Time And The Gods By Lord Dunsany:

Time and the Gods Lord Dunsany,2015-08-24 Once when the gods were young and only Their swarthy servant Time was without age the gods lay sleeping by a broad river upon earth There in a valley that from all the earth the gods had set apart for Their repose the gods dreamed marble dreams And with domes and pinnacles the dreams arose and stood up proudly between the river and the sky all shimmering white to the morning In the city s midst the gleaming marble of a thousand steps climbed to the citadel where arose four pinnacles beckoning to heaven and midmost between the pinnacles there stood the dome vast as the gods had dreamed it

and crossing the mountains that divide the desert from the world set out across it driven by the gods till hidden in the desert's midst they find the valley at last and look with eyes upon Sardathrion **Time and The Gods** Lord Dunsany,2023-10-01

T. Joshi, 1995-03-23 The Irish writer Lord Dunsany 1878 1957 has suffered a regrettable decline in critical esteem Although one of the most popular and critically acclaimed writers of the early 20th century he seems to have fallen out of fashion with both the Irish critical community and with enthusiasts of fantasy literature But Dunsany was one of the critical figures in modern fantasy a significant influence on Tolkien Le Guin and other writers His own work written over a 50 year span and covering nearly every literary mode short story novel play essay poem is itself rich with meaning In this the first academic study of Dunsany s work Joshi establishes that Dunsany has a remarkable grasp of the symbolic function of fantasy and that he used fantasy horror and the supernatural as metaphors for his most deeply held convictions on life and society His entire work is unified by a single overriding theme the need for human reunification with the natural world even though this theme takes on many different forms e g scorn of industrialization demonstration of the moral superiority of animals over human beings rumination on the extinction of the human race The course of Dunsany s long career proceeding from early short stories and plays about the edge of the world to full length novels to tales of comic fantasy such as the popular Jorkens stories to sensitive works about Ireland reveals a writer constantly searching for new ways to express his central philosophic and aesthetic conceptions Joshi s volume may best be described as an exercise in literary excavation an

attempt to unearth an unjustly forgotten writer and to show that his work is in need of further study and analysis

Forgotten Fantasy Robert Reginald, 2007-09-01 The second issue of this classic magazine features The Goddess of Atvatabar Part 2 by William R Bradshaw When the Gods Slept by Lord Dunsany The Shadows on the Wall by Mary E Wilkins Freeman Memnon or Human Wisdom by Voltaire more
