Wildfire By Mary Pauline Lowry:

Wildfire Mary Pauline Lowry, 2014-10-07 Julie has an obsession with fire that began after her parents died when she was twelve years old. Her pyromania leads her to take an unlikely job as a forest firefighter on an elite Type 1 Hotshot crew of forest firefighters who travel the American West battling wildfires. The only woman on the twenty person crew, Julie struggles both to prove her worth and find a place of belonging in the dangerous, insular and very masculine world of fire. As her season on the line progresses, so do her relationships with the strange and varied cast of characters that make up her hotshots team, and she learns what it means to put your life on the line for someone else. *Wildfire* is a tough, gritty and fascinating story from an exciting new voice in American fiction. Fans of the movie *Backdraft* or Cheryl Strayed's memoir *Wild* will enjoy this fast-paced debut. Skyhorse Publishing, as well as our Arcade, Yucca and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Fire in the Heart Mary Emerick, 2017-09-05 *FIRE IN THE HEART* is a powerful memoir by a woman once a shy, insecure schoolgirl who reinvented herself as a professional wildland fire fighter. Determined to forge herself into a stronger, braver person, Mary climbs to new heights for a woman in the field in the 90s, eventually becoming a team commander of a Florida wildfire division. Filled with literal struggles for survival, tough choices, and Mary's burning passion for what she does, *Fire in the Heart* is an unflinching account of one woman's relationship with fire. But when she loses someone she loves to the famous Storm King Mountain forest fire in Colorado, which killed fourteen firefighters, Mary faces the hardest choice of her life: to stay in the game or turn back and try to find the woman she used to be. It is both a thrilling memoir about life-threatening work and a meditation on identity, strength, bravery, bonds, and survivor's guilt. *The Roxy Letters* Mary Pauline Lowry, 2020-04-07 Meet Roxy. For fans of *Where'd You Go, Bernadette* and *Bridget Jones's Diary*, comes just the kind of comic novel we need right now. The Washington Post about an Austin artist trying to figure out her life, one letter to her ex-boyfriend at a time. Bridget Jones penned a diary; Roxy writes letters. Specifically, she writes letters to her hapless rent-avoidant ex-boyfriend and current roommate Everett. This charming and funny twenty-something is underemployed and underromanced, and she's decidedly fed up with the indignities she endures as a deli maid at Whole Foods, the original and the dismaying speed at which her beloved Austin is becoming corporatized. When a new Lululemon pops up at the intersection of Sixth and Lamar, where the old Waterloo Video used to be, Roxy can stay silent no longer. As her letters to Everett become less about overdue rent and more about the state of her life, Roxy realizes she's ready to be the heroine of her own story. She decides to team up with her two best friends to save Austin and rescue Roxy's love life in whatever way they can. But can this spunky
