Making Chastity Sexy Christine J. Gardner, 2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism s transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa

Abstinence Cinema Casey Ryan Kelly, 2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 Abstinence Cinema comes to a very different conclusion finding echoes of the evangelical movement's abstinence only rhetoric in everything from Easy A to Taken Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency **Slouching towards Gaytheism** W. C. Harris, 2014-04-01 Argues that homophobia will not be eradicated in the United States until religion is ended Slouching towards Gaytheism brings together two intellectual traditions the New Atheism and queer theory and moves beyond them to offer a new voice for gay Americans and atheists alike Examining the continued vehemence of

homophobia in cultural and political debate regarding queer equality this unabashed polemic insists that the needs met by religion might be met more safely and less toxically by forms of community that do not harass and malign gay and lesbian Americans or impede collective social progress W C Harris argues that compromises with traditional religion no matter how enlightened or well intentioned will ultimately leave heteronormativity alive and well He explores a range of recent movements such as Dan Savage s It Gets Better project reparative ex gay therapy Christian purity culture and attempts by liberal Christians to reconcile religion with homosexuality and shows how these proposed solutions are either inadequate or positively dangerous According to the author the time has come for gaytheism leaving religion behind in order to preserve queer dignity rights and lives Lively original and serious this book is great fun to read One looks forward to how Professor Harris will skewer the next foe Paul Robinson author of Queer Wars The New Gay Right and Its Critics *Becoming Beka Series* Sarah Anne Sumpolec, 2006-02-01 This set includes all five books of the Becoming Beka series The Masquerade The Alliance The Passage The Reveal and The Encore In The Masquerade Beka Madison s good girl image has been crumbling around her since her mother s tragic death She can t let her family discover she s not really a Christian but her ragged emotions threaten to expose her The Masquerade is an absorbing story of a teenage girl s struggle with self discovery and the revelation that truth brings freedom In The Alliance Beka heads back to school with a new found faith but that faith is tested sooner than she expected As she spends time with the eclectic theater group she is pulled further into her friendship with Gretchen who has become fascinated with the occult and convinces Beka there is no harm in the tarot cards crystals and spells that their group of friends is dabbling in Beka also struggles in her growing relationship with Mark who is pressuring her to spend time with him behind her father s back In the midst of all these shifting alliances Beka must decide where her true loyalties lie In The Passage it s springtime in Bragg County and love is in the air A church retreat allows Beka to get to know Josh better but she learns that even though she likes him his college choice may put a wrench in their relationship Confused about her relationship with Josh Beka seeks out Mark for solace When Mark tries getting physical with Beka she ponders issues of purity In The Reveal Beka after a summer filled with work and guitar lessons spends ten days in Haiti before launching into her senior year She seems to be on stable footing but everyone around her is falling apart Surprises await Beka as she faces Gretchen after her two month stay in detention Gretchen is darker and moodier Then there s Mark who worms his way back into Beka s affections despite her father s refusal to let them officially date In The Encore Beka returns for the final semester of her senior year and quickly finds herself in trouble The song she wrote and performed offended a fellow student and the principal blames Beka and her teacher Mr Thompson Meanwhile she s torn between two different guys Mark and Josh And as she prepares for her father s upcoming wedding Beka is devastated to learn the family will be moving out of their house and into her dad s fiancée s house Soon Beka is overwhelmed with decisions including the option to sign a record contract and move to LA after graduation [Lies Young Women Believe/Lies Young Women Believe](#)

Is it right that despite the promises of feminism, women's bodies remain at the mercy of state, society, and religion? Should a scantily clad woman or a promiscuous one be worth less than a fully covered woman or a chaste one? Are being sexy and being smart really mutually exclusive? Can a woman be both body and brain? Victoria Bateman has confronted these questions with actions as well as words. She has appeared naked on national television, on stage, in art, and at protests, using her body as well as her brain to deliver her message. In *Naked Feminism*, Bateman makes a compelling case for women's bodily freedom and explains why the current puritanical revival is so dangerous for women. Illustrating the swinging pendulum of bodily modesty through the ages, she takes us on a journey from the ancient civilisations of Egypt and Babylon through the birth of Christianity and Islam to the lax morals of the medieval period and the bawdiness of Chaucer and Shakespeare to the clampdowns of the Puritans and later the Victorians and more recently to the re-veiling of the Middle East and the purity pledges of modern-day America. She ends with a plea: feminists must unite to challenge the repression of the female body, as only then can women be truly free. Also available as an audiobook narrated by the author.
