom's Cabin* about American slavery and *The Diary of a Young Girl* by Anne Frank with its Nazi overlay Books full of sorrow and evil that she'd never heard of so different to past tales of romance and happy endings Now it became a painful time when life was no longer simple her parents whose Bible message had always seemed purposeful and right and her mentor the ex priest with secrets of his own teaching her compassion and mercy Also Aunt Lizzie an irreverent model of womanhood and freedom for Ellie to observe And high on the admiration scale was Dr Britten that wonderful man living a wealthy secluded life behind the river This is a coming of age story An honest unflinching look at Ellie young and lonely trying to hold onto innocence while at the same time struggling to define her own belief system as events begin to crash down around her Who can she trust and is she strong enough to succeed and run with that freedom she optimistically craves

The Lake Louise Sharland,2021-03-18 The truth lies just beneath the surface Creating White Australia Jane Carey,Claire McLisky,2009 The adoption of White Australia as government policy in 1901 demonstrates that whiteness was crucial to the ways in which the new nation of Australia was constituted And yet historians have largely overlooked whiteness in their studies of Australia s racial past Creating White Australia takes a fresh approach to the question of race in Australian history It demonstrates that Australia s racial foundations can only be understood by recognising whiteness too as race Including contributions from some of the leading as well as emerging scholars in Australian history it breaks new ground by arguing that whiteness was central to the racial ideologies that created the Australian nation This book pursues the foundations of white Australia across diverse locales It also situates the development of Australian whiteness within broader imperial and global influences As the recent apology to the Stolen Generations the Northern Territory Intervention and

controversies over asylum seekers reveal the legacies of these histories are still very much with us today **A Very Royal Plot** j p ronan,2018-12-16 Since the time of Able and Cain one has contrived to undo the other for gain The royal realms of Europe were no exception The more power the ruler the more grand the plot of intrigue The greater the number of conspirators the more complicated and murderous is the conspiracy Here the modern day Windsor Rule of England is to be changed by overthrow The collusion of members of other royal houses is under foot Huge sums of cash must be moved into the hands of pertinent collaborators In London a retired military analyst discovers the rebellion and acts on his own to thwart the villainy and save England s Monarchy Simultaneously a New York City financial advisor stumbles on to the shadow banking which is intended to support the insurgence in England With the aid of the United Nations this monetary plot is undone **The Long Way Home** Mariah Stewart,2013-08-01 Sometimes going home is the only way to go forward As the only child of a wealthy investment manager Ellie Chapman has never known anything besides a life of perfect privilege But her years of good fortune come to an abrupt end when her father is exposed for swindling billions of dollars from innocent investors Just like that Ellie loses everything money job home even her fianc who s jailed as her father s partner in crime With her family name in tatters Ellie has only one place to go Sleepy St Dennis Maryland is hardly where Ellie intends to stay however Keeping her identity a secret she plans to sell the house her late mother left her in the small town and use the proceeds to move on with her life Unfortunately her ticket to a new beginning is in dire need of pricey improvements most of which she ll have to do herself Until the house on Bay View Road is fit to be sold the sole place Ellie will be traveling is the hardware store But as the many charms of St Dennis not to mention Cameron O Connor the handsome local contractor who has secrets of his own begin to work their magic what begins as a lesson in do it yourself renovations might just end up as Ellie s very own rejuvenation Seeing Things Alice McIntyre,2011-11-08 In an effort to address her obsession with worrying about people ten year old Trina decides to invent an object she calls the Thing Whenever Trina starts becoming overly concerned about someone she opens the top of her magical box peeks inside and hopes that everything she sees will make her feel all right But one night everything is not all right While looking in the Thing Trina sees her older sister involved in a deadly car crash Suddenly Trina is left trying to make sense of events that are difficult for her to understand her sisters death her alcoholic father her overworked mother and her relationship with a God that would let bad things happen to good people The tragedy that befalls her family teaches Trina how to survive disappointment and loss with humor love and a belief in second chances **The City Beneath** Susan A. Phillips,2019-11-05 A sweeping history of Los Angeles told through the lens of the many marginalized groups from hobos to taggers that have used the city s walls as a channel for communication Graffiti written in storm drain tunnels on neighborhood walls and under bridges tells an underground and until now untold history of Los Angeles Drawing on extensive research within the city s urban landscape Susan A Phillips traces the hidden language of marginalized groups over the past century from the early twentieth century markings of hobos soldiers and

Japanese internees to the later inscriptions of surfers cholos and punks Whether describing daredevil kids bored workers or clandestine lovers Phillips profiles the experiences of people who remain underrepresented in conventional histories revealing the powerful role of graffiti as a venue for cultural expression Graffiti aficionados might be surprised to learn that the earliest documented graffiti bubble letters appear not in 1970s New York but in 1920s Los Angeles Or that the negative letterforms first carved at the turn of the century are still spray painted on walls today With discussions of characters like Leon Ray Livingston aka A No 1 credited with consolidating the entire system of hobo communication in the 1910s and Kathy Zuckerman better known as the surf icon Gidget this lavishly illustrated book tells stories of small moments that collectively build into broad statements about power memory landscape and history itself Calder Strong Janet

Gai Gai Waterhouse, 2010 Gai Waterhouse is an Australian horse racing trailblazer widely regarded as the most successful female trainers in the world Gai's diary of the recent racing season encapsulates a year in the life of the most colourful woman in racing The book features Gai's opinions on major news events of the moment and includes insights into her family life It delves into Gai's influences and memories her approach to racing and her motivation to succeed Elissa's Legacy John A. Ursillo, 2025-03-26 The story in Elissa's Legacy came about from an encounter with a side of CW history that had been introduced to me by my daughter a doctoral occupational therapist with the Veterans Administration an awareness of the phenomenon of women serving as men in the Civil War Research discovered that the role of women on the home front

as nurses grew from small beginnings home front volunteers to the formal introduction of the Dorothea Dix Corps of Nurses and morphed into first ad hoc assistance closer to the field of battle within military field hospitals both North and South I discovered there was far more to this early female participation i e the phenomenon of women serving in disguise as men in actual combat hundreds of them by War Department actual count The success of these growing pains was the eventual system of military medical services that exist today Deeper research into both areas of interest was spurred by my acquisition of a signed limited edition 1864 copy of a memoir self published by such a participant Emma Edmonds who served as a nurse soldier and spy My copy was no 51 in the edition signed by Emma for the buyer Miss Lucy Vanilly The current work is not a retelling of Miss Edmonds s story which has been formally republished but my attempt to meld the phenomenon of women in Civil War military service with the concept of how the actions and experiences of previous generations of a family my character Elissa s family and my family can strongly influence behavior mores and actions of their descendants I know this to be true from my own military service Ordnance Corps EOD my comrades and those who currently serve The term band of brothers is not just a film title As I grow older I am ever more conscious how that legacy from my forebears has molded my personality influenced my character guided my actions and helped me inculcate those values into my two daughters so that they may carry on the influence of those of my family who have gone before
